Attendance Returns at Boarding Schools asked for.

(NOTE.—For beginning of this correspondence see Auditor General's Report 1897-98, page G—160.)

AUDIT OFFICE, OTTAWA, November 14, 1899.

SIR,—I beg to draw your attention to your letter No. 150000 of December 16, 1898, in which you informed me that certain returns which were asked for in view of the change in your vouchers for grants to boarding and industrial schools would be sent me to enable me to audit that expenditure. Up to the present I have received no returns, and the vouchers continue to be made out by a clerk in your office, and other than her certificate they bear no evidence of having been checked by any person in a position to know whether the services paid for have been performed. This system of paying the grants, together with the neglect of your department to supply this office with the necessary data for checking the payments cannot but cause loss to the Government, and should be changed at once to some more satisfactory system of making the payments. I should like to discuss this matter verbally with you.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs, J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, November 16, 1899.

SIR,—I have to acknowledge the receipt of your letter of the 14th instant relative to returns from boarding and industrial schools required by you for purposes of audit; and in reply I beg to say that the returns in question, covering the year ended June 30 last will be sent you without delay. With reference to your remark as to the neglect of this department to furnish you with this data, I beg to call your attention to official letter of December 16 last, in which it was promised that the returns in question would be furnished you when required, and to remind you that this is the first request that has been made for them. I shall be happy to discuss the matter of the checking of boarding and industrial school returns with you verbally, at your convenience.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Secretary.*

AUDIT OFFICE, OTTAWA, November 28, 1899.

SIR,—With regard to the returns of the various schools, I would be pleased to have them for not only the year ended June 30 last, but for any payments which have been made since that time.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, March 17, 1900.

SIR,—I beg to acknowledge the receipt of your letter No. 150000-1*a* of December 2, 1899, with inclosures as stated with the exception of Calgary industrial school, the returns for which were not inclosed. Upon examination I find the following errors in the payments to the various schools for the year 1898-99 :—

Sarcee Boarding School :—June quarter. Pupil No. 25 was admitted on May 10, and was in attendance for 51 days, but was paid for the whole quarter, making an overpayment of $7.20.

Duck Lake Boarding School :—December quarter. The addition of the returns shows $1,978.33, and the school was only paid $1,958.33, or an underpayment of $20.

McDougall Orphanage :—September quarter. The addition of the return shows $651.60, and the school was paid $674.60, or an overpayment of $22.80.

Elkhorn Industrial School :—June quarter. The addition of the return shows $1,996.46, and the school was paid $1,996.49, or an overpayment of three cents.

Red Deer Industrial School :—December quarter. The addition of the returns shows $2,363.82, and the school was paid $2,348.66, or an underpayment of $15.16.

Qu'Appelle Industrial School :—June quarter. The addition of the return shows $6,246.11, and the school was paid $6,245.93, or an under-payment of 18 cents.

Please have the errors adjusted in the next payments to the various schools. I return the returns herewith, with the exception of those pertaining to payments during the current fiscal year.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 7, 1900.

SIR,—I beg to acknowledge your letter No. 150000 of the 28th ultimo with inclosures as stated. I am returning herewith all the statements received from your department for the September quarter, 1899, and in doing so I would draw your attention to the following errors :—

Blue Quills :—Pupil No. 033 returned to the school on September 11, and was consequently only in attendance during the balance of the quarter, but the school has been paid for the full quarter, or an overpayment of $13.20.

File Hills :—The addition of this return appears to be $222, but the school has only been paid $218, or an underpayment of $4.

I have received no reply to my letter of March 17, with reference to errors in the statements of the year ended June 30, 1899, and I would ask what arrangement has been made to adjust the various errors.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, April 9, 1900.

SIR,—I have to acknowledge the receipt of your letter of the 7th instant forwarding returns of attendance of pupils at industrial and boarding schools for September quarter last, sent you for audit ; and in reply I beg to say that arrangements have been made to rectify the errors referred to therein, as well as those mentioned in your letter of March 17 last.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Secretary.*

AUDIT OFFICE, OTTAWA, June 26, 1900.

SIR,—I beg to call your attention to an error in the returns for Portage la Prairie boarding school for December quarter, 1899. Pupil No. 012 was in attendance 56 days only, but the school was paid for the full quarter, or an overpayment of $6. Please have this overpayment deducted from the next payment you make to the school.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 29, 1900.

SIR,—I beg to draw your attention to what appears to be an overpayment of $13 to the Red Deer industrial school. In the return for the quarter ended December 31, 1899, pupil No. 9, Enoch Bull, is reported as having been only 53 days in attendance, having been absent without leave. In spite of this the full amount of $32.50 has been allowed for this pupil, instead of $19.50, the amount payable for 53 days' attendance. Kindly have the overpayment adjusted at the earliest opportunity.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 29, 1900.

SIR,—I notice an error of $100 in the addition of the return of the Qu'Appelle industrial school for the quarter ended March 31, 1900, the correct total being $6,177.46, instead of $6,277.46. Kindly have this overpayment adjusted in paying the school for the June quarter.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

Payment of Deficit at Elkhorn Industrial School.

AUDIT OFFICE, OTTAWA, October 13, 1900.

SIR,—I am in receipt of a statement of accounts amounting to $7,942.92 against the Elkhorn industrial school, paid by the Indian Commissioner in August, 1900, out of an accountable cheque received by him and charged to that school for the year 1899-1900. As no details of the accounts are furnished, but they appear to be on account of maintenance, I would ask upon what authority the payments have been made, and if they are not properly chargeable against the per capita grant allowed the school.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 24, 1900.

SIR,—With reference to your letter of the 13th instant, I beg to inform you that the sum of $7,942.92 therein mentioned represented the deficit up to March 31 last, at the Elkhorn industrial school, which was settled by the department out of the accountable cheque to which you refer. The amount of the deficit was arrived at after a careful audit of all the accounts of the school by Mr. Inspector A. McGibbon, and payment of the liabilities in question was made through the Indian Commissioner to insure perfect correctness and general satisfaction.

I may add that the Government has assumed control of the school and all outlay in connection therewith.

I am, sir, your obedient servant,

The Auditor General. S. STEWART, *Asst. Secretary.*

Claim of R. Boez as Instructor at Qu'Appelle Industrial School.

AUDIT OFFICE, OTTAWA, October 12, 1900.

SIR,—Cheque No. 6425 is for a payment of $330 drawn in favour of Hon. Mr. Laird in full payment for all claims by R. Boez against your department. No voucher in support of this payment has reached this office. Kindly give me the particulars of Mr. Boez's claim, and also explain why the cheque was drawn in favour of Hon. Mr. Laird.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 23, 1900.

SIR,—With reference to your letter of the 12th instant, in which you ask for the particulars regarding Mr. Boez's claim, &c., for arrears of wages as instructor at the Qu'Appelle industrial school, I beg to inform you that Mr. Boez brought an action against the principal of the school. His Honour Judge Richardson, before whom the case was tried, dismissed the action on the ground that the Rev. Father Hugonnard, the principal, had not incurred a personal liability, but was acting as the

agent of the Crown in the agreement which he made with Mr. Boez. It was pointed out that Father Hugonnard, before employing Boez to start the felt industry, submitted the matter to the department, and that when the felt industry was started at the Qu'Appelle school, Boez was employed with the authority of the department, and that the intervention of the department justified Boez in believing Father Hugonard was acting as agent of the department, and that the department was responsible for carrying out the terms of the agreement. The Indian Commissioner was requested to go carefully into the matter, in the light of the judgment referred to, and to advise the department whether he considered Boez had an equitable claim, and if so, to what amount. The commissioner recommended that the department, on behalf of the school, should offer Boez the sum of $330 in full settlement of all his claim, stating at the same time that he (the commissioner) considered that Boez would then be liberally dealt with from an equitable point of view. In arriving at the amount stated, the commissioner included the costs Boez was put to in his suit against Rev. Father Hugonnard (which amounted to $85). Mr. Boez never made any claim on the department previous to entering suit against the principal, and his first claim against that officer was only $343, although he sued the principal for $1,033, and afterwards claimed $1,444.90. The department had to pay over $170 for defending the principal, and if Boez had brought an action against it (which his solicitors threatened to do), it would have been put to additional cost, His Honour Judge Richardson (as above stated) apparently holding that the department was liable for the carrying out of the agreement with Boez. It being therefore considered that in equity Boez was entitled to compensation, and also that it would be cheaper in the end to arrive at a settlement with him than to go to law again, the department offered him, through the Indian Commissioner, the sum of $330 on the distinct understanding that this amount was in full settlement of all his claims. It was thought advisable to draw the cheque in the commissioner's favour, in order that he might see Mr. Boez and personally attend to the matter, which would have been difficult to arrange by correspondence. The matter was adjusted, Mr. Boez accepting the amount in question, for which he gave a receipt in full of his claim, which receipt I transmit herewith.

I am, sir, your obedient servant,

The Auditor General. S. STEWART, *Asst. Secretary.*

Advance to A. A. Derrick not accounted for.

AUDIT OFFICE, OTTAWA, October 31, 1900

SIR,—In the expenditure on account of Indian surveys, Manitoba and North-west Territories, for the year 1898-99, I find that on November 12, 1898, A. A. Derrick was advanced $50 on account of travelling expenses. I have never received any statement of his expenses in support of this advance. Please forward his account at once.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, November 5, 1900.

SIR,—I beg to acknowledge the receipt of your letter of the 31st ultimo, relative to the $50 advanced to Mr. A. A. Derrick on November 12, 1898, on account of travelling expenses; and in reply I beg to say that Mr. Derrick submitted the following statement of outlay which he incurred, viz. :—

Ticket—Winnipeg to Merrickville	$ 35 30
Berths	8 00
Meals	4 50
Baggage transfer to Winnipeg	0 25
Total	$ 48 05

Mr. Derrick also intimated that in addition to the above, he incurred expenses to the amount of $11.40, which presumably covered his travelling outlay from Qu'Appelle station to Winnipeg, and he claimed that the department was indebted to him. He was asked for a detailed statement of the amount which he claimed to be due, but he has not again been heard from.

The Auditor General. J. D. McLEAN, *Secretary.*

AUDIT OFFICE, OTTAWA, October 5, 1900.

SIR,—Cheque No. 3732 is for a payment of $75 to Maxime Goulet, teacher at Lake Manitoba, Manitowapah agency, being full salary for quarter ended December 31, 1899. Cheque No. 3733 is for a payment of $50 to Edward Berkmeyer, teacher at the same school, for services as substitute during the absence of the regular teacher for quarter ended December 31, 1899. Kindly explain the cause of Mr. Goulet's absence, and give me your reasons for paying him during the two month absence.

I am, sir, your obedient servant

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 16, 1900.

SIR,—I have to acknowledge the receipt of your letter of the 5th instant, asking for explanations in regard to the payment of Mr. Edward Berkmeyer, who was acting teacher of the Lake Manitoba Indian school during the absence of Mr. Maxime Goulet, the regular teacher, and in reply I beg to say that Mr. Goulet was granted two months' leave of absence by the Superintendent General, and Mr. Berkmeyer was engaged to carry on the school during his absence.

I am, sir, your obedient servant,

The Auditor General. S. STEWART, *Asst. Secretary*

AUDIT OFFICE, OTTAWA, October 23, 1900.

SIR,—I am in receipt of your letter No. 116768-3 of the 16th instant, with reference to the payment of a substitute teacher at Lake Manitoba Indian school, and in reply beg to ask your authority for granting leave of absence with pay to the regular teacher.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 27, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 23rd instant, in further reference to the payment of a substitute teacher at Lake Manitoba Indian school during the absence of the regular teacher; and in reply to your inquiry as to the authority for granting leave of absence with pay to the regular teacher, I beg to say that such leave was granted by the authority of the Superintendent General of Indian Affairs, as you were informed in official letter of the 16th instant.

Delay in Receiving Returns from Schools.

AUDIT OFFICE, OTTAWA, October 3, 1900.

SIR,—I find that during the past fiscal year the following payments were made to the schools in Beren's River agency:—

Cheques Nos. 2346 and 2411 for $75 each to Rossville school for the quarters ending December 31, 1896, and March 31, 1897; cheque No. 2343 for $75 to Beren's River school for quarter ending December 31, 1896; cheque No. 2344 for $27.27 to Beren's River school for 24 days during quarter ending September 30, 1897. Kindly inform me why there has been such a long delay in making these payments.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 10, 1900.

SIR,—I have to acknowledge the receipt of your letter of the 3rd instant, inquiring why there has been such a long delay in making payments to certain schools in the Beren's River agency. In reply I beg to say that the schools to which you refer are conducted under the auspices of the Methodist Missionary Society, which receives the grant, the cheques being made payable to the order of

the Hon. J. C. Aikins and Rev. Dr. Sutherland upon receipt of the quarterly returns, which, in the cases referred to, were only sent in when payment was made. Dr. Sutherland, the general secretary of the Methodist Missionary Society, has, however, been written to and requested to have all the returns for the Indian schools conducted by his society sent to the department as soon after the close of each quarter as possible in order to prevent such delays as you complain of.

I am, sir, your obedient servant,

The Auditor General. S. STEWART, *Asst. Secretary.*

Accounts charged to the wrong Agencies, British Columbia.

AUDIT OFFICE, OTTAWA, October 3, 1900.

SIR,—I beg to call your attention to the inclosed list of vouchers for payments on account of Indians of British Columbia during the year 1899-1900, which have been charged to agencies other than those to which they are properly chargeable. I do not see why so many transfers should be necessary, as most of the vouchers plainly show the agency to which they belong, and all of them bear evidence of the agency to which they are chargeable. Please have the transfers made and advise me when done.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 24, 1900.

SIR,—I beg to acknowledge the receipt of your letter of the 3rd instant, with inclosures, regarding vouchers for payments on account of Indians in British Columbia; and in reply I have the honour to inform you that the transfers referred to have been made. In many instances the vouchers were posted to the credit of the agencies, as shown by the agents who forwarded them to the department. It was not deemed necessary to charge the outlay on account of insane Indians to the respective agencies, but this will be done in future, and care will be taken to post all the vouchers to the agencies to which they properly belong.

The Auditor General. S. STEWART, *Asst. Secretary.*

Accounts Charged to wrong Appropriations.

AUDIT OFFICE, OTTAWA, September 28, 1900.

SIR,—Cheque 1609 for $6.85, Indians of Nova Scotia, and cheque 2483 for $5.63, Indians of New Brunswick, cover payments for school material supplied to Shubenacadie and Tobique Indian schools for the year 1899-1900. These items should be charged to the vote for schools, Ontario, Quebec and Maritime Provinces, but as the books are now closed and a transfer cannot be made, I would draw your attention to the items to avoid mistakes in the future.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

Insufficient Certificate to Account for Medical Attendance.

AUDIT OFFICE, OTTAWA, June 5, 1900.

SIR,—Nova Scotia cheque No. 1638 is for a payment of $92.35 to Dr. Albert A. Schaffner for professional services and medicine rendered to the wife of Stephen Luxie (Indian), of Paradise, Annapolis County, N.S. This account is not certified by the Indian agent for the district, nor by any other person, except Dr. Schaffner himself. It is not necessary for me to point out that the certificate of the person asking payment of an account is of little or no value in such cases. Kindly obtain the certificate of the agent to this account. I return the account herewith.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, June 11, 1900.

SIR,—In reply to your letter of the 5th instant, regarding the account from Dr. Albert A. Schaffner for attendance on the wife of Stephen Luxie (Indian), I have to inform you that the department considered the absence of an agent's certificate before the account was paid.

The attendance was rendered somewhat irregular by the fact that the Indian belonged to Annapolis County, and the service was rendered in Halifax County. The department directly authorized the doctor to attend to this case, as it was located a long distance from the regular attendant for the county. Under the circumstances, it is not thought necessary or even advisable to request the agent for Halifax County to approve the account.

I beg to return herewith the account, and trust that this explanation will be satisfactory.

I am, sir, your obedient servant,

The Auditor General. S. STEWART, *Asst. Secretary.*

Details of Voucher not supplied.

AUDIT OFFICE, OTTAWA, July 25, 1900.

SIR,—Indian Trust Fund cheque No. 3578, issued in June last, is for a payment of $33.33 to F. X. Fafard, D.L.S., for "claim for the advance made to the Indians in the way of outfit and supplies in connection with the re-survey of the Restigouche Indian reserve." The voucher is insufficient in that it does not give in detail the supplies furnished by Mr. Fafard. I would like a detailed account from Mr. Fafard, together with a statement of the circumstances under which this payment was made.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, August 7, 1900.

SIR,—In reply to your letter of the 25th ultimo, I inclose herewith a statement of the supplies furnished by Mr. F. X. Fafard, D.L S., to certain Indians, amounting to $33 33, and have to inform you that the department employed Mr. Fafard to re-survey the Restigouche Indian reserve, with the expectation that the Indians would give him all necessary assistance, but when he reached the ground he found it necessary to supply these articles in order to get the Indians to work, or else return without accomplishing it.

Account erroneously charged to School Account.

AUDIT OFFICE, OTTAWA, October 3, 1900.

SIR,—Indian cheque No. 699, charged against the vote for schools in Ontario and the Maritime Provinces, is for a payment of $1.75 to J. B. Canadien for crying at the church door concerning vaccination and concerning the closing of the common. These evidently are not a charge against this vote, and should, I think, have been charged against the moneys held in trust for the Caughnawaga Indians. It can be adjusted now only by drawing a cheque against the trust fund and crediting it to casual revenue.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, October 12, 1900.

SIR,—I have noted the contents of your letter of the 3rd instant, and in reply I have the honour to inform you that in compliance with your suggestion the sum of $1.75, paid to J. B. Canadien for crying at the church door concerning vaccination, &c., has been credited to casual revenue, a cheque for the amount in question having been drawn against the trust fund.

Claim against International Paper Company for cost of exploring Timber Limits.

AUDIT OFFICE, OTTAWA, July 23, 1900.

SIR,—Indian trust fund cheque No. 3486, issued in May last, is for a payment of $120 to A. McAuley for forty days' services exploring the limits of timber license No. 61½, Batchewana Bay, for timber cut under 9 inches and for balsam cut by the International Paper Company. On the voucher the agent, Mr. Van Abbott, states that he informed the International Paper Company that this would be charged against them in the settling up. I find from Agent Van Abbott's cash book for May that he collected $5,506.18 from this company, being double dues on 6151·33 cords of pulpwood and single dues on 130,519 pine logs cut under license No. 61½, but I find no trace of the $120 in question having been collected. Kindly inform me if this amount has been collected, and if not, why ?

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, July 27, 1900.

SIR,—I beg to acknowledge the receipt of your letter of the 23rd instant, respecting Indian trust fund cheque No. 3486, issued in May last for a payment of $120 to A. McAuley for forty days' services exploring ;he limits of timber license No. 61½, Batchewana Bay, and asking to be informed if this amount has been collected from the licensees, &c. In reply I have to inform you that the amount stands at the debit of the licensees, and will be collected with a further claim, not yet fully determined. It is thought the department is fully secured by the collection made of double dues on pulpwood.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Secretary.*

Dating back increase of Salary to Agent C. L. D. Sims.

AUDIT OFFICE, OTTAWA, May 22, 1900.

SIR,—Indian Trust Fund cheque No. 2637, issued in March last, is for a payment of $216.66 to Mr. C. L. D. Sims, Indian agent at Manitowaning, being arrears of salary from February 1, 1899, to March 1, 1900. Mr. Sims was appointed agent at a salary of $800 a year on February 1, 1899. On March 2, 1900, an Order in Council was passed increasing his salary from $800 to $1,000. No date, however, is mentioned in the order for beginning the increase, which should therefore in accordance with an Order in Council of July 29, 1871, "count from the first day of the month next succeeding the date of the order," i.e. in the present case, from April 1, 1900. Even if the order had stated that the increase was to date from Mr. Sims' appointment, I do not think the Governor in Council has power to make an increase of salary retroactive.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Secretary, Department of Indian Affairs.

DEPT. OF INDIAN AFFAIRS, OTTAWA, May 29, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd instant, relative to official cheque issued in March last for $216.66 in favour of Mr. C. L. D. Sims, Indian agent at Manitowaning, in payment of arrears of salary from February 1, 1899, to March 1, 1900; and in reply I beg to inform you that upon reading the Order in Council of March 2 last (to which you refer, and by which Mr. Sims' salary is increased from $800 to $1,000 per annum) in connection with the Superintendent General's memorandum to Council, it was construed to mean payment should be made to Mr. Sims from the date of his appointment. If, however, you are of opinion that the Order in Council in question will not bear this construction the department will obtain an amending Order in Council.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Secretary.*

AUDIT OFFICE, OTTAWA, June 2, 1900.

SIR,—I beg to acknowledge receipt of your letter of the 29th ultimo in reply to mine of the 22nd ultimo, relative to a payment of $216.66 to Indian Agent C. L. D. Sims for arrears of salary. The Order in Council of July 29, 1871, referred to in my previous letter, is sufficiently explicit in stating that "unless some other date is specially named in the Order in Council, all changes in salary shall be held to count from the first day of the month next succeeding the date of such order." I can find no date specially named in the order increasing Mr. Sims' salary. In my opinion, however, an amending Order in Council cannot legalize any increase prior to the date of the Order in Council, unless indeed it can be shown that there has been a material addition to the class or kind of duties performed by the appointee, the addition having been made at the time from which the increase is to count. In the case before me, the appointment of Mr. Sims as Indian agent at Manitowaning virtually amounts to a contract entered into between him and the Government, he on his part contracting to perform the duties of Indian agent, while the Government contracted to pay him a certain salary for his services. Unless the Government altered the terms of the contract by requiring a new kind of duties from him, it cannot in my opinion legally increase the salary which has already been paid him. Of course at any time they can enter upon a new contract or arrangement under which the salary may be greater than before, but such increase cannot be made retroactive.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Secretary, Department of Indian Affairs.

AUDIT OFFICE, OTTAWA, July 25, 1900.

SIR,—I have a copy of an Order in Council of the 19th instant, amending the order of March 2 last by making the increase in the salary of Indian agent C. L. D. Sims date from February 1, 1899, the date of his appointment. In a conversation with you some time ago, I understood from you that Mr. Sims expected a salary of $1,000 from the 1st, and that the salary of $800 was accepted more or less under protest. If this is the case, it would remove any objection of mine to the increase. I have accordingly to request you to let me have this in writing.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, July 26, 1900.

SIR,—In reply to your letter of the 25th instant regarding the increase to Mr. Sims' salary, I beg to state that Mr. Sims understood at the time of his appointment that the salary would be fixed at $1,000 per annum, and he has since urged to have it increased to that rate. The memo. to Council set forth the whole matter very fully, but I find that the order—a copy of which has been sent you—simply authorizes the increase from $800 to $1,000, to take effect from the date of his appointment, namely, February 1, 1899.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Secretary*

Insufficient information in J. A. Macrae's account for Travelling Expenses.

AUDIT OFFICE, OTTAWA, April 3, 1900.

SIR,—I beg to call your attention to the following items which occur in the travelling expenses of Mr. J. A. Macrae, between July 4 and December 16, 1898:—

July 4, repairs to valise	$ 0 50
August 29, straps for valise	0 50
September 8, 9½ weeks' rent of valise at 25c	2 37
July 30, repairing clothes	0 50
August 29, cleaning coat	1 10
August 6, holdall for brushes, &c	0 50
Baths at various times—32 at 25c	8 00
Blacking boots—31 times at 10c	3 10
9½ weeks' contingencies to September 8, not otherwise accounted, at $1.50	14 25
Actual expenditure disallowed in former accounts for unaccounted contingencies	36 25
December 13, felt driving socks	0 75
Incidental expenses not accounted between October 10 and December 16	3 00
Total	$70 82

In my opinion these items should not have been allowed by your department, and I would ask that Mr. Macrae be asked to refund the amount overpaid.

I am, sir, your obedient servant,

The Secretary, Department of Indian Affairs. J. L. McDOUGALL, *A.G.*

DEPT. OF INDIAN AFFAIRS, OTTAWA, April 10, 1900.

SIR,—In reply to your letter of the 3rd instant in regard to the payment by this department of certain items of Mr. J. A. Macrae's travelling expenses, I beg to state that the items for rent and repair to valise were allowed, for the reason that only one valise was furnished with his outfit, and a second was required. The holdall for brushes, &c., was also a necessity. With regard to the purchase of the driving-socks and the items for cleaning and repairing clothing, I may say that Mr. Macrae, while on his trips, is frequently obliged to drive over bad roads in all sorts of weather, and his clothing consequently suffers far beyond the ordinary wear and tear. The department therefore felt justified in allowing these items, as it did also in the case of the baths and blacking of boots, these, being expenses which it has always allowed its officers. As to the three items of contingent expenditure, although Mr. Macrae was unable to furnish details, he certified that the expenditure was legitimate, and that it was incurred wholly on government business. The department, considering these explanations sufficient, therefore passed the items.

I am, sir, your obedient servant,

The Auditor General. J. D. McLEAN, *Secretary.*

AUDIT OFFICE, OTTAWA, November 7, 1900.

SIR,—Referring to your letter of April 10 last (No. 169780-1*a*) with regard to certain items in the travelling expenses of Mr. J. A. Macrae, I beg to say that the explanation given in support of the charges for contingent expenses, for which no details are given, amounting to $53.50, is not satisfactory. No item should be allowed in any account for expenses for which full particulars with dates cannot be given. With regard to the items for repairing clothing, &c., items of this nature are not usually charged, nor should they, in my opinion, be allowed. I am sorry that your letter has escaped my notice so long.

Collection of Overdue Rents at St. Regis.

AUDIT OFFICE, OTTAWA, June 26, 1900.

SIR,—Rent receipt No. C 4344, issued February 3 last by George Long, Indian Agent at St. Regis, is in acknowledgment of the receipt from Mrs. James Y. Cameron of the rent from January 1, 1886 to January 1, 1889, on ½ lot 31, range 1; ¾ lot 32, range 1, and gores 33 and 25, ranges 1 and 2. Kindly inform me why rent is now being collected that was apparently due some eleven years ago.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Secretary, Department of Indian Affairs.

DEPARTMENT OF INDIAN AFFAIRS, OTTAWA, June 28, 1900.

SIR,—In reply to your letter of the 26th instant, in regard to the payment of rent by Mrs. James G. Cameron for land in the Township of Dundee, County of Huntingdon, I beg to state that in the year 1819 and subsequent years, leases were granted by the St. Regis Indians for terms of 99 and 999 years at a fixed annual rental. Owing to difficulties having arisen between the Indians and the White tenants, a commission was appointed in 1887 to inquire into the matter and in accordance with a report made by the commissioners, the lands in Dundee were surrendered by the Indians to be disposed of to the White settlers at a rate subsequently agreed upon of $2.50 per acre. In January 1889, the Municipality of Dundee advanced on behalf of the White settlers in the township, the sum of $50,000, payment in full for the land. It was afterwards arranged to have letters patent issued to the individual lessees, upon their proving title and paying up all arrears of rental under the old Indian leases to January 1, 1889, the date of payment of the purchase price of the land.

According as titles are investigated and arrears of rent paid, letters patent are issued and the department is, therefore, in a position to withhold patent in any case until all arrears of rental are paid.

I am, sir, your obedient servant,

The Auditor General.

J. D. McLEAN, *Secretary.*

Absence in excess of Leave Authorized by Order in Council.

AUDIT OFFICE, OTTAWA, December 2, 1899.

SIR,—I have certified the November pay-list of the laboratory branch at $697.38, having deducted $2.77 from Miss Wright's salary for two days' absence on account of illness over the number for which payment is allowed by the Order in Council of October 20, 1892. Please let me know why Miss Wright's name was entered on the pay list for the full month's salary.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Printing not ordered through Department of Printing and Stationery.

AUDIT OFFICE, OTTAWA, May 14, 1900.

SIR,—The vouchers which you recently sent me in support of payments made during 1897-98 and 1898-99 to the British American Bank Note Company were the accounts for stamps delivered between July 1, 1897, and December 31, 1898. Included in these accounts are items for bottle stamps to the amount of $3,249.80.

Please explain why these stamps were not procured through the Department of Printing and Stationery, in accordance with the provisions of the Act respecting the Department of Public Printing and Stationery. I have to request that for the future all work of this nature not covered by the contract with the American Bank Note Company, be ordered through the Department of Printing and Stationery, and that from this date you do not use your credit to pay accounts which you now have in hand or may receive for such work already done without the intervention of the Queen's Printer, but that you apply to this office for Receiver General's cheques.

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF INLAND REVENUE, OTTAWA, May 21, 1900.

SIR,—I beg to acknowledge the receipt of your communication of the 14th instant calling the attention of the department to the fact that bottling labels should be procured through the Department of Printing and Stationery, in accordance with the provisions of the Act respecting that department.

These stamps have for many years been procured direct from the British American Bank Note Company, by whom the plate was prepared. Future orders will go through the Department of Printing and Stationery as requested.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Acting Commissioner.*

AUDIT OFFICE, OTTAWA, May 25, 1900.

SIR,—I have your letter of the 21st instant regarding the printing of bottling labels in which you state that "these stamps have for many years been procured direct from the British American Bank Note Co., by whom the plate was prepared."

By reference to the reports of this office beginning with the year 1893-94, I find that no payments were made direct to the British American Bank Note Co. for bottling labels until 1895-96, when items for these stamps appear in the accounts.

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, July 5, 1900.

SIR,—Referring to the correspondence that has taken place between your office and this department relative to ordering bottling labels through the Department of Public Printing and Stationery I find that, owing to the existence of an agreement entered into in 1895 between this department and the British American Bank Note Co., the Queen's Printer is unable to certify accounts therefor.

This agreement is in effect a contract to furnish these labels complete at a stipulated price per thousand. I forward herewith copy of the tender of the British American Bank Note Co., and the cceptance thereof by the department.

In view of these facts and in order that the trade shall not be hampered the department will order these labels direct from this company as in the past.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Acting Commissioner.*

AUDIT OFFICE, OTTAWA, July 6, 1900.

SIR,—I have the letter of the 5th instant from the Assistant Commissioner of Inland Revenue regarding the printing of bottling labels under an agreement with the British American Bank Note Co.

Assuming that these labels do not come under the contract for printing stamps, I am of the opinion that the arrangements for procuring them should have been made through the Queen's Printer under the Act respecting the Department of Public Printing and Stationery. If you consider that the provisions of this Act do not apply to the service in question, kindly let me have the reasons for your view.

Until the question is disposed of please do not use your credit to pay the accounts for bottle labels, but apply to this office for payment by Receiver General's cheques.

I am assuming from what was said to Mr. Hudson by the Assistant Commissioner, that you still intend to give the order without delay.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, September 27, 1900.

SIR,—Please let me have an answer to my letter of July 6 last in which I asked for your reasons for considering that the provisions of the Act respecting the Department of Public Printing and Stationery do not apply to the printing of bottle labels.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Incomplete Voucher.

AUDIT OFFICE, OTTAWA, June 7, 1900.

SIR,—Cheque No. 61948, Weights and Measures, is a payment of $10 to James Fyfe, scale manufacturer of Montreal, the service being described in his account as "Consultation with Mr. Higman." Please ask Mr. Fyfe to supplement the account by a statement of the subject under consideration and the time occupied in the interview.

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Appropriations Overdrawn.

DEPT. OF INLAND REVENUE, OTTAWA, May 19, 1900.

SIR,—I beg to acknowledge the receipt of your communication of the 18th instant calling my attention to the fact that the votes for "weights and measures contingencies" and "gas and electric light inspection" are overdrawn.

I regret very much to have to acknowledge that this is the case, but in the supplementary estimates submitted to His Excellency in Council, sums under each of the above votes have been asked for to cover the expenditure for balance of fiscal year.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Assistant Commissioner.*

AUDIT OFFICE, OTTAWA, June 12, 1900.

SIR,—Your letter of the 19th ultimo regarding the overdraft of the appropriations for "weights and measures contingencies" and "gas and electric light inspection," merely states by way of explanation that sums have been asked for in the supplementary estimates to cover the expenditure for the balance of the year.

I should like to have an explanation of the apparent neglect by your accountant of the regulation regarding the issuing of cheques established by Order in Council of July 7, 1892.

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Travel Accounts—Differences in Fares Charged.

AUDIT OFFICE, OTTAWA, June 26, 1900.

SIR,—Let me direct your attention to the charges by Exciseman E. Milliken, Division of St. Catharines, for trips from Port Colborne to Dunnville, for the period from May to November, 1899. During May, June and July there are nine trips charged at $1.70 each, being $1.20 for "fare" and 50c. for "living expenses"; during August there are three trips at $1.25 each, viz: $1 for "fare" and 25c. for "living expenses," and during September, October and November there are eight trips at $1 each, described as "fare." There are also, three other trips charged at $1.45, $1.65 and $2.20 respectively, the fare in one case being entered as $1.40 and in the other two as $1.20.

I should like to have an explanation of the different rates charged by Mr. Milliken as "fare." Do the amounts entered as living expenses represent outlay for meals?

I have frequently pointed out that in accounts of travelling expenses all outlay should be specifically described, instead of being entered under such an indefinite wording as "living expenses," or "personal expenses."

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Analyst's Fees paid for time after Decease.

AUDIT OFFICE, OTTAWA, June 26, 1900.

SIR,—Cheque No. 63,388, issued February 5, 1900, is a payment to Rosa Baker Edwards for the estate of the late Dr. J. B. Edwards, public analyst, of $100, being three months' retaining fee and allowances to March 31, 1900.

Why was payment made for a period subsequent to Dr. Edwards' death?

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Payment by Receiver General's Cheque.

AUDIT OFFICE, OTTAWA, June 27, 1900.

SIR,—As you are aware, there are now in practice under the Consolidated Revenue and Audit Act, two modes of making payment of all expenses legally chargeable on a parliamentary appropriatian, viz: (1) by direct application to this office for a Receiver General's cheque to cover the amount due; (2) by the issue of a cheque under a departmental letter of credit.

The statute does not prescribe or indicate the expenditure, as a class, to which these modes respectively apply, and it seems to me that it will be in the public interest to attempt some classification in this respect for the future guidance of the departments.

In making the selection of the classes of expenditure which in my opinion should be made only by direct application to this office, I have been influenced largely by my experience in the past with expenditure of a similar nature. I have found that it is in connection with these classes of outlay the great bulk of the correspondence between this office and the departments has taken place; and inferentially, it is along these lines that irregular claims will likely be made in the future.

I trust you will find that I have kept in view the convenience of the public and the department, by leaving to be paid under the credit all payments where mistakes are not likely to arise.

Commencing then with July next, the first month of the financial year, 1900-1901, I would like your department to treat as proper claims for direct application to this office any that may come under the following heads:—

(1). All advances or repayments for travel or other disbursements asked for by the officers or employees in the inside service of the deptment to be charged on any vote other than Civil Government Contingencies.

(2). All payments on account of or in final acquittance of large contracts.

(3). Extras on contracts.

(4). Gratuities or allowances of any kind not sanctioned by statute.

(5). All accounts not within the financial year to which the appropriation applies, or within six months before the beginning of it.

(6). All salaries or other remuneration to employees at the department, not paid through the Accountant of Contingencies.

(7). Special payments of any kind whether authorized by the Governor-in-Council or not, or whether made under a special appropriation or not.

Of course I shall be glad to discuss this matter with you if you so desire, as I am anxious that any departure which may be made from the present order of things shall be one in the right direction and be such as will not unnecessarily incommode the working of the department or interfere with the prompt settlement of all just claims on the public treasury.

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, July 4, 1900.

SIR,—I have your communication of the 27th ult., suggesting certain changes in the mode of making charges against parliamentary appropriations.

In reply I beg to state that the system heretofore followed has given full satisfaction and I see no necessity for any change.

Whatever the object may be, the effect of the plan suggested by you would seem to be the audit or approval of the Audit Branch of each individul payment prior to the expenditure being incurred.

This I entirely object to. Parliament created the several departments and clothed their controlling officers with certain responsibilities and powers to render them effective.

When the same authority established the Department of the Auditor General there was no intention to destroy the autonomy of the other departments nor to hand over their control to the Auditor.

The department which you represent has always the power to bring before the Public Accounts Committee any payments made by the other departments which you may deem to be illegal or improper, and this, it seems to me, is quite sufficient for the public safety.

I am, sir, your obedient servant,

The Auditor General. EDWD. MIALL, *Commissioner.*

AUDIT OFFICE, OTTAWA, July 5, 1900.

SIR,—I have your letter of the 4th instant in reply to mine of the 27th ultimo regarding the mode of making paymentof expenses chargeable on parliamentary appropriations.

With reference to your objections to the adoption of the method proposed in my circular letter, let me say that other departments to which the circular has been sent see no difficulty in carrying on their business subject to the restrictions mentioned.

The method of payment by direct application to this office is now followed to a greater or less extent by the various departments. The carrying out of my suggestions will make the practice uniform, and will provide a safeguard against irregular payments. I trust, therefore, that on further consideration you will adopt the proposed change in the method of making expenditure. I am anxious about this so that there may be no delay in issuing the credit.

I am, sir, your obedient servant,

The Commissioner of Inland Révenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, July 9, 1900.

SIR,—Your communicatlon of the 5th instant commenting upon mine of the previous day's date is received. I can only repeat that I am unequivocably opposed to your proposition, and if any further action is taken in that direction, I shall feel compelled to request the Hon. the Minister to lay the matter before his colleagues.

I am, sir, your obedient servant,

The Auditor General. E. MIALL, *Commissioner.*

DEPT. OF INLAND REVENUE, OTTAWA, September 8, 1900.

SIR,—Regarding our conversation of yesterday relative to the request contained in your communication of June 27 last, I beg, with the approval of the commissioner, to state in reply to your suggestions therein contained and in the order therein given :

1. That as respects all advances or repayments for travel or other disbursements by the officers of the outside service of the department being made by direct application to your office, it is quite impracticable and would result in preventing the continuous performance of the duties of the different officials.

Chief officers of excise, weights and measures, gas, &c., are furnished at the beginning of each fiscal year with such sum as a contingent allowance as will enable them to meet the reasonable expenses of themselves and subordinates for a period of one month.

Accounts are sent in to the department through the district inspector once a month or more frequently as necessity requires. These accounts are audited and approved by the district inspector and forwarded to the department, where they are again audited and immediate payment thereof made in order that the officials may be promptly supplied with funds to carry on the continuous survey of the work under their charge. Any delays in this respect would seriously hamper business and henceforth the change suggested cannot be sanctioned by this department.

2. This does not apply to the work of this department, as it is a revenue, not a contracting department.

3. Not being a contracting department, no extras on contracts arise.

4. This is already done, as no expenditure of the nature of gratuities or allowances are made except through your office.

5. The suggestion that all accounts arising more than six months before the commencement of the fiscal year in which they are to be paid, should be submitted for audit before payment is, I think, a proper one, but this cannot apply to refunds of excise revenue made under authority of an Act of Parliament or an order of the Governor General in Council.

6. All salaries or other remuneration to employees at the department are now paid through the Accountant of Contingencies or by pay list certified by you.

7. The payment of sums authorized by statute or by the Governor in Council, so far as this department is conerned, applies only to the refunds referred to in paragraph 5, which refunds Parliament authorizes this department to make, and which should be paid by direct cheque of the department which has the necessary knowledge of the subject to pass judgment thereon, and in order that the trade be not unnecessarily embarrassed by delay in payment of such legal claims.

I trust you will be good enough to cause the usual credit notes to issue to enable the department to carry on its current business.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Asst. Commissioner.*

AUDIT OFFICE, OTTAWA, October 1, 1900.

SIR,—I have your letter of the 8th ultimo, in reply to mine of June 27 last, regarding payments to be made by direct application to this office. Let me ask your attention to the following remarks on the several paragraphs of your letter :—

(1). *Advances and repayments for travel, &c.*—While it might not be well at present to disturb your method of making advances and repayments to the officers in the various inspection divisions, it does not seem likely that any great inconvenience would be caused by adopting my suggestion so far as all departmental officers and employees at Ottawa are concerned. I beg, therefore, to request that advances or repayments, except from the vote for Civil Government Contingencies, to such officials for travel or other disbursements be made by direct application to this office.

(2) & (3). *Payments on Contracts.*—There is at least one contract, viz : that with the American Bank Note Company, under which payments are made by the Inland Revenue Department. Please apply to this office for all such payments, as well as for those to the British American Bank Note Company, about which I wrote you July 6, last.

(5). *Accounts arising more than six months before the beginning of the fiscal year in which they are paid.*—I do not understand why the regulation that such accounts should be paid by Receiver General's cheque should not apply to refunds of Excise Revenue (see remarks under No. 7). How many such payments would there probably be in each year ?

(7). *Special payments.*—Your assumption that the payment of refunds of Excise revenue, authorized by Parliament, must necessarily be made by cheques drawn in your department, does not appear to be correct. It seems quite clear that the requirements of the statute will be fully met if the payments are made by Receiver General's cheques issued on applications from your department, which would, of course pass judgement upon each case before applying for payment. There appears to be no reason why the proposed method of dealing with these claims should give rise to delays which would unnecessarily embarrass the trade.

(4) & (6). *Gratuities and Salaries.*—No remarks are necessary.

In the meantime the credits have been issued, as it appears likely that any differences which may now arise regarding my suggestions will be of a minor character and will be adjusted as time goes on.

The Acting Com'r. of Inland Revenue. I am, sir, you obedient servant,

J. L. McDOUGALL, *A.G.*

Accounts put in for more than Amount actually expended.

AUDIT OFFICE, OTTAWA, July 8, 1900.

SIR,—The account of Weights and Measures expenditure at Hamilton for August, 1899, paid by cheque No. 62327, includes a bill from Assistant Inspector Laidman for travelling and other expenses. A memo signed by Mr. Inspector Freed is attached to the bill, stating that "Mr. Laidman's account "was found to be incorrect, and a new account was made out by him, new and correct vouchers "being procured, except in the case of Mr. McNeal * * * * * I am satisfied that the sub-"stituted figures in red ink in Mr. McNeal's bill represent the sums actually paid by Assistant "Inspector Laidman."

The original receipt as signed by Mr. McNeal is in the handwriting of Mr. Laidman and is for payment of hotel bill, 21¾ days at $1, $21.75. According to the correction made in the account, the sum actually paid was $6.

I should be glad to know what explanation Mr. Laidman offered for having obtained from Mr. McNeal a receipt for $21.75, when the amount paid the latter was $6. Has an examination been made of Mr. Laidman's other accounts to ascertain whether they contain similar inaccuracies ?

Let me point out that vouchers in support of a statement of expenditure should be written, not by the official who makes the expenditure, but by the persons to whom he pays the money.

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Payment to Physician for Examination and Report re Excise Officer.

AUDIT OFFICE, OTTAWA, October 6 1900.

SIR,—In the account of Excise Inspector Frankland of Toronto, covered by cheque No. 63783 of 1899-1900, there is an item of $2 paid to Dr. A. Lynd for "Examination and report *re* E. W. Dodds." Please explain more fully the nature of the service to show that it is a proper charge on the public funds.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, October 10, 1900.

SIR,—Replying to your communication of the 6th inst., relative to the payment of two ($2.00) dollars to Dr. A. Lynd for examination and report *re* officer E. W. Dodds, I beg to state that the circumstances surrounding the case were duly considered before the account was paid by the department.

I am, sir, your obedient servant,

The Auditor General. E. MIALL, *Commissioner.*

AUDIT OFFICE, OTTAWA, November 12, 1900.

SIR,—I have your letter of the 10th ultimo regarding a payment to Dr. Lynd for examination and report *re* officer E. W. Dodds, and note your statement that "the circumstances surrounding the case were duly considered before the account was paid by the department."

Let me direct your attention to Sec. 44 of the Consolidated Revenue and Audit Act which provides, among other things, that the Auditor General shall ascertain "whether the money expended (from a grant) has been applied to the purposes for which such grant was intended to provide." As this cannot be done in the case of an unusual expenditure, like the one under consideration, without a knowledge of the service performed and the circumstances of the case, I beg again to ask for the information called for by my letter of October 6 last.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Cab hire for Funeral.

AUDIT OFFICE, OTTAWA, October 6, 1900.

SIR,—In the account of Excise Inspector Frankland of Toronto, paid by cheque No. 63384 of 1899-1900, there is an item of $2.50 for "Carriage used by the officers of the department at funeral of the late J. W. A. McDonald." As this is a private liability of the persons who used the carriage I have to ask that a refund of the amount be obtained.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 12, 1900.

SIR,—Please let me know if the amount of $2.50, cab hire for funeral, referred to in my letter of the 6th ultimo, has been refunded.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Advances unaccounted for.

AUDIT OFFICE, OTTAWA, November 13, 1900.

SIR,—I find that payments were made during 1899-1900 both by the Inland Revenue and Interior Departments on account of inspection of staples, elevator and warehouse commission. I have not received any vouchers for the amount of $2,500 advanced by your department. Please let me know if Mr. Bell is to account for this amount through the Interior Department. There is also an advance of $1,200 to David Horn by cheque No. 62353, apparently for the same service. Shall I ask the Interior Department to get the vouchers for this amount also?

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, November 21, 1900.

SIR,—Replying to yours of the 13th instant, I have the honour to state that, in so far as the warehouse commission is concerned, this department never had any responsibility or control.

The vote was apparently associated in the estimates with the Department of Inland Revenue services, but the whole vote was transferred to the Department of the Interior after the first advance of $2,500 was made on the requisition of that department.

The advance to Mr. Horn was, however, made from the general vote for the inspection of staples.

Of this, $500 was refunded by Mr. Horn out of fees collected and a further item of $700 is likely to be refunded when the full accounts for last season's crop, ended September 1, 1900, are closed.

I am, sir, your obedient servant,

The Auditor General. E. MIALL, *Commissioner.*

AUDIT OFFICE, OTTAWA, November 22, 1900.

SIR,—I have your letter of ths 21st instant regarding advances to C N. Bell from the vote for "warehouse commission" and to David Horn from "general inspection of staples."

The advances to Mr. Horn during 1898-99 were the following:—

September 9, 1899, cheque No. 62171	$ 500
October 4, " " " 62353	1,200

A refund of $500 was credited to the appropriation, leaving a balance of $1,200 unaccounted for on June 30, 1900, as stated in my letter of the 13th instant.

Please let me know for what purpose these advances were made.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

INLAND REVENUE DEPT., OTTAWA, December 18, 1900.

SIR,—In reply to your letter of the 22nd ultimo. I beg to state that the items of Sept. 9 and Oct. 4 (cheques No. 62171 and 62353) were advances made to enable the Chief Inspector to pay salaries and expenses until the crop of 1899 began to move.

The Act which came into force on Sept. 1 provided for the payment of inspector's staff by stated salary instead of by fees as theretofore The fees which were to be collected by the railway companies being periodically deposited to the credit of the Manitoba Inspection Fund, and it was assumed that the service would be self-sustaining.

The first year the revenue sufficed to meet the requirements of the service, and the first advance was refunded. Later on the other item of $1,200 will be paid, but the short crop of 1900 has very much embarassed the department, and the deficiency will have to be met temporarily by a vote of Parliament.

The reason for its not appearing in the accounts of 1900 is that the inspection year runs from Sept. 1 to Aug. 31, *i. e.* the crop year, not the fiscal year.

I am, sir, your obedient servant,

The Auditor General. EDW. MIALL, *Commissioner.*

Defective Accounts for Travelling Expenses.

AUDIT OFFICE, OTTAWA, November 16, 1900.

SIR,—Let me direct your attention to my letter of October 30, 1899, with reference to the accounts of Mr. J. K. Barrett, District Inspector, Manitoba, for his expenditure during 1898-99. I pointed out that his accounts were defective in the following particulars:—

No vouchers furnished for horse hire and telegrams.

"Personal expenses" in accounts for travel not itemized.

No details given of "petty expenses."

The accounts of 1899-1900 are marked by the same defects.

I beg again to suggest that Mr. Barrett should be called upon to furnish vouchers and details for his expenditure.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 17, 1900.

SIR,—As illustrating a point which I have frequently endeavoured to press upon your consideration in connection with the accounts for travelling expenses rendered by many of your officers, let me direct your attention to the statement by Deputy Collector W. Henderson of his expenses on a trip from Toronto to Sault Ste Marie. This statement is included among the vouchers paid by cheque No. 62145 in favour of the Collector of Excise at Toronto. The items in Mr. Henderson's statement are as follows:—

1899.		
Aug. 12	Fare from Toronto to Sault Ste. Marie	$10 85
	Dinner at Collingwood	0 40
	Bus porter at Collingwood	0 20
" 14	Personal expenses, 3 days	1 75
	Personal expenses from 14th to 22nd, including meals on American side while waiting for boat (24 hrs. late)	7 50
	Fare on ferry, 5 trips	0 50
	Bus porter at Sault	0 50
" 20	Leland House, Sault Ste Marie, 5½ dys. board	5 50
" 21	Fare from Sault Ste. Marie to Toronto	9 85
" 22	Baggage at Toronto	0 35
		37 40

The statement shows that Mr. Henderson has charged his transport and living expenses and, in addition, certain items of "personal expenses" not specified, amounting to a large sum as compared with his other living expenses.

I must again enter a protest against the acceptance of accounts in which the particulars of the expenditure are not given. Please give this matter your consideration with a view to having all accounts for travelling expenses rendered in detail, and the particulars of the expenditure given.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Re Electric Light.

AUDIT OFFICE, OTTAWA, March 3, 1900.

SIR,—I have received no reply to my letter of March 18, 1898, giving a list of 29 electric light companies that had not paid the fees for 1896-97, I cannot find that more than five of these companies have since paid the fees for 1896-97, though several more have paid the fees for subsequent years.

The following companies, referred to in my letter, paid the fees of 1895-96 and nothing since:—James Fenwick, Hespeler; Incandescent Light Co., of Toronto; Port Perry Illuminating Co.; Appleyard Electric Light Co., Grand Valley; La Compagnie Electrique St. Jean Baptiste; Magloire Ouimet, St. Jerome; Digby Electric Light Plant; Annapolis Electric Light Company.

The Woodstock Electric Light & Telephone Co. paid the fees for 1895-96 and 1898-99; but do not seem to have paid the fees for 1896-97 nor 1897-98.

Might I inquire why there are no electric light companies entered on the statement of arrears due which you furnish each year to this office.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 23, 1900.

SIR,—I have to remind you that I have had no reply to my letter of March 3 last, in reference to electric light fees. In this and a previous letter dated March 18, 1898, to which no reply was received, attention was called to a number of electric light companies that had not paid their fees.

In the statement furnished by you of the arrears due to your department on June 30 last, and yet unpaid, I do not find anything for electric light fees.

If favoured with an early reply giving satisfactory explanations of the points raised in my letter it may obviate the necessity of publishing the correspondence.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Re Gooderham's Distillery.

AUDIT OFFICE, OTTAWA, January 24, 1900.

SIR,—According to the return from the Gooderham Distillery for July 1898, there was a deficiency in the production account (E) when stock was taken June 30, 1898, of 4,624·42 proof gallons, which was written off by authority of departmental letter No. 5171. In your report for 1898-99, page 63, it is represented that duty was paid on this deficiency. I have to ask for an explanation.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue J. L. McDOUGALL, *A.G.*

DEPT. OF INLAND REVENUE, OTTAWA, January 24, 1900.

SIR,—I beg to acknowledge the receipt of your communication of this date, stating that a deficiency of 4,624·42 proof gallons of spirits which was found to exist in July, 1898, in the distillery of W. G. Gooderham, was, by authority of departmental letter, written off; also calling attention to the fact that on page 63 of the report of this department it is represented that duty was paid on this deficiency.

In reply thereto I beg to advise you that the deficiency in question is that found to exist when stock is taken at the end of the fiscal year, and the department collects the duty of $1.90 per proof gallon thereon.

When this duty is paid, and in order that the distiller's books and the actual stock may be again brought into accord, he is authorized to take credit for the quantity upon which duty is so collected.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Assistant Commissioner.*

AUDIT OFFICE, OTTAWA, February 2, 1900.

SIR,—In the returns of the Gooderham Distillery for 1898-99 free entries are reported to have been made on authority of circular G. 269, for the following quantities:—

July, 178·14 galls.	October, 157·52 galls.
January, 195·26 galls.	April, 916·46 galls.

In all 1,447·38 gallons. (Duty paid spirits received at distillery.)

I have to ask for a copy of this circular.

In addition to the legal deficiencies, amounting to 28,408·61 galls. there are also deficiencies in excess of legal 158.08 galls. and other deficiencies paying duty 10,336·56 galls. Please let me know if duty is paid on all deficiencies in excess of legal. I would also like to have an explanation of "other deficiencies"; how they arise, &c.

I assume your officers stationed in the several distilleries furnish statements to the department showing in more or less detail the transactions and operations through which these deficiencies arise, and have to ask that such statements and any papers or vouchers relative thereto covering the deficiencies above referred to, may be furnished.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

INLAND REVENUE DEPARTMENT, OTTAWA, May 18, 1900.

SIR,—I beg to acknowledge the receipt of your communication of February 2, ultimo, asking for copy of circular G. 269, and for certain information relative to deficiencies at distilleries.

In reply thereto I beg to inform you:

1. That duty is collected on all deficiencies in excess of legal allowance.

2. That "other deficiencies" consist of those arising in reducing spirits from a high to a low strength, and on spirits remaining in warehouse after the limit of seven years fixed by law;

3. That the department is furnished with entry papers covering each deficiency that arises.

I forward herewith the entry papers covering the various deficiencies referred to in your letter.

Inclosed also please find copy of circular G. 269, and would refer you to article B, page 3, and would call your attention to section 7 which provides for free entries to cover duty-paid spirits brought into distillery.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Acting Commissioner.*

Re Distillery Returns.

AUDIT OFFICE, OTTAWA, March 3, 1900.

SIR,—The monthly returns covering the transactions at the several distilleries are sworn to by an employee called distiller and by an agent acting as attorney for the proprietors. At the bottom of one page of the return containing the accounts of warehouses No. 1, 2 and 3, the following certificate is entered:—"Checked by respective books and found to correspond," signed by an officer acting for the collector. I assume this is the officer stationed in the distillery. Is this certificate intended to cover the whole return? Should it not be more explicit? Are any vouchers, returns or counterfoils furnished to your department to enable you to verify these returns? Are any detailed statements furnished of the quantities ex-warehoused for removal for consumption, for bottling room, &c.? Have you any means of checking the quantity entered for consumption and the deficiencies paying duty with the deposit receipts that eventually come to account?

I am, sir, your obedient servant,

The Acting Commissioner, Inland Revenue. J. L. McDOUGALL, *A.G.*

INLAND REVENUE DEPARTMENT, OTTAWA, April 4, 1900.

SIR,—I beg to acknowiedge the receipt of your communication of the 3rd ultimo, asking:

1. If the certificate signed by the officer in charge covers the whole return.

2. If any vouchers, returns, &c., are furnished to the department to enable it to verify these returns.

3. If any detailed statements are furnished of the quantities ex-warehoused for removal, consumption, for bottling room, &c.

4. If the department has any means of checking the quantity entered for consumption and the deficiencies paying duty with the deposit receipts.

In reply I beg to inform you:

1. That the certificate covers ouly the transactions in warehouses 1, 2 and 3.

2. That the warehouse and ex-warehouse entries enable the department to verify the portion of the return to which they relate.

3. Entries for removal, consumption and for bottling room show standard gallons, strength and proof gallons of spirits.

4. That all entries for consumption and for deficiencies paying duty are checked with deposit receipts at the department daily.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Acting Commissioner.*

Re Malt Liquor used by H. M. Army and Navy.

AUDIT OFFICE, OTTAWA, January 31, 1900.

SIR,—In your report for 1898-99, page 75, covering statistics relating to the manufactures of malt liquor, it is stated that 209,306 galls. were used by H.M. Army and Navy, and in consequence were free of duty.

I have to ask for a statement showing what regiments or other divisions of the Army and what vessels of the Navy received this liquor, and for the vouchers and papers furnished in support of same.

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

INLAND REVENUE DEPT., OTTAWA, February 2, 1900.

SIR,—I beg to acknowledge the receipt of your communication of the 31st ultimo, stating that in the report of this department for 1898-99 it is stated that 209,306 gallons of malt liquor were used by H.M. Army and Navy, and in consequence were free of duty, and asking that you be supplied with a statement showing what regiments or other divisions of the Army and what vessels of the Navy received this liquor, and for the vouchers and papers furnished in support of the same.

The accompanying statement will give you the information asked for. You will observe that the total is 207,813 gallons, the receipt of which for the use of H.M's Army and Navy has been duly acknowledged. Through an error in the foot-note at bottom of statement II, page 75, the quantity given, as used by H. M's Army and Navy, is 209,306, due to including therein, in error, a quantity (1,493) entered for exportation. The aggregate total, 216,160 gallons, is correct. I inclose herewith, for your examination, the vouchers received from the Imperial Authorities acknowledging the receipt of the goods, which I would ask you to return as soon as practicable. I may add that the beer so supplied has in itself paid no duty, the duty being collected on the malt used.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Assistant Commissioner.*

AUDIT OFFICE, OTTAWA, February 13, 1900.

SIR,—As requested I am returning the vouchers received with your letter of the 2nd inst., in reference to the malt liquor used by H.M. Army and Navy. The receipt of the liquor by the Army authorities should be signed by the steward or officer who actually received it, as well as by the officer in command.

I have to call your attention to the amount of the refunds called for by these vouchers and the amount actually paid during the year, as compiled from the statement on page 30 of your report:

	Galls.	Accrued.	Paid.
W. N. Wickwire, Halifax	167,894	$5,395 90	$5,385 11
J. C. Oland, "	4,188	141 26	339 63
Victoria—Phœnix Brewing Co	34,781	1,565 05	1,173 92
H. Fairall, "	950	42 75	32 07

How are the differences accounted for?

None of the vouchers in support of the actual amounts refunded, have reached this office. I have to request you to direct that vouchers be furnished for every payment made, whether it is a charge against expenditure or revenue.

These firms are seemingly allowed a refund of 5 per cent on the duty paid on all malt used during the year. If so, only 95 per cent of the duty on the malt liquor used by the Army and Navy should be refunded, and the difference should be computed and be deducted from future payments.

Why are the refunds made to the merchants who supply the malt liquor, instead of letting them charge the ordinary rates, and making the refunds payable to the Army and Navy authorities?

I am, sir, your obedient servant,

The Acting Commr. of Inland Revenue. J. L. McDOUGALL, *A.G.*

INLAND REVENUE DEPT., OTTAWA, April 2, 1900.

SIR,—I beg to acknowledge the receipt of your communication of February 13, ultimo., relative to refund of duty paid on malt used in the manufacture of malt liquor supplied to Her Majesty's Army and Navy and entered for exportation.

In the case of W. N. Wickwire you quote the accrued duty as $5,395.90, whereas it should be $5,666.39, and the amount paid as $5,385.11, instead of $5,835.11.

You will observe a difference of $168.72 between the accrued duty and that paid. This is due to a claim made in May, 1898, not having been paid until the quarterly payments in the following October. I send you herewith the claim papers covering this amount, which is included in voucher of W. N. Wickwire for $1,587.42, dated October 8, 1898.

The second item, "J. C. Oland," should include 5,876 gallons of malt liquor exported in addition to the 4,188 supplied to Her Majesty's Army and Navy, the accrued duty being $339.63, the same as paid.

The third item, "Victoria Phœnix," the accrued duty should be $1,173.92, the same as paid, the claim being made out on a basis of three (3) pounds of malt per gallon, whereas only two and one-quaater (2¼) pounds were allowed.

The last item, "H. Fairall," should be accrued duty $32.07, the same as paid, for the same reason as in the case of the "Victoria Phœnix."

I forward herewith for your information the vouchers covering these payments, and the accountant has been instructed to forward vouchers for all payments made.

Your suggestion relative to refunds being made for only 95 per cent of the duty paid will receive the consideration of the department.

You ask "why are the refunds made to the merchants who supply the liquor instead of letting them charge the ordinary rates and making the refunds payable to the Army and Navy authorities."

The refunds cover malt liquor entered for exportation, used on the high seas and in regimental canteens, and are all treated as malt liquor not entered for consumption in Canada, and, under section 178 of the Inland Revenue Act, the refund is made to the licensed brewers as therein provided.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Acting Commissionev.*

Re Refund of Salaries paid Officers in Bonded Manufactories.

AUDIT OFFICE, OTTAWA, February 2, 1900.

SIR,—I have to ask for a statement showing the different bonded manufactories working under license of your department, specifying where located, article manufactured, and the time in operation during 1898-99.

I have also to ask for the pay lists or other vouchers furnished your department to show that the refunds made equal the expense incurred by the department for the effective supervisiou of the manufactures carried on.

These vouchers should be forwarded regularly each month.

I am, sir, your obedient servant,

The Commissioner, Inland Revenue. J. L. McDOUGALL, *A.G.*

INLAND REVENUE DEPT., OTTAWA, May 23, 1900.

SIR,—I beg to acknowledge the receipt of your communication of the 2nd Febry. ult. asking for a statement of the different bonded manufacturies working under license of this department, their location, article manufactured, and the time in operation during 1898-99, and for pay-lists and vouchers furnished to shew the refunds made equal to the expenses incurred by the department.

In reply thereto I beg to inclose the statement of manufacturers asked for.

With reference to your second request, I beg to advise you that the supervision fee is not intended to cover the actual salary paid the officer in charge of a bonded factory. These salaries vary a great deal.

The fee for supervision in bonded vinegar factories is based on the volume of business done during the fiscal year, vinegar manufacturers using 10,000 proof gallons of spirits or less per annum paying a fee of $25 per month and those using over this quantity $50 per month.

The fee collected from manufacturers using duty paid spirits in the manufacture of goods subsequently exported is $100 per month, while in the case of manufacturers of perfumed spirits it is a graduated one, the officers services only being required for an hour or two at intervals of several days.

I forward herewith for your information circulars G. 250 and G. 269 and would refer you to marked sections of the former on pages 10 and 11 and on page 10 of the latter.

I am, sir, your obedient servant,

The Auditor General. W. J. GERALD, *Act'g. Commissioner.*

AUDIT OFFICE, OTTAWA, May 29, 1900.

SIR,—I have received your letter of the 23rd inst. in reference to the supervision fees paid by proprietors of bonded manufactories.

The statement published in Audit Report and headed "Refund of Salaries paid Officers in Bonded Manufactories" was compiled from entries in your Collector's Returns (G-2), headed "Officers' salaries in Bonded Factories." In view of your explanation, this heading is not quite appropriate and should be changed.

The total amount of these fees collected in 1898-99 amounted to $7,254.86 (see Audit Report 1898-99, page T—120). Presumably this amount was paid by the firms set down on the list of Bonded Manufacturers, forwarded with your letter. No details are furnished to this office of the collections of your officers. I have to ask you to instruct your collectors to furnish details of collections for "Licenses" and "Other Receipts" to agree with their monthly returns.

I am, sir, your obedient servant,

The Acting Commissioner, Inland Revenue. J. L. McDOUGALL, *A.G.*

Re Weights and Measures Revenue.

AUDIT OFFICE, OTTAWA, May 25, 1900.

SIR,—In the departmental statement of the Weights and Measures Stamp Account for the six months ended December 31 last, credit is taken for 500 stamps issued for samples, of value of $149; and for 5,000 stamps issued to the Department of the Interior, of value $32.75. Please explain why these issues were made.

I have to ask for information as to the following:

Credit is taken on the same statement for 700 stamps issued to inspector at Victoria, B.C., of value $456. The inspector's returns acknowledge stamps to value of only $6 in August and $175 in December.

In the statement for March, credit is taken for 300 stamps issued to inspector at Cape Breton, of value of $235, which the inspector does not acknowledge on his return for March. On what day in March were these stamps issued?

I am, sir, your obedient servant,

The Acting Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 4, 1900.

SIR,—I have to remind you that I have had no reply to my letter of May 25 last, in reference to the issue of certain quantities of stamps on account of Weights and Measures revenue.

An early reply is requested.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A.G.*

Re Excise Revenue, Petroleum Inspection and Bonded Manufactories.

AUDIT OFFICE, OTTAWA, November 29, 1900.

SIR,—The receipts from petroleum inspection during 1899-1900 were $5,504.71, as compared with $46,059.81 of the year previous, and the receipts from bonded manufactories have decreased from $49,522.32 to $30,192.25.

It is desirable that an explanation of these decreases should be published with the statement.

Your early attention is requested.

I am, sir, your obedient servant,

The Commissioner of Inland Revenue. J. L. McDOUGALL, *A. G.*

INLAND REVENUE DEPARTMENT, OTTAWA, December 21, 1900.

DEAR MR. MCDOUGALL,—Yours of the 29th ultimo *re* decreases in revenue from petroleum inspection fees and bonded manufactures duly received. The statement in our report will, I think, clearly show the reasons therefor.

The inspection fees on petroleum were abolished September, 1899, so that for last fiscal the period covered is only two months thereof. The receipts from vinegar and acetic acid were $49,572.32 for 1898-99, and $39,839.21 for 1899-1900, and not as quoted in your letter.

The only reason for this decrease is that there was a less quantity entered for consumption.

Yours very truly,

The Auditor General. W. J. GERALD, *Asst. Com.*

AUDIT OFFICE, OTTAWA, December 24, 1900.

SIR,—The statement made in your letter of December 21 leads me to inform you that the figures quoted in my letter are those published in your own reports, page 9.

The difference in 1898-99 is $50, caused by a refund of that amount; the difference in 1899-1900 is $9,646.96, the amount of the receipts from acetic acid. When writing I did not observe that you had classified acetic acid under "bonded manufactories" in your report of 1898-99, and under "other receipts" in your report of 1899-1900.

I am, sir, your obedient servant,

The Assistant Commissioner, Inland Revenue. J. L. MCDOUGALL, *A.G.*

Payments for Sundays to Swamp Lands Commissioners.

NOTE.—For beginning of this correspondence see A. G.'s Report, 1898-99, page H—71.

DEPT. OF THE INTERIOR, OTTAWA, Jan. 24, 1900.

SIR,—In reply to your letter of the 4th instant, with reference to the payment of Messrs. Jukes and Ducker, Swamp Lands Commissioners, for Sundays intervening between the date of their appointment and May 13 last, and in which you ask to be furnished with the evidence showing that these Commissioners worked on the days in question, I beg to state that Messrs. Jukes and Ducker having been written to on the subject have now made the following reply:—'We would refer you to a letter from the Secretary in reference to this matter, dated April 14 last, when we received our first cheques on account of services, having been at work continuously from January 1, 1899, and up to the date of the receipt of our first cheques had examined about two hundred thousand acres of land, having been in camp continuously during that period. We do not know what better evidence we can furnish than a reference to the file in your department, together with our reports to the Minister of the Interior covering the period in question.' It seems to me that so long as the Commissioners are in the field, evidence as to their having worked on Sundays could hardly be asked for anything more than has been given, and as I have already pointed out the question now raised as to the propriety of paying Messrs. Jukes and Ducker was never suggested in regard to Sunday payment to Messrs. Crawford and Wagner, the late Commissioners. In view of the explanation given by Messrs. Jukes and Ducker, I have given instructions for the issue of cheques covering the balance coming to them in this relation.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, Jan. 25, 1900.

SIR,—I have your letter of yesterday regarding the Sunday payments to Messrs. Jukes and Ducker. The rule with reference to claims the regularity of which is under discussion between a department and this office is that they are not to be paid out of departmental credit. This, I think, has been brought under your notice in the course

of correspondence on another claim. If these claims have already been paid under the instructions which you have given, will you be good enough to retain the amount from subsequent claims until the matter has been closed.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Feb. 2, 1900.

SIR,—In reference to your letter of January 25, regarding Sunday payments to Messrs. Jukes and Ducker, Swamp Lands Commissioners, I beg to ask what decision you have arrived at in the matter; you will remember that you stated that if the claims had not already been paid we were to retain the amount until the matter had been closed.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

DEPT. OF THE INTERIOR, OTTAWA, April 21, 1900.

SIR.—Referring to your letter of the 22nd of May last with respect to the supplementary account of Messrs. Jukes and Ducker, Swamp Lands Commissioners, for salary for Sundays, I beg to ask if you have further considered this matter and, if not, what course you would advise me to take in order to have the matter adjusted, as these men consider they are entitled to be paid for those days that they were away on their work, and I do not see any reason why they should not be paid.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Payments for Accident Insurance.

AUDIT OFFICE, OTTAWA, Dec. 21, 1900.

SIR,—In the Immigration accounts for the year 1899-1900, I notice the following payments for accident insurance:—

A. Akerlindh, Ottawa	$4 25
A. J. Edgar, "	1 35
F. Pedley, "	40
W. Anderson, Quebec	8 75

I am of the opinion that items of this nature should not be allowed until some general regulation is made authorizing such payments and regulating the amount of accident insurance that may be carried by the different officers who may be called upon to travel and until such regulation is passed I am compelled to refuse to pass items of this nature.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Dec. 26, 1900.

SIR,—I am in receipt of your letter of the 21st instant, with regard to certain payments made by officials of this Department for accident insurance.. In reply, I beg to state that I have always taken the view that considering that the officials of the Immi-

gration Branch of this department travel on free passes it is only fair that they should be permitted to take out accident policies, as in case of their being injured or losing their lives no compensation could be claimed from the railway companies under the terms of the passes issued to them. In view of this, I must say that I consider the charge made for this class of insurance a proper one under the circumstances.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, Jan. 3, 1901.

SIR,—I have your letter of the 26th ultimo with reference to payment for premiums on accident policies of officials while they are travelling, and in reply to mine on the same subject. You do not meet the point of my objection, which is not that the payment seems unjust, but that is such payments are to be made they should be under general regulations made by the Governor in Council. It seems to me very likely that the government as a whole would require that the amount of the policy be made to depend upon the amount of the salary of the official travelling without reference to his department. No doubt the fact that the person travelled on a pass would be an important consideration.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Jan. 7, 1901.

SIR,—I am in receipt of your letter of the 3rd instant, with reference to payments for premiums on accident insurance policies of officials while they are travelling and quite appreciate the force of your contention that such payments should be made under general regulations approved by the Governor in Council. Of course, I do not know under what conditions officials of other departments travel, but I presume they pay railway fare and if so they are not in the same position as the officials of this department, most of whom travel on free passes. As you are aware, under the terms of these passes the railway companies claim to be relieved from all liability or responsibility in connection with any accident with which persons using them may meet while in transit, whereas in the case of one using a prepaid ticket this claim for exemption from responsibility would not apply. I quite agree with you, however, that the amount of policy should be arranged according to a fixed scale. As far as this department is concerned $5,000 has been the maximum amount allowed.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Payment to Temporary Employee for Absence in excess of Sick Leave.

DEPT. OF THE INTERIOR, OTTAWA, July 7, 1900.

SIR,—I have a copy of an Order in Council of June 23, 1900, authorizing the payment of $40.83 to I. Turgeon, temporary messenger, for absence on account of illness in excess of the sick leave allowed temporary employees. The payment of this is, in my opinion, illegal, as I think it is beyond the power of the Governor in Council to grant leave of absence to temporary employees.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, July 14, 1900.

SIR,—I have your letter of the 6th instant in which you take exception to the payment of $40.83 to Isidore Turgeon, temporary messenger, while absent on account of illness, for which an Order in Council was passed by the Governor General in Council on the 23rd of June last. The exception you take is that the payment is illegal and that it is beyond the power of the Governor in Council to grant leave to temporary employees. In reply, I beg to call your attention to subsec. 2 of sec. 49 of the Civil Service Act, which provides that 'In case of illness, or for any other reason which to him seems sufficient, the Governor in Council may grant to any officer, chief clerk, clerk or other employee, leave of absence for a period not exceeding twelve months.' It would seem to me, therefore, that under this section the Governor in Council has full power to grant any leave of absence in case of illness, and as far as I can ascertain sick leaves have been granted for years under this provision of the Act, and it could hardly be established that this clause of the Act applies only to permanent officials, as other employees would certainly include temporary officials. You will observe that clause 49 covers 'General Provisions' and immediately follows the portion of the Act relating to the employment of supernumerary and temporary clerks. I would also point out that if your contention is a correct one, the general Order in Council of October 20, 1892, under which the department has been acting ever since its passage, prescribing the limit of two weeks sick leave in any one year for temporary clerks, was beyond the power of the Governor in Council, as doubtless the authority to pass this order was obtained from the section that I have already referred to. In view of this I think you will agree with me that the Governor General in Council has acted clearly within his authority in passing the Order in Council granting leave to Mr. Turgeon.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Payment for Item disallowed by Superintendent of Immigration.

AUDIT OFFICE, OTTAWA, Dec. 24, 1900.

SIR,—In Mr. C. W. Speers travel account for the month of February last, I find that an item of $25 for one fur coat was struck out by the Superintendent of Immigration, and the account as amended is certified by him. I find, however, that the whole amount of the account has been allowed. Please explain.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Balance of Advance not accounted for by L. Rankin.

AUDIT OFFICE, OTTAWA, Dec. 21, 1900.

SIR,—On December 31, 1898, Mr. Leonard Rankin's Cash Abstract shows a balance due your department of $14.31, which balance remained unsettled on June 30, 1899, and is unsettled up to the present time. I have no account of the amount either having been expended by Mr. Rankin or having been refunded. Please explain.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Irregularities in Accounts of Mr. L. Rankin.

AUDIT OFFICE, OTTAWA, Dec. 21, 1900.

SIR,—In addition to the account of Mr. Leonard Rankin on which I wrote to-day I find some others of the same gentleman which require explanation.

One account dated December 31, 1898, from the Brunswick Hotel, Winipeg, has these items:—

Dec. 23	1 day's board....	$1 00
" 31	Board from December 27 to 31....	4 00
		$5 00

Certified by Leonard Rankin; Received payment, McLaren Bros.

A statement of Mr. Leonard Rankin's account of disbursements for the month of December 1898 contains among other items:—

Dec. 23.	Board at Winnipeg....	$2 50
" 31	" "	8 50

This is certified by Mr. Rankin without date and is certified by your Departmental stamp on February 3, 1899. The whole transaction was completed within a month when everything was fresh in Mr. Rankin's memory. So far as I can see, Mr. Rankin caused the Government to pay three times his actual board expenditure, single to the hotelkeeper and more than double to himself. Should you not take care that an account do not run the risk of being paid through two channels—in this case the Winnipeg Office and at headquarters?

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Jan. 14, 1901.

SIR,—I have the honour to acknowledge the receipt of your letters of the 21st December, ultimo, referring to a balance of $14.31 unexpended by Mr. Leonard Rankin on the 30th June last, and also to certain items included in his account amounting to $11 for board at Winnipeg in December, 1898, and I am to inform you that Mr. Rankin's attention having been called twice to the unsettled balance it has been decided to deduct the amount from his salary. The sum of $25.31 has therefore been deposited to the credit of the Receiver General to-day so as to close up the matter. Bank of Montreal, Ottawa, Receipt 9018 for $25.31 will accompany the next statement of receipts for the Department of Finance.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Payment of Passages from England to be repaid.

AUDIT OFFICE, OTTAWA, Dec. 27, 1900.

SIR,—Cheque 16129 drawn by the High Commissioner in August, 1899 was for a payment of £5.0.0 to Elder, Dempster & Co. for passage of Mr. and Mrs. Smith to Montreal, and upon the cheque list it is stated that this amount is to be refunded to the Government agent at Montreal. As no refund of the amount has come to hand I would ask what steps have been taken to collect the amount.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Irregularities in Accounts paid through Immigration Commissioner at Winnipeg.

AUDIT OFFICE, OTTAWA, Dec. 27, 1900.

SIR,—The following payments were made to Mr. C. J. Thompson by Mr. McCreary, for expenses incurred in settling immigrants:—Cheque 1216, $10; Cheque 1235, $4.25; Cheque 1653, $35.50. The last three items of voucher No. 1235 are as follows:—

April 17.—Drove to Pipestone with settler by request of Mr. McCreary—lodging and meals	$ 75
" 18.—Dinner at Virden	50
" 19.—Hotel at Brandon	1 75

The first two items of voucher 1563 are as follows:—

April 17 and 18.—Drove Williamson, new settler, to Pipestone—lodging and meals	$2 00
" 19.—At Brandon getting lists of vacant lands—lodging and meals	2 25

The services in each case seem to be the same, so that a refund of $4.25 should be made by Mr. Thomson. Mr. Thomson should also be asked to explain why payments that in his first account amounted to only $3, should grow to $4.25 in the second account rendered by him.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Dec. 27, 1900.

SIR,—I have to ask your attention to what appears to be an overpayment of $1.85 to McLean & Co., of South Edmonton, for supplies for the Immigration Hall at Edmonton. On June 1, 1899, an account was rendered for supplies in May amounting to $1.85 which was paid by Mr. McCreary on March 21, 1900, by cheque No. 1112. In the meantime an account had been rendered on Jan. 1, 1900, for $4.55, which amount was made up of the balance of $1.85 and by supplies for the month of December, amounting to $2.70. This was paid by Mr. McCreary on June 27, 1900, by cheque No. 1385. Kindly have this overpayment adjusted at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Dec. 29, 1900.

SIR,—Mr. McCreary's immigration voucher No. 77 of 1899-1900 is for a payment of $137.36 to J. M. Taylor, of Portage la Prairie for lumber, etc. Among the items making up this account is one on Jan. 24, for 120 feet of lumber at $21 per M., which is carried out at $4.62 instead of $2.52,—an overpayment of $2.10. Kindly have this overpayment adjusted at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Dec. 29, 1900.

SIR,—Mr. McCreary's voucher No. 1134 E., is for a payment of $12.62 to A. L. Ashdown & Co., of Swan River for hardware, etc. This voucher is made up of supplies purchased in September and October, 1899, to the amount of $3.90, and an

amount of $8.72 for supplies obtained in April, 1899. These last items have been previously paid for by cheque 573 for $18.94, covering supplies purchased in April, May and June. Kindly obtain a refund of $8.72,—the amount overpaid Ashdown & Co.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Dec. 29, 1900.

SIR,—Mr. McCreary's voucher No. 310, of 1899-1900, is for a payment of $1.00 to the Edmonton *Bulletin* for subscription for one year to October 1, 1899. Voucher 1387 is also for payment to the Edmonton *Bulletin* of $1, for subscription to October 1, 1899. From this it would appear that there has been a double payment of $1 to the proprietors of the *Bulletin*. Kindly obtain a refund of the overpayment.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Dec. 31, 1900.

SIR,—Mr. McCreary's Immigration cheque No. 776 is for a payment of $98.35 to A. H. Pulford, of Wiinipeg, for furniture and stoves. This cheque is in payment of two accounts, one for $34.55 rendered on February 21, 1899, the other for $63.80 rendered on April 21, 1899. The latter account consists of items purchased on February 20, exactly identical with those included in the former account with the addition of a desk purchased on the same date, and a range, pipes, etc., purchased on February 22, 1899. It looks to me very much as if the articles specified in the first account have been paid for twice. Kindly have this matter looked into, and if a double payment has been made, have the matter adjusted at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Jan. 2, 1901.

SIR,—I beg to call your attention to the following remarks on the payments by Mr. McCreary during the year 1899-1900, to Levi Beck, of Yorkton, for supplies, etc., in connection with immigration.

Voucher 308, rendered on June 30, 1899, contains the following items:—

1899.			
June 1.	To order	O. Skrepnek, 1 bag 4 X.....	$ 1 25
"	"	Antonek, 1 " "	1 25
"	"	Galicians in quarantine at old mill,, 2 bags 4 X.....	2 50
June 10.	"	Galicians in quarantine at old mill, 2 bags 4 X.....	2 50
" 8.	"	Galicians in Hall, 9 bags 4 X.....	11 25
			$18 75

Voucher 1471, rendered on December 31, 1899, contains the following items:—

1899.			
June 1.	To order	Olex. Skrepnek, 1 sack 4 X Flour.....	$ 1 30
" 1.	"	Nikola Antonek, 1 sack 4 X Flour.....	1 30
" 8.	"	Galicians in hall, 9 sacks 4 X Flour....	11 70
" 1.	"	Galicians at mill, 2 sacks 4 X Flour....	2 60
" 10.	"	" " "	2 60
			19 50

There is evidently an overpayment here of $19.50, the dates and items being identical, in each case, the flour however, being charged at $1.30 in the later account instead of at $1.25, the original charge. Again, in voucher No. 308, there is a charge of $45 for freighting 5 loads to Tetlock on June 9, at $9 a load. Mr. Crerar, the agent, has made a note here as follows:—'Charged previous Doukhobour transport account, see my letter on subject.' This evidently refers to an account rendered on June 23, which forms part of voucher 696 where an item on June 8, for freighting 5 loads on June 8, at $9 a load has been struck out. This amount, however, appears to have been paid again in voucher 1450, where 18 loads of freight, at $9 a load, are charged for the month of June, as these 5 loads are required in addition to the other freighting done in June, to make up the 18 loads, making an apparent overpayment of $45. Voucher 1450, rendered on October 31, 1899, appears to be a statement of account from February 1 to October 31, 1899. The amount of this account is $1,668.90, and from it are deducted the amounts of $873.02 and $538.57, paid by vouchers 696 and 1154 respectively. The following items which occur in voucher 696, do not appear in voucher 1450:—June 20, freighting 3 loads at $9; June 20, 13 sacks flour at $1.25; June 23, 8 sacks flour at $1.25; 1 bbl. salt at $2.50; total $55.70; while the following items occurring in voucher 1154, do not appear in voucher 1450, viz:—June 15, 16½ bush. oats at 50 cents; June 23, 2 bush. oats at 50 cents; total $9.10. At the same time, the following items which occur in voucher 1450, do not appear in either voucher 696 or 1154, viz:—

February, 1899.	22 empty bags....	$ 3 30
" "	Chop....	9 01
" "	Feeding oxen....	12 00
" "	Hay, $5.60; bran, $1.40; cow, $25.....	42 00
March, 1899.	Hay, $10.50; sugar, $16.05; chop, $2.05..	28 60
" "	24 teams at $6....	144 00
June, 1899.	5 teams freighting at $9....	45 00
" "	3 teams " at $10.50....	31 50
Sept.-October.	St. John orders....	5 45
September.	A. Zahasa, order....	1 30
	Total....	$322 16

Of the two items in June for freighting, the first appears to be that paid in voucher 308 already referred to, while the second is probably the three loads on June 20, charged in voucher No. 696 and referred to above. These accounts of Mr. Beck's are in such confused state that before they can be finally adjusted, a fully detailed statement of account with dates of each separate transaction should be obtained from him.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Jan. 2, 1901.

SIR,—I beg to ask your attention to the purchases of brick from Robinson & Co., of Selkirk, during the month of February, 1899, in connection with the immigration service. On February 15, 1899, 1,600 brick were purchased at $14 per M., which were paid for by Mr. McCreary's voucher No. 1226, of 1898-99. On February 18, a further supply of 402 brick were purchased; this lot was billed at $15 per M., which was paid on September 20, 1899, by Mr. McCreary's cheque No. 438. On February 23, 1899, an account was rendered by Robinson & Co., for 1,600 brick supplied on February 15, and 402 brick supplied on February 18. In this case, both lots are billed at $14 per M., the account amounting to $28.02, which was paid on August 28, 1899, by Mr. McCreary's cheque No. 254. It is evident that these brick have been paid for twice. I have accordingly to ask you to obtain a refund from Robinson & Co., of the amount overpaid them.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Jan. 2, 1901.

SIR,—Mr. McCreary's immigration voucher No. 547, of 1899-1900, is for the payment of $16.50, to A. Becker, for services interpreting for Dr. Mason, on June 7, 8, 9, 14, 15 and 16, 1899, at the Galician settlement. Voucher 1064, is also for a payment of $16.50, to A. Becker, for the same services, on the identical dates. It is evident that Mr. Becker has been paid twice for this service. Kindly have this matter adjusted at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Jan. 3, 1901.

SIH,—On August 3, 1899, Mr. D. Morrison received an advance of $10, from Mr. G. B. Smart, acting Accountant in the Immigration Office at Winnipeg, as an advance on account of expenses to Duck Lake,—see voucher No. 231. On May 28, 1900, a statement was made out of Mr. Morrison's account for services and expenses, amounting to $364.74. From this is deducted $150 advanced him on May 17, 1899, and $100 advanced on July 13, 1899, the balance, $114.74, being paid him by Mr. McCreary's voucher 1539. Although this account covers Mr. Morrison's expenses to Duck Lake, the advance of $10, is not deducted. Kindly obtain a refund from Mr. Morrison of the $10 not accounted for by him.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Jan. 12, 1901.

SIR,—I beg to acknowledge receipt of your letters of the 27th, 29th and 31st ultimo, and the 2nd and 3rd instant, in which you refer to a number of discrepancies in the accounts of the Commissioner of Immigration during the year 1899. In reply, I beg to say that immediately upon receipt of these letters I caused copies to be forwarded to the Acting Commissioner of Immigration at Winnipeg, Mr. A. Moffat, formerly the Accountant in that office, for explanations. I much regret that these items were not brought to the attention of the department earlier as explanations could then have

been given which may not be so easily obtained at this late date. However, I will be glad to see that the accounts are adjusted in such a way that where any refunds are necessary, they will be made.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Increases in Salary should not begin earlier than the Instrument authorizing such Increase.

AUDIT OFFICE, OTTAWA, March 31, 1900.

SIR,—I have received a copy of an Order in Council dated March 23, 1900, increasing the salary of Mr. Wm. Newlands, Inspector of North-west Land Titles Offices, and Registrar of the Assiniboia Land Registration District, from $2,000 to $2,400 a year, said increase dating from February 1, 1900. I beg to inform you, that in my opinion the increase is effective only from the day on which the Order was approved, viz: March 23. Kindly do not pay the increase from a time prior to that date.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, April 5, 1900.

SIR,—I beg to acknowledge the receipt of your letter of the 31st ultimo, addressed to the Deputy Minister of the Interior, in which you call attention to the Order in Council of the 23rd ultimo, increasing the salary of Mr. Wm. Newlands, Inspector of North-west Land Titles Offices, from $2,000 to $2,400 a year, and in which you ask that such increase be not paid from any time prior to March 23, as in your opinion the increase is effective only from the day on which the Order was approved. In reply, I wish to state that I cannot agree with you that the increase is only effective from the day on which the Order was approved, in the face of the specific statement embodied in such Order that the increase shall date from February 1, 1900. I will submit the papers to Mr. Smart on his return to the department, and if he concurs in my views in this relation, I shall advise that appeal on your decision be taken to the Treasury Board. In the meantime, the payment of the increase for the time prior to the date of the Order in Council will be withheld.

I am, sir, your obedient servant,

The Auditor General. T. G. ROTHWELL, *Acting D.M.I.*

Payment of Salary to Mr. R. W. Cautley after the Termination of his Services.

AUDIT OFFICE, OTTAWA, July 17, 1900.

SIR,—From the list of employees for the month of April, given the Comptroller at Dawson by Mr. J. L. Bell, Assistant Gold Commissioner, I find that Mr. R. W. Cautley, late Mining Recorder at Dominion Creek, left the service on April 15. He was, however, paid for the full month of April, by cheque No. 1017, for $125. As he appears to have worked for only half the month, he should be called upon to refund $62.50, being half a month's salary.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, July 23, 1900.

SIR,—In reference to your letter of the 17th instant, in which you point out that an overpayment of salary has been made to Mr. R. W. Cautley, late Mining Recorder of Dominion Creek, I have the honour to inform you that it appears from a letter dated 8th May, last, received from the Comptroller of the Yukon Territory, Mr. Cautley resigned and left the service on April 30, but he was granted fifteen day's leave of absence on April 15, by the Commissioner and was paid the full salary allowance.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Premiums on Guarantee Bonds should according to the Act be paid by the Officers Themselves.

AUDIT OFFICE, OTTAWA, August 11, 1900.

SIR,—I have a copy of an Order in Council of the 18th ultimo, with reference to the security bonds of the officials in the Yukon Territory, authorizing the payment of the premiums for the same to be made from the vote for expenses of the administration of the Yukon Territory. I do not think that the Act respecting Public Officers, as amended by 61 Vic., Chap. 16, contemplates the payment of the premiums by the Government. These premiums, as I interpret the Act, must either be paid direct by the various officers or may be deducted from their salaries in monthly instalments or otherwise, as the Governor in Council may direct.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, August 31, 1900.

SIR,—In reply to your letter of the 11th instant, having reference to the Order in Council of the 18th ultimo, which authorizes the payment of premiums for security bonds of officials in the Yukon from the Vote for expenses of the administration of the Yukon Territory, and in which you express the opinion that the Act respecting public officers, as amended by 61 Vic., Chap. 16, does not contemplate the payment of these premiums by the Government, I beg to say that after consideration, I am inclined to think that the wording of the Act would hardly bear out the view taken by you. The provision reads, 'The Governor in Council may' (not shall) 'direct that whenever any person is required to give security as aforesaid,' &c., and, especially in view of the circumstances in the Yukon, and for the reasons set forth in the Order in Council, I do not think that it would be at all reasonable or just that the officials who are placed in positions of trust should be compelled to pay the premiums on these bonds. It would, moreover, be practically impossible to adjust the proportion to be paid by the various officials, who are being continually changed and the amount of security also being varied according to the circumstances. It practically amounts to this that if the Government is not to provide for the payment of the premium on the bond, it will be impossible to have any security on the officials who are necessarily obliged to handle public funds in very considerable amounts. I presume that the Governor in Council should compel these officers to give security but, as I have remarked, the whole thing would be extremely unsatisfactory from the fact that changes are made so frequently and the amount required as security must be so often altered to suit the circumstances. I think, however, under all the circumstances, that you will agree with me that the

Government was perfectly justified in providing by the Order in Council of the 18th July last, for the payment of the premiums for these bonds out of the public revenues.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, Oct. 10, 1900.

SIR,—I duly received your lett of the 31st August last, with reference to the paying by the Governement, of premiums on security bonds of officials of the Interior Department in the Yukon, and regret that press of other work has prevented me from answering earlier. I have carefully read over the Acts, on account of your decided opinion that it is legal to pay the premiums from the public funds, and I regret to say that I have not been able to come to your conclusion. I regret this the more, as I so thoroughly agree with you as to what the law ought to be. It seems quite clear that if security is to be given, it should be from a Guarante Company and the premium paid by the Government. If two Government officials have occupations requiring equal intelligence and industry, while each receives nominally $1,000 a year as a salary, but one is obliged to pay $25 premium to a Guarantee Company, not only is one of them receiving $25 a year less remuneration, but a sensitive conscientious man has all the wearing anxiety of the money being stolen and of the possibility of either the Government or outsiders suspecting that he has taken it. It is a source of great pleasure to me that so far as the expenditure side of the monetary affairs of the Government is concerned by making the credit system in the names of two persons practically universal and by requiring all cheques under them payable to order, the cause for this anxiety has been removed. With reference to receipts, it is unfortunately impossible to remove altogether the burden from the shoulders of the officials who are engaged in the work of collection. What can be done in this office by causing prompt deposit, by requiring the keeping of consecutively numbered receipt books, &c., has been done to prevent the temptation to error. While, however, I agree most fully with you that if the security of a Guarantee Company is to be obtained at all, the expense of doing so should be borne by the Government, the interpretation of the Act of Parliament is a quite different matter. I do not find a word either, in the Revised Statutes, Chap. 19, or in 61st. Vic., Chap. 16, which justifies, so far as I can see, the opinion that the Government is to pay the Guarantee Company premiums or any other outlay arising from providing security. This is made specially clear in 61st Vic., Chap. 18. In the main section, provision is made for the acceptance of a guarantee company's bond or the assignment of a deposit by the official in a Government Savings Bank. By sub. sec. 2, the Governor in Council may deduct the premium on the Guarantee bond from the salary. By subsec. 3, a fund may be established by contributions from the officials, or by deductions from their salaries, to meet failures to discharge duties or defalcations. In every case, it is assumed that the officials are to ultimately make good the entire cost of providing the guarantees for their capacity and honesty. I hope I have made it quite clear that I should like to see the law directly opposite to what it is. As, however, there seems no uncertainty as to what the law really is, we must live by the law and hope for its change.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Letters of Credit Issued in favour of one Department should not be used for making Payments of Another Department.

AUDIT OFFICE, OTTAWA, July 26, 1900.

SIR,—In view of complications which have arisen in connection with certain transfers which these credits are established, viz.: solely for expenses of the administration

the Yukon Territory, I have to ask that you impress on Mr. Ogilvie and Mr. Lithgow the necessity of restricting payments through their credits to the legitimate purchases for which these credits are established, viz.: solely for the expenses of the administration of the Territory. The Public Works and Justice Departments, as well as several other departments have Votes for Yukon Expenses. Please make no payments which should properly be made by either of these departments.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, July 30, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 26th instant, referring to certain transfers which this department has asked the Public Works Department to make in connection with the expenditure in the Yukon Territory, and in accordance with your suggestion, a letter will be written to Mr. Ogilvie and Mr. Lithgow, pointing out the necessity of restricting payments through their Letters of Credit to the legitimate purchases for which such credits are established, namely, expenses of the administration of the Territory. As the Public Works and Justice Departments have votes now for expenses which should be dealt with through their departments, letters will also be written to them with the request that instructions be given to the proper officers to defray any expenses referring to those departments out of the votes granted for such services.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Payment of Hospital Attendance for Officials in Yukon Territory.

AUDIT OFIFCE, OTTAWA, June 11, 1900.

SIR,—On February 2 last, a cheque for $69, was issued by Mr. Ogilvie, Commissioner of the Yukon Territory, in favour of the Good Samaritan Hospital, for hospital attendance on George Layfield, accountant in the Crown Timber and Land Office, as follows:—46 days, from October 13 to November 27, 1899, at $4, $184; less $115 paid by Mr. Layfield from his living allowance. No evidence has been given that the Government should pay any of these expenses. Please therefore cause the money to be paid by Mr. Layfield.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 21, 1900.

SIR,—Referring to your letter of the 11th instant, in reference to a payment of $69, made by Mr. Ogilvie, Commissioner of the Yukon Territory, in favour of the Good Samaritan Hospital, for hospital attendance upon George Layfield, Accountant in the Crown Timber and Land Office, and asking that the money be repaid by Mr. Layfield, I have the honour to inform you that a refund of $20.97 has just been received from Dawson, which represents the difference between the allowance made to him for living expenses and the amount charged by the hospital for the period mentioned in your letter.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, June 29, 1900.

SIR,—I am in receipt of your letter of the 21st inst., in reply to mine of the 11th inst., with reference to the payment of the hospital expenses of Mr. Layfield. You do not in your reply, discuss the point raised by me, viz.: that there was no evidence given that the Government should pay any part of these expenses, in default of such evidence. Kindly have a further amount of $48.03 deposited by Mr. Layfield, in order to wipe out the whole charge.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Increase in Living Allowance of Officials in Yukon Territory.

AUDIT OFFICE, OTTAWA, April 20, 1900.

SIR,—I beg to ask your attention to your letter of September 20, last, in which you fix the living allowance to be made to all officials in the Yukon Territorry as follows:—

The Commissioner.....	$2,000 00 per annum
Gold Commissioner, Legal Adviser, Comptroller, Registrar and Crown Timber and Land Agent.....	100 00 per month.
Inspectors and other persons travelling....	3 00 per day.
All other officials and clerks.....	75 00 per month.

From the return for the month of February which I have just received, I find that the allowance to the clerks, etc., has been increased from $75 to $100 a month, the increase dating back to November 1. I also find that the inspectors and others travelling do not receive the allowance of $3 a day, but are allowed actual expenses which in most cases, exceed considerably the allowance mentioned in your letter. As your letter fixing the rates stated that the arrangement was to remain in force until July 1, 1900, I have to ask why and by whom the rates of allowance have been altered.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, May 15, 1900.

SIR,—I am directed to acknowledge the receipt of your letter of the 20th ultimo, with regard to changes in the scale of living allowance to officials in the Yukon District. As regards the change in the living allowance to clerks from $75 to $100 per month, I am to say that this alteration was made by the Minister of the Interior under the authority of the Order in Council of September 5, 1899, and upon the strength of a report from the Commissioner of the Yukon that board could only be procured for $100 per month and that even at this rate the board did not cover many articles which would be necessary under ordinary circumstances. Respecting your inquiry as to the practice of allowing inspectors and others who may be travelling their actual expenses instead of the prescribed living allowance of $3 per day, I am to say that you will be further advised. I am to state for your information that the Commissioner of the Yukon, after consulting with the Comptroller, has recommended that married men who are not provided with quarters, shall receive an allowance of $50 per month in lieu thereof. This recommendation is based on a calculation of the average cost of housing officials in the upper story of the Crown Timber and Land Office building; and has been approved. The back pay in the case of each of the two officers entitled to receive

this allowance will amount to about $150. In the case of the surveyors employed by the Government in the Yukon, it has been decided that they should be paid their actual expenses, board and lodging, with an allowance to cover the difference between the cost of bedding in the Yukon District and elsewhere, such allowance to be $100 for the first year of their employment and $20 for each subsequent year.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Approval of Account Limited by inserting the words "Without Prejudice".

AUDIT OFFICE, OTTAWA, June 15, 1900.

SIR,—Mr. Ogilvie's cheque No. 453, is for a payment of $276.97 to Mr. W. H. P. Clement, being the balance of his expenses on a trip from Dawson to Ottawa and return between June 3 and October 14, 1899. The whole cost of the trip was $1,076.97, the sum of $800, having been advanced to Mr. Clement, in August, 1899, by your department here. I notice that Mr. Ogilvie, in approving Mr. Clement's account, adds the words 'without prejudice.' I should like to know what meaning Mr. Ogilvie intended to be placed upon his approval by adding those words and why he added them. I would also ask why, if Mr. Clement left Dawson on business directly connected with the Dominion Government, the original advance for expenses was not made by Mr. Ogilvie at Dawson, before he started.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 25, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 15th instant, in regard to the travelling expenses' account of Mr. W. H. P. Clement, and to say that a copy of it has been sent to the Commisioner of the Yukon Territory for report.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, Jan. 4, 1901.

SIR,—With reference to your letter No. 492,094, of June 25, last, in regard to the travelling expense account of Mr. W. H. P. Clement, I would ask if you have received any report from the Commissioner of the Yukon Territory in connection therewith.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Payment of Living Allowances to Officers while Receiving Board at Government Expense.

AUDIT OFFICE, OTTAWA, April 19, 1900.

SIR,—I find that Mr. Lithgow, Comptroller at Dawson, was away for 7 days in the month of February, inspecting on the creeks, during which time his living expenses were paid by the Government, though he was drawing $100 a month at Dawson, for

living allowance. He should, I think, be called upon to refund the amount of $25, being the amount of his living allowance for the 7 days in February, during which his board was paid out of public moneys. There were a couple of short trips made in November and December by Mr. Lithgow, one for a portion of a day and one for a little over a day. But for short absences like these, I do not think it would be reasonable to ask for a refund.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 19, 1900.

SIR,—I find that Mr. Thibaudeau, Timber Inspector, and Mr. Sylvestre, Timber Ranger, at Dawson, were away on a trip of inspection from November 27 to January 3, during which time their living expenses were paid out of public moneys. Each of them received his full living allowance for the months of November and January, though no allowance was paid for December. They should be called upon to refund the living allowance for the 4 days, from November 27-30, and three days from January 1-3.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 18, 1900.

SIR,—Mr. R. C. Conklin, of the Timber Office at Dawson, was away from Dawson between January 3 and 10, collecting stumpage fees on the creeks. During this time his board and lodging was paid by the Government. He was also paid $100 living allowance, for the month of January. Mr. Conklin should be called upon to refund the amount of $22.58, being his living allowance for the seven days, during which his board was paid.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 18, 1900.

SIR,—I find that Mr. F. X. Gosselin, Crown Timber and Land Agent at Dawson, who is in receipt of a living allowance of $100 a month, was paid the following amounts for board and lodging, when inspecting on the creeks:—October 28, $13.50; November 2, $10.50; February 18, $11. Mr. Gosselin should be called upon to refund his living allowance for the days on which he was away from Dawson, and on which his board was paid by the Government.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 18, 1900.

SIR,—I find that Mr. T. H. Hinton, a clerk in the office of the Comptroller at Dawson, was travelling from January 14 to February 16, inspecting the offices at Stewart River and at Fort Selkirk, during which time his living expenses, which were paid, amounted to $236.50. I also find that Mr. Hinton was paid his full living allowance at Dawson for both months, at the rate of $100 a month. As his full expenses

when travelling were paid by the Government, he should not have been paid the living allowance for the same period. Kindly ask Mr. Hinton for a refund of $117, being for 18 days' allowance in January and 16½ days in February. I also find in this account that there is a charge of $4 for three telegrams on license business. As the licensing business is in the hands of the Yukon Council, and the fees accrue to the local revenues, I think this amount should be paid out of the local funds.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, Jan. 4, 1901.

SIR,—I beg to draw your attention to my letters of April 13 and 19 last, in reference to the payment of living allowances to certain officials at Dawson while absent upon trips of inspection, and would ask if you have received any refunds of the amounts for living allowances.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Jan. 14, 1901.

SIR,—In further reference to your letters written in April last, wherein you draw attention to a number of cases in which officials in the Yukon had made trips on Government business and received their actual living expenses in connection therewith, while at the same time they were paid the ordinary living allowance at the rate of $100 per month, I have the honour to inform you that a list of the officials mentioned by you to whom such payments had been made, was sent to the Commissioner of the Yukon Territory, stating the facts and asking him to report on the subject, and I beg to inform you that it has now been decided that the regular monthly allowance which is paid officials for living and lodging expenses must cease when these officials are absent on business, and that for the time they are so absent they shall receive instead the allowance which is paid mining inspectors, viz.: their actual travelling expenses. If any amount in excess of this has been paid, it will have to be refunded.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Unsatisfactory Certificates on Vouchers.

AUDIT OFFICE, OTTAWA, May 9, 1900.

SIR,—Let me ask your attention to the certificates on the vouchers sent in, in support of the expenditure at Dawson by Comissioner Ogilvie and Mr. Lithgow, the Comptroller. While in the majority of cases a satisfactory certificate, 'Goods supplied, prices fair and just' is given, in some cases the certificate, 'price as agreed' is given. This form of certificate will be found on the following vouchers:—

No. 413.—Geo. Apple, putting furnace in Post Office....	$800 00
No. 665.—To A. Delage, varnishing and painting Court House....	168 00
No. 753.—J. Draper, making foundation for transit.....	16 50
No. 318.—J. M. Gallant, caulking building....	100 00

Also in vouchers for rent of buildings, for fuel and water supplied and some vouchers for repairs to buildings. This form of certificate is far from satisfactory and is really meaningless as a certificate, for the purchasing officer and the seller might conspire and agree on a price far above the actual market value and still the officer could conscientiously certify 'Price as agreed.' The only case in which the certificate 'prices fair and just' can be omitted, is when goods are supplied, or work performed under a formal contract, for which tenders were previously asked by public advertisement. In such a case, the price is supposed to be the best that can be obtained even though it may not be 'fair and just;' the certificate then woud be 'price according to contract.' In all other cases, whether goods are bought in the ordinary manner or are bought under an agreement as to price, the certificate 'Prices fair and just' is indispensable. This certificate should also be attached to all sub-vouchers sent in, in support of the contingent expenditure of the Gold Commissioner and Land Timber Agent, and indeed on all sub-vouchers sent in by any of your agents through the Dominion in support of their contingent expenditure.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, July 12, 1900.

SIR,—In further reference to your letter of the 9th May last, in the matter of the form of certificate to be placed upon accounts, I am directed to inclose, for your information, a copy of a communication which has been received from the Commissioner of the Yukon Territory. I am to add that steps are being taken to notify all agents of the department of the contents of your letter so that there may be a uniform practice in regard to the certifying of accounts for work performed or goods supplied.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

COMMISSIONER'S OFFICE, DAWSON, Y.T., June 13, 1900.

SIR,—In reply to yours of April 14 (530,571) calling my attention to a communication received from the Auditor General, I beg to point out that Mr. Lithgow appears to me to be very zealous in the matter of having all accounts sent out in proper form, and I am no less zealous, taking care to put my signature to nothing that is not proper personally inspecting every document I sign, though necessarily my inspection must be a hurried one. By way of explanation, I would reply to the Auditor General's exception to items Nos. 413, 665, 753 and 318, as follows:—

1st. 'George Apple; putting furnace in Post Office, $800.' This price was arrived at after all the manufacturing firms in Dawson had been consulted, each one independently, and each one ignorant that any other had been approached. After this was done M. Apple's price being the lowest, it was accepted, and for that reason, the certificate, 'price as agreed' was put on it. This was, in fact, a hurried way of inviting tenders.

2nd. In the case of item 665; 'A. Delage, varnishing, etc., Court House;' the same procedure was carried out.

3rd. Item 753, was for making a foundation for the Astronomical Transit which I brought in with me and intended to use in astronomical work in Dawson. I received instructions from the Surveyor General that some surveyor at Skagway would take a series of observations there, and if I could afford the time, I would take another series here, and from these determine the difference of longitude between Skagway and

Dawson, as a check on the survey work made in this country. For these reasons my transit had to be mounted, and the price charged ($16.50) was the most reasonable I could obtain in Dawson.

4th. In item 318, 'J. M. Gallant, for caulking building,' inquiry was made and reference made to previous accounts and it was found that this price was as reasonable as we could get the work done for.

All these case are, it might be said, a verbal way of calling for tenders, and this way was taken in order to save time and expense. However, I will call the attention of the Comptroller to Mr. McDougall's letter and try, if possible in future, to have things more satisfactory for him.

I am, sir, your obedient servant,

The Secretary, Dept. of the Interior. WILLIAM OGILVIE, *Commissioner.*

Remarks on Accounts for Advertising.

AUDIT OFFICE, OTTAWA, June 4, 1900.

SIR,—On March 7, last, an account for six insertions of a seventy-eight line advertisement in *La Patrie* of Montreal, was certified by you at $39. The account does not specify the nature of the advertisement, nor is there a copy of the order or of the advertisement attached thereto. It would appear, however, to be an advertisement headed 'Placer Mining Claims in the Yukon Territory.' All the other papers inserting the advertisement appear to have been limited to sixty-four lines, and have been paid at that figure. Kindly inform me your reasons for allowing *La Patrie* 78 lines for the advertisement.

I am, sir, your obedient servant,

The Queen's Printer, &c. J. L. McDOUGALL, *A.G.*

DEPT. OF PUBLIC PRINTING AND STATIONERY, OTTAWA, July 4, 1900.

SIR,—Replying to your letter of June 4, I have to say that the introduction of machine setting, has also introduced a good deal of confusion into the advertising accounts, because the machines do not set so closely as setting by hand; and, moreover, the different machines in use do not set with an equal degree of closeness. Therefore, in sending an advertisement out we are compelled to consider which machines are in use in the office to which we send it and to make allowances accordingly. The machines in use in *La Patrie*, will not set as closely as the machines in use in other offices. The subject attracted my attention some time ago, and I found they were using the monoline machines, and after a number of experiments, I found that that was the cause of the continual disputes with *La Patrie*, and I made allowance accordingly. There are other questions also which have to be considered. For instance, an advertisement in French in a French paper, if properly translated, will take up ten per cent more space than in an English paper. The same extension, because of language, applies to everything printed in French. Again, there are some newspapers which measure their space by 14 lines to an inch and others 12 lines to the inch, what is called respectively agate or nonpareil measure. That has to be considererd also. In justice to *La Patrie*, it must be said that its prices are lower than the prices of other newspapers of the same importance. That very same advertisement, for instance, which cost $39 in *La Patrie* would have cost $48 in the *Herald*. I have often wondered *La Patrie* did not raise its rate for advertising to the rates of other papers. It is not my business to suggest they should do so, but if they were to raise their rate per line, I do not see how any objection could be taken to it. The cardinal point, however, of the

while question, is that *La Patrie* got paid only for the space which the advertisement occupied, and no more; and also, that there was no unnecessary display in the heading or elsewhere. If the Government actually gets the space in fair measurement, no complaint should be made. It would be, moreover, unreasonable to ask *La Patrie* to change its machines, and that is what I saw after a series of disputes with that paper, when I tried to force them to compress advertisements into the same number of lines that they were set in at the Bureau, when set by hand in the lean-faced type of our founts.

I am, sir, your obedient servant,

The Auditor General. S. E. DAWSON, *Queen's Printer.*

AUDIT OFFICE, OTTAWA, March 23, 1900.

SIR,—I find that an account for $80, in favour of the *British Columbia Mining Record*, for advertising, was paid by the Interior Department, on November 9, after having been certified to by you, on or about October 6, last. The Order in Council of May 8, 1894, establishing regulations for advertising for the several departments, provides that 'Advertisements shall not be inserted in any periodicals other than newspapers published weekly or more frequently.' As the *Mining Record* is only published monthly, I have to ask why this advertisement was authorized to be inserted therein and why the account was certified to by you.

I am, sir, your obedient servant,

The Queen's Printer. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, March 23, 1900.

SIR,—I have an account for $18.80, in favour of the London *Catholic Record*, for four insertions of an advertisement of 47 lines, for Tenders for Mining Locations in the Yukon Territory. This account was rendered on February 6, last, and was paid on February 14, after having been certified to by you. I have to ask why this account was certified correct when the regulations laid down by Order in Council of May 8, 1894, provide that advertisements in weekly papers be limited to a maximum of three insertions. The *Catholic Record*, being a weekly paper, should only have been allowed payment for three insertions.

I am, sir, your obedient servant,

The Queen's Printer. J. L. McDOUGALL, *A.G.*

DEPT. OF PUBLIC PRINTING AND STATIONERY, OTTAWA, March 26, 1900.

SIR,—Replying to your two letters of March 23, I beg to say that the order to insert the advertisement in the *Columbia Mining Record* was specially authorized by the initials of the Hon. the Secretary of State. The case of the *Catholic Record*, a weekly, which got four insertions instead of three, was a simple miscalculation of the number of issues up to the limit of the date specified in the order.

I am, sir, your obedient servant,

The Auditor General. S. E. DAWSON, *Queen's Printer.*

AUDIT OFFICE, OTTAWA, March 31, 1900.

SIR,—I am in receipt of your letter of the 26th instant, in reply to my letters of the 23rd instant, regarding certain advertisements inserted in the *British Columbia*

Mining Record and in the *Catholic Record*, of London. With regard to the case of the *Catholic Record*, I may say that I noticed the initials of the Hon. the Secretary of State on the account, but as the regulations were made by the authority of the Governor in Council, they can only be modified or dispensed with by the Government as a whole, or by Parliament. With regard to the case of the *Catholic Record*, I notice that you say that its getting four insertions was a simple miscalculation of the number of issues up to the limit of the date specified in the order. This explanation, however, does not overcome the difficulty, that under the regulations they can only be paid for three insertions, and the over-payment, amounting to $4.70 should be made good. I should like to have a copy of the order sent the proprietors of the *Catholic Record*.

I am, sir, your obedient servant,

The Queen's Printer. J. L. McDOUGALL, *A.G.*

DEPT. OF PUBLIC PRINTING AND STATIONERY, OTTAWA, April 14, 1900.

SIR,—With regard to the question of an advertisement in the *British Columbia Mining Record*, raised in your letter of March 31, I beg to say that the authority of the Honourable the Secretary of State, as evidenced by his initials on the account, is sufficient, under the Order in Council of December 12, 1896. The advertisement concerned mining matters in the far west, and no medium was so suitable as the *British Columbia Mining Record*, to reach the persons concerned. It was precisely such a case as this which the Order in Council of December 12, 1896, was intended to cover, where a literal observance of the previous order would tend to defeat the very object for which advertisements are published.

I am, sir, your obedient servant,

The Auditor General. S. E. DAWSON, *Queen's Printer.*

AUDIT OFFICE, OTTAWA, June 4, 1900.

SIR,—On March 23, last, I wrote you asking how it was that the *Catholic Record*, a weekly newspaper, was allowed four insertions of an advertisement calling for Tenders for Mining Locations in the Yukon Territory, to which you replied on March 26, that this arose from a simple miscalculation of the number of issues up to the limit of the date specified in the order. I now find that two other weekly papers have been paid for four insertions of the same advertisement, viz.: the Amherstburg *Echo* and the Kingston *Canadian Freeman*. In the case of the *Echo*, the order copy of the advertisement which is attached to the account is marked for four insertions.

I am, sir, your obedient servant,

The Queen's Printer. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, June 6, 1900.

SIR,—On March 5, last, a cheque, No. 253, was issued by you in favour of the Montreal *Herald*, for the amount of $37.50 for advertising 'Tenders for Mining Locations in the Yukon.' On April 25, cheque No. 348, was issued for $33, in favour of the Montreal *Herald*, also for advertising 'Tenders for Mining Location in the Yukon.' The last account was rendered at $37.50, but was reduced by the Queen's Printer to $33. Kindly inform me whether these were two distinct advertisements. If not, an overpayment seems to have been made to the *Herald*.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 12, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 6th inst., in which you refer to two advertisements for advertising tenders for mining locations in the Yukon. In reference to your inquiry, I am to state that the two advertisements were distinct, but as the same space was taken up by both advertisements, a letter is being written to the Queen's Printer asking him to explain why the same price was not charged in both cases.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, June 30, 1900.

SIR,—Referring further to your letter of the 6th instant, relating to two advertisements for tenders for mining locations in the Yukon, for which payment had been made to the Montreal *Herald,* I am now directed to quote for your information a letter which has been received from the Queen's Printer. 'Referring to your letter of June 12, I beg to say that the advertisement in question was sent out twice. The first time, it was sent a little more space was allowed in the head than the second time. The *Herald* wrote to say they could not get it in in less space than 50 lines, and sent a copy of the advertisement set up to that measure. As the space was actually taken, it was allowed to pass. The second time, the advertisement was sent out, the heading was compressed, so as to make the advertisement go into closer space, and when the *Herald* charged 50 lines the second time, the bill was cut down. That is the reason of the difference. I may add that the nonpareil type which has been used for so many years for pattern copies in the Bureau is becoming more and more disproportionate with the nonpareil type used in those offices which employ machines; and I would also observe that the space allowed is left entirely to the discretion of the Queen's Printer, who uses his best judgment under the circumstances which present themselves.'

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Payment of Board for Mr. Clement in Spring of 1899.

AUDIT OFFICE, OTTAWA, June 6, 1900.

SIR,—Yukon cheque No. 286, issued on July 20, 1899, is for a payment of $259.15 to Mr. W. H. P. Clement, legal adviser to the Yukon Council, for board paid by him at Dawson, between March 5 and June 3. Kindly inform me why Mr. Clement did not take his meals at the Government mess where Mr. Ogilvie, Mr. Senkler and the other leading officials boarded.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 12, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 6th inst., wherein you mention a payment of $259.15 as having been made in July last, to Mr. W. H. P. Clement, Legal Adviser, to the Yukon Council, for board, paid for by him at Dawson, between March 5 and June 3, and asking why Mr. Clement did not take his meals at the Government mess, where Mr. Ogilvie, Mr. Senkler and other leading

officials boarded. In reference to your query, I am to state that Mr. Clement in forwarding his account explained that owing to the want of accommodation he could not be boarded at the Government mess and had to make the best arrangements he could. Ordinarily fair board in Dawson at that time ran from $30 per week to $100 per month. For two months he got board at $100, and for the other month he had to pay $30 per week.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, June 15, 1900.

SIR,—I am in receipt of your letter of the 12th instant, in reply to mine of the 6th instant, with reference to the payment of Mr. Clement's board at Dawson, from March 5 to June 3, 1899. The accounts put in by Mr. Clement in support of this payment, are not certified in accordance with Sec. 33, of the Audit Act. As Mr. Ogilvie, the Commissioner, and Mr. Lithgow, the Comptroller, must both have been cognizant of the facts of the case, I think the latter should have certified the account, and the former approved it. Kindly inform me why this was not done, and why it was not paid through the Ogilvie-Lithgow Letter of Credit, instead of being personally laid before your department by Mr. Clement and paid here apparently without reference to Mr. Ogilvie.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 26, 1900.

SIR,—I am in receipt of your letter of the 15th instant, referring to mine of the 12th, regarding payment of $259.15, made to W. H. P. Clement, Legal Adviser to the Yukon Council, for board from March 5 to June 3, and which was paid at head office. In reply to your further remarks with regard to the Commissioner and the Comptroller not certifying or approving of the account, I may say that this matter was not one that came up for consideration at all, because during this time, neither the Commissioner nor the Comptroller had anything to do with living allowances for any officials, the living allowance for all the officials at that time being furnished by the North-west Mounted Police Force at Dawson, except in the case of Mr. Clement who, as explained by himself, could not secure accommodation at the Government mess, and consequently had to stay at the hotel. I do not think that Mr. Clement ever rendered the account to Mr. Ogilvie or the Comptroller, Mr. Lithgow, at all events at the time he came to Ottawa, he called on me with regard to this matter and after I had fully considered the claim which appeared to be fair and just, I approved of payment, Mr. Clement furnishing all vouchers for the amount disbursed by himself.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, June 29, 1900.

SIR,—I am in receipt of your letter of the 26th instant, regarding the payment of the board of Mr. W. H. P. Clement, from March 5 to June 3, 1899, in which you say that 'neither the Commissioner nor the Comptroller had anything to do with living allowances for any officials, the living allowance for all the officials at that time being furnished by the North-west Mounted Police.' An examination of the accounts will show that provisions for the Government mess were purchased through the months of March, April and May, amounting to, from $1,000 to $1,500 each month; these

accounts are certified to by Mr. Lithgow and approved by Mr. Ogilvie. I think you will find that the Government mess was in charge of Mr. Ogilvie and Mr. Lithgow, that rations were drawn from the police for the employees, and that these rations were supplemented by goods purchased in the name of Mr. Oglivie, in town, from the merchants. I find also from the accounts, that Mr. Clement and Mr. Gosselin, the Crown Timber Agent, reached Dawson on or about January 11, and that they went to the Fairview Hotel on that day. Their board and room rent was paid up to January 31, but from February 1, only their room rent was paid, there being a note on Mr. Gosselin's account to the effect that he joined the Government mess on February 1. In Mr. Clement's account for February, there is a charge of $30.25 for partial board which was not paid by the Government, and in Mr. Clement's account for April, there is a charge of $20.50 for partial board to March 6, which, however, was disallowed by the Comptroller. I think the inference is that Mr. Clement joined the official mess on February 1, at the same time as Mr. Gosselin, and that he left it towards the end of February or early in March. The cause of his leaving it appears to have been insufficient to Mr. Ogilvie and to Mr. Lithgow, as they refused to pay his board to March 6. Under these circumstances, I think that the accounts in question should be certified and approved by Mr. Lithgow and Mr. Ogilvie.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Items for Incidentals should not Appear in Expense Account.

AUDIT OFFICE, OTTAWA, Dec. 21, 1900.

SIR,—In Mr. E. F. Stephenson's accounts for travel charged to the Vote for Relief of miners, Liard and Dease Rivers, for the year 1899-1900, I find the following charges:—

March 22, 1900.—Incidentals while at Victoria.... ..... $1 65
May 12, 1900.—Incidental expenses on trip—Ottawa to Winnipeg.... .... 1 45

Payments of this kind cannot be passed by this office. Unless Mr. Stephenson can give a detailed account of the items in question, I have to ask that a refund of this amount be made.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Jan. 14, 1901.

SIR,—I have the honour to acknowledge the receipt of your letter of the 21st ultimo, in which you refer to certain items included in Mr. E. F. Stephenson's account which are mentioned by him as incidental expenses, and which cannot be passed by your office, and in reference thereto I am to inform you that Mr. Stephenson will no doubt be able to give details of the items mentioned. A letter has been written to him upon the subject but no answer has been received so far, and it is presumed that he is away on official business or the matter would have been attended to at once ; however, in order to close up the matter the sum of $3.10 has been deducted from his salary and placed to the credit of the Receiver General. Bank of Montreal, Ottawa, Receipt 9017 for the amount mentioned will acompany the next statement of receipts for the Department of Finance.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

The Government cannot Distribute among his Creditors the Money due any Person.

AUDIT OFFICE, OTTAWA, August 8, 1900.

SIR,—I have your letter of the 7th instant, with regard to the amount voted to Chas. Bremner, of Bresaylor, for value of furs entrusted by him to Government authorities and never returned to him. I beg to point out to you that the way you propose to make the payments to the creditors of Bremner does not apear to be legal. The only legal way of making the desired payments, is to apply for separate cheques in favour of Mr. Bremner for the several amounts. The cheques intended for the different creditors may be handed to the solicitors of those creditors, while the large cheque for Bremner himself should be held until he endorses the other cheques over to the persons interested. This, I understand, will be satisfactory to the creditor's solicitors, who state that they can obtain Bremner's endorsation to the different cheques.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. F. HAYTER, *for A.G.*

DEPT. OF THE INTERIOR, OTTAWA, August 10, 1900.

SIR,—I am in receipt of your letter of the 8th instant, with regard to the amount voted to Mr. Charles Bremner, in compensation for the loss of certain furs during the

North-west Rebellin of 1885, and in reply beg to say that I can hardly understand the objection which has been taken to the payment of the amounts to certain creditors of Mr. Bremner, in whose favour he has asked us to issue cheques on his account, especially when it is considered that these persons have furnished evidence satisfactorily establishing their claims. I cannot see that it would be illegal to pay in the way indicated, and I have spoken to Mr. Sifton about it and he states that he thinks the cheques should be made payable to the persons entitled to them as was suggested in the previous correspondence. The mode suggested by you seems to me, would simply give unnecessary trouble to those interested, without any special advantage. I would ask you, therefore, to kindly give the matter further consideration before issuing the cheques. If they are to be made payable to Mr. Bremner, it might be just as well to send the money direct to himself, although the plan suggested by you might in a measure protect those in whose favour he has directed the department to pay the various amounts.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, August 11, 1900.

SIR,—I have your letter of yesterday about the Bremner claim. I wish you would read the rules regarding powers of attorney prescribed by the Treasury Board, dated February 1, 1870. You will find them at the beginning of the executive regulations which for several years I have had printed for the use of the departments as well as this office. You will see from No. 3, of these rules, that the Government will not distribute moneys coming to any one, among his creditors. In writing to you on the 8th instant, I was moved by a desire to save trouble which would arise in connection with the matter in the Finance Department, where powers of attorney are dealt with. There, a cheque will be made either to the principal, or to his attorney, but not to more than one attorney. I have no responsibility whatever to the creditors of Bremner or to their solicitors. The suggestion which I made and which came entirely within my powers and those of the Finance Department, viz.: to divide the whole amount into so many payments to Bremner, was made because I found that the two solicitors who came to me represented all the claims which were before you and because, as I understood, they thought their object (the collection of the amounts due their clients) would be gained by the proposed action, and because, I supposed you would be willing to do whatever would satisfy them if it was not contrary to established rules.

You will notice that if a person has $5,000 to receive from the Government, it may accommodate him to get the amount in two or more cheques, and that there is no principle infringed by making payment by several cheques so long as they are all payable to the creditor of the Government. In this case, I am of course willing to make a cheque for the whole amount to Bremner, if you so desire it. I have no responsibility to any one but to him and to your department.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Allowance to Permanent Officials for Living Expenses should not Exceed the Probable Average Cost in the Localities Visited.

AUDIT OFFICE, OTTAWA, June 29, 1900.

SIR,—I have a copy of an Order in Council of the 19th instant, appointing Mr. J. A. Smart, Deputy Minister of the Interior, and Mr. E. F. Stephenson, Inspector of

Crown Timber Agencies, Joint Commissioners to inquire into all matters connected with the management and sale of certain lands comprised within the town sites of Regina, Mossejaw, Qu'Appelle and Virden, and allowing them $10 per day each to cover living expenses while absent from their respective homes. I beg to point out the great disparity between the proposed allowance of $10, and the probable actual cost of living expenses. It is well known that board may be obtained at the leading hotels in Eastern Canada at from $3 to $4 a day. The rates at Winnipeg are about the same, and the rates at the leading places in the west are about as follows:—Brandon, $2; Qu'Appelle, $2; Regina, $2; Calgary, $2.50 to $3; Banff, $2.50 to $4; Edmonton, $2; Vancouver and Victoria, $3 to $4; and when on the railway, meals cost 75 cents each. One dollar a day would be a large allowance for incidental expenses, such as gratuities to servant, cleaning boots, etc., so that $5 a day, or half the proposed amount, would appear to be a more than ample allowance. This great difference between the actual expenses and the proposed allowance would make it appear that the real intention is to give the Commissioners additional remuneration for their services in the form of a living allowance in evasion of Sec. 51, of the Civil Service Act, which provides that 'no extra salary or additional remuneration of any kind whatsoever shall be paid to any deputy head, officer of employee in the Civil Service of Canada, or to any other person permanently employed in the public service.' My objections, it must be understood, are directed not so much against the principle of remunerating the Commissioners for their services, as against the manner in which it is done. If it be considered just and right that they should receive compensation over and above their regular salary, the only competent authority, viz.: that of Parliament, should be obtained. The practice of granting a living allowance greatly in excess of what actual expenses would amount to is a bad one, and if once introduced, the same right is liable to be demanded by every official travelling. As a case in point, I would remind you that a few years ago, two high officials of the Government, when travelling to England, claimed and obtained, when I was overruled by the Treasury Board, the living allowance of $10 a day for the days spent on board the steamship, although the passage fare included meals, etc. This having been allowed in the cases named, as since been claimed and allowed in many cases since, while I am quite sure it would not otherwise have been thought of. I would also draw your attention to an Order in Council of October 5, 1896, which provides that 'all recommendations to Council with relation to the appointment, employment or continuance of employment, promotion, increase or reduction of salary or pay, granting or extension of leave of absence, or payment of travelling expenses or removal expenses of any employee or proposed employee of the Government, either permanent or temporary, be referred to the Treasury Board for consideration and report before being finally dealt with by Council.' Inquiry at the Treasury Board elicited the fact that the matter under discussion had not been referred to the Board.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, July 9, 1900.

SIR,—I have your letter of the 29th ultimo, having reference to the Order in Council of the 19th ultimo, appointing Mr. J. A. Smart, Deputy Minister of the Interior, and Mr. E. F. Stephenson, Inspector of Crown Timber Agencies, Joint Commissioners to inquire into all matters connected with the management and sale of certain lands comprised within the town sites of Regina, Moosejaw, Qu'Appelle and Virden, and allowing them $10 per day each, to cover living expenses while absent from their respective homes. I note your objection to the proposed allowance of $10,

and also the statement you make as to the probable actual cost of living expenses. I may be permitted, however, to respectfully differ from the statements contained in your letter as to the various hotel rates in towns in the west. I may say, that from my experience, the actual amount charged by hotels in the West, is from $3 to $6 and $7 per day, simply for the living expenses, so that your informant regarding the rates which you quote in your letter, is entirely astray.

I may add, in connection with this matter, that as I would appear to have a personal interest in the matter, I do not wish to accept any allowance that would be considered unreasonable and unfair, in fact, I am not at all particular as to accepting the work that would be involved in the commission to which I have been appointed, in addition to the regular departmental work which I will have to do while at Winnipeg and in the west. I can only say, in reply, that I have no objection to the matter being referred to the Treasury Board, as suggested by you if it is, as you say, proper that that Board should first decide on the question.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, July 13, 1900.

SIR,—I am in receipt of your letter of the 9th instant, in reply to mine of the 29th ultimo, with reference to the travelling allowance of $10 a day to the commissioners appointed under Order in Council of the 19th ultimo. With reference to your remark that my informant was entirely astray in the hotel rates, quoted in my former letter, I beg to say that the rates quoted, were those actually paid by him when travelling in the west during the summers of 1898 and 1899. I would also ask your attention to the rates shown under, paid by different officers of the Interior and Indian Departments, as appears from their accounts.

Irregularities in Accounts paid by Immigration Commissioner at Winnipeg.

DEPT. OF THE INTERIOR, OTTAWA, January 21, 1901.

SIR,—In further reference to my letter of the 12th instant, I beg to inform you that the following discrepancies in the accounts of the Commissioner of Immigration have already been adjusted :—D. Morrison, $10; A. H. Pulford, $34.55; McLean & Co., $1.85; J. M. Taylor, $2.10; A. Becker, $16.50; Robinson & Co., $28.02; Robinson & Co., 41 cents; Edmonton *Bulletin* Co., $1, and Hugh Harley, $8.72 ; total, $103.15. These several amounts were deposited to the credit of the Receiver General, and form part of Merchants Bank, Winnipeg, Receipt No. 6,101 for $93.12, and Merchants Bank, Winnipeg, Receipt No. 6,110 for $10.41. The Acting Commissioner states, in effect, that the errors occurred owing to payments being made under great pressure of work, arising out of a congested accumulation of accounts, which had been going on for some time, and which could not be paid until a supplementary vote had been granted by Parliament.

There are two cases not yet dealt with, those of Levi Beck and C. J. Thomson ; I expect these will be adjusted satisfactorily in a few days, and you will be advised immediately.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

NOTE.—This letter was received too late to insert in its proper order.—J. L. McD.

Agents' Bank Accounts.

AUDIT OFFICE, OTTAWA, Feb. 16, 1900.

SIR,—If your agents do not now do so, I would suggest that they should be instructed to keep a bank account, where such is possible. This account should be in the name of the agent with his title following, for instance, 'John Brown, Dominion Lands Agent, Ottawa.' All receipts from whatever source should be deposited to credit of this account, both the advance from the department and the collections. Cheques can be drawn to meet contingent expenses, to make deposits to credit of the Receiver General, and to make refunds of amounts in those cases, in which the deposits cannot be accepted for the purposes desired by the depositors.

A monthly statement of this account, with the cheques issued, should be furnished regularly to this office.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, May 14, 1900.

SIR,—Referring to your letter of the 16th February last, in which you suggest that the agents of the department be instructed to keep a bank account where such is possible, I beg to say that while this might be a further check on any moneys passing through the hands of the agents, yet I am afraid that, in the case of a very large number, the system would be practically unworkable and most unsatisfactory.

With regard to the Dominion Lands Agents, I understand there are 6 or 8, out of the 16, located at places where there is no chartered bank, so that there could be no uniformity in the system. I have no objection, however, to asking those located in towns, where chartered banks are established, to carry out your suggestion, but will not do so until I hear further from you on the subject. The moneys received by these agents from the department, is so very small, that an objection would be likely to come from the banks themselves, as the account would be worth very little to them. The advances are usually a few dollars for postage, caretaking, &c., and amount to probably $10 or $15 a month. The receipts, of course, are considerable, but the regulations at present requiring a deposit to be made with the Receiver General of $25 and upwards, would seem to safeguard the revenues as far as it is possible to do so and quite as much, I think, as if the agent had a bank account.

With reference to other agents, especially engaged in the Immigration Branch of the department, there is only one office which controls any considerable amount, and that is the Commissioner, in Winnipeg, and he, of course, has a bank account, all moneys paid out by him being on a letter of credit. The other agents are moving about continually from one place to another, and I am afraid it would be rather inconvenient for them to use a bank. In view of these considerations, I would ask if you still consider that the suggestion made is a desirable one.

I beg to apologize for not replying to your letter sooner, but the delay was with the Accountant and the matter had apparently been overlooked.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, May 21, 1900.

SIR,—I have received your letter of the 14th instant, in reply to my letter of Februay 16, last, suggesting that your agents should be instructed to keep a bank account where such is possible.

My reason for making this suggestion was, that I had information from one of my staff who visited some of your agents, that it was customary for some of the agents to have on hand for lengthened periods, several hundred dollars, arising from applications for hay permits of which the agent was not able to dispose.

While the regulations is, as you state, to deposit daily if the receipts amount to $25, otherwise when that amount is on hand, yet the practice in many cases is to deposit only weekly to correspond with the agent's return and in the meantime the cash is held. The reason assigned by the agent for not more closely following the regulations is, that your department requires separate deposit receipts for the different classes of revenue, necessitating sometimes five or six different receipts for the collections of one week.

To avoid the necessity of the agent holding cash on hand, which is objectionable from a business standpoint, and contrary to the letter and spirit of the Treasury Regulations, I considered your agents, where the circumstances warranted it, might follow the practice of collectors of customs and keep a bank account.

I may say that, when writing, I had only in mind the Land and Timber Agents.

I am still of opinion that at such offices as are obliged to hold any considerable amount of cash on hand, a bank account should be opened and every day's receipts deposited. I feel sure that both the department and the agent will find the advantage of doing this, apart from the added safety to the public funds.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 5, 1900.

SIR,—I am directed to acknowledge the receipt of your letter of the 21st ultimo, in the matter of bank accounts to be kept by Dominion Lands Agents, and to inclose for your information a copy of a circular letter which has been sent to the Agents at Winnipeg, Brandon, Dauphin, Calgary, Edmonton, Prince Albert, Regina, Lethbridge, Kamloops and New Westminster, these being the only places at which agencies are situated at which there is a bank.

A copy of the letter has also been sent to the Crown Timber Agent at New Westminster, he being the only Crown Timber Agent who is not also a Dominion Lands Agent.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, June 5, 1900.

SIR,—I am directed to inform you, that it has been decided that Dominion Lands Agents be instructed to keep a bank account where such is possible. This account should be in the name of the agent with his title following, as for instance, 'John Brown, Dominion Lands Agent, Ottawa.'

All collections from whatever source should be deposited daily to the credit of this account. At the end of each week, after all the weekly returns have been made out, cheques are to be drawn covering each return, as instructed by the printed card now in your hands, entitled, 'For the Guidance of agents re depositing money.'

You will please note, however, that it is not intended to change the present practice in the matter of refunds, and once an official receipt has been issued by you, it will be necessary to apply to Head Office for a refund cheque in the same way as in the past.

A montly statement of the bank account, with the cheques issued, should be attached to the copy of your cash book for transmission to the Auditor General.

The above change is to go into effect on the 1st July next.

I am, sir, your obedient servant,

The Agent of Dominion Lands, P. G. KEYES, *Secretary.*

Edmonton, New Westminster.
Winnipeg, Prince Albert,
Brandon, Regina,
Dauphin, Lethbridge,
Calgary, Kamloops.

Board of Examiners of Dominion Land Surveyors.

AUDIT OFFICE, OTTAWA, June 4, 1900.

SIR,—The expenditure of the Board of Examiners of Dominion Land Surveyors in 1898-99 was $380.80, made up as follows:—

E. Deville, 13 days at $5	$ 65 00
P. B. Symes, 13 days at $5	65 00
A. H. Whitcher, 13 days at $5	65 00
O. J. Klotz, 12 days at $5	60 00
W. F. King, 3 days at $5	15 00
Tom Kains, Victoria, 10 days at $5	50 00
Wm. Pearce, Calgary, 9 days at $5	45 00
Advertising	15 80
	$380 80

Of the 13 days for which three of the Board were paid, one was in August, nine in February, and three in June.

In reply to my letter of March 27, 1896, asking for a statement of the time occupied in the preparation of each examination paper, and in reading the replies of the two candidates to each paper as well as in conducting each oral examination, the then Deputy Minister replied that no record had been kept of the time occupied by the examiners. No doubt, a record has since been kept of the time occupied at the several examinations, and I have to ask for the information in reference to the examinations of 1898-99.

In future payments to the examiners, you will please make direct application to this office, instead of paying through your letter of credit.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 26, 1900.

SIR,—Referring to your letter of the 4th istant, with regard to the expenditure of the Board of Examiners of Dominion Land Surveyors in 1898-99, I beg to state that upon inquiry, I am advised by the Secretary of the Board, that no record has been kept of the time occupied in the preparation of each examination paper and in reading the replies of the candidates. The examiners are allowed by statute five dollars per day for each day's sitting, and the number of days of a meeting of the Board is regulated by the matters on which the candidates have to be examined. These matters are spe-

cified in clauses 102, 109, 110, 111, 113 and 116, of the Dominion Lands Act. It does not appear, therefore, that the time occupied by the examiners in the preparation and reading of the papers has any bearing upon the amounts to be paid to them.

The Secretary of the Board further advises me that there were three meetings of the Board held in 1898-99.

The first meeting was held on the second Monday of August, 1898, as directed by the Dominion Lands Act, Messrs. Deville, King, Whitcher and the Secretary being present. There were no candidates and the meeting adjourned on the same day.

The second meeting was held on the second Monday of February, 1899, as directed by the Dominion Lands Act, Messrs. Deville, Klotz, Whitcher, Pearce and the Secretary being present. There was one candidate for final examination. The normal length of this examination is eight days, but the meeting lasted nine days, because the candidate was allowed by the Board to recommence examination after having retired; this kept the Board in session one day longer.

The third meeting was held on June 15, 16 and 17, 1899, by order of the Minister for the purpose of examining the papers of three candidates, who had written for the Dominion Land Surveyor commission, at Victoria, before Mr. Kains. Messrs. Deville, King, Klotz, Whitcher and the Secrtary were present on the two first days, and Messrs. Deville, Whitner, Klotz and the Secretary on the last day.

In addition to the above, Mr. Tom Kains was employed for ten days in February, 1899, at Victoria, as special examiner. The unusual length of this examination was due to the fact that one of the candidates, Mr. W. A. Bauer, was detained as a witness in court.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Seed Grain Repayment.

AUDIT OFFICE, OTTAWA, April 21, 1900.

SIR,—The sum of $57, was paid November 14, 1899, to your department by E. A. C. McLory, of Moosomin, Assa., amount due for Seed Grain advanced to John Byers. The counterfoil of receipt issued by the Patent Branch No. 668, bears the following memo:—

Year 1890.—Principal	$22 05
Interest	6 35
" 1895.—Principal	23 54
Interest	5 06
	$57 00

Seemingly, there is something wrong in the amount collected for interest, $6.35; on the advance of 1890.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, May 1, 1900.

SIR,—Replying to your letter of the 21st ultimo, calling attention to a slight discrepancy in the amount of the seed grain repayment by John Byers, in connection with the advance to him in 1890, I beg to say that on the matter being looked into it

appears that there is a balance due on account of interest on the advance of that year, and steps are being taken to collect it.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

Casual Revenue.

DEPT. OF THE INTERIOR, OTTAWA, Jan. 22, 1900.

SIR,—Referring to your letters of June 22, and December 5, 1899, I am directed to say that when the matter of furnishing vouchers in connection with the refunds of expenditure, was brought to the attention of the department in August, 1898, a circular letter was sent to all the agents, asking them to furnish the full particulars required by your office in regard to such matters. A copy of the circular is inclosed, herewith.

By referring to the Statement of Receipts on account of Casual Revenue for 1898-99, it will be seen that nearly all the receipts on account of sales of goods, &c., have come through the Commissioner of Immigration at Winnipeg, and in every case, a coupon of the receipt issued in Mr. McCreary's office, giving full particulars, has been transmitted to you. The sum of $1,308.81, of the Casual Revenue Receipts for last year was made up of refunds made by Messrs. Ogilvie and St. Cyr, Surveyors, and particulars of these items may be found on the Survey Accounts which have been furnished by those officers.

A form of voucher is now being printed for the use of the agents of the department, so that in the case of the sale of old office furniture or Government property of any kind, every particular required will be given.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Collections at the Department—Timber and Mines Branch.

AUDIT OFFICE, OTTAWA, May 18, 1900.

SIR,—According to the returns of collections at the department during the months of December, January and February last, the cash collected, was not deposited for ten or fifteen days after it was received. Please explain the cause for the delay.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

Dominion Lands Refunds—Yukon District.

AUDIT OFFICE, OTTAWA, Feb. 9, 1900.

SIR,—I have to ask for further explanations as to the following refunds of Dominion Lands Revenue, Yukon District:—

Bed rock flumes—

Oct. 4.—Cheque	1048, J. E. Binet and associates....	$100
	1049, T. W. O'Brien and associates.....	100

	1056, W. Bradley and associates....	100
	1057, G. Griffiths and associates....	100
	1058, Frank Swanson and associates.....	100

1900.

Timber limit—

Jan. 15.—Cheque 1102, R. Wilson.... .... $750

Liquor Permit—

Jan. 24.—Cheque , Thomas O'Brien.... .... $3,500

Cordwood dues—

Jan. 27.—Cheque 1107, D. G. Stewart.... .... $669

I have to inquire why the question of refunding these amounts was not submitted to the Treasury Board.

It is stated that $3,500 refunded to Thomas O'Brien, was included in the deposit of $425,476.25 brought out by Major Walsh. I cannot find any such payment in the details of this deposit as shown in the Audit Report for 1897-98. The reason given why it was refunded, is that a permit was issued by the Lieutenant-Governor of the North-west Territories, in April, 1898. No evidence of such payment having been made is furnished. Granting that the payment was made for a permit to take the same 1750 gallons of liquor into the Yukon Territory, yet this would seem to be a case that should come before and be decided by the Treasury Board.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Feb. 15, 1900.

SIR,—In reply to your letter of the 9th instant, I am directed to say that as the department is not in a position to act upon the applications made for bed rock flumes, the money which was deposited with the applications was returned to the applicants.

Mr. R. Wilson Smith applied for a timber berth which proved, on a survey being made of the boundary line, to be in the Province of British Columbia. The sum of $750, which he paid for the berth was, therefore, refunded to him.

A separate communication will be sent to you with reference to the refund made to Mr. Thomas O'Brien.

Mr. D. G. Stewart was charged double dues, $1,338, by the Crown Timber and Land Agent at Dawson. Mr. Stewart proved to the satisfaction of this department that he had cut this timber under permission given by an authorized officer of the department. One-half of the dues was, therefore refunded.

The remainder of your letter will be replied to, in connection with the refund made to Mr. Thomas O'Brien.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, Feb. 19, 1900.

SIR,—In further reference to your letter of the 9th instant, asking for an explanation of the refund of $3,500, made to Thomas O'Brien, I am directed to say that this amount was included in the item of $6,829, appearing in your Report for 1898-99, page H—94, the particulars of which have since been received and are as follows:—

1898.

June 15.—Benoit Bros., 600 gallons....	$1,200
" 15.—T. O'Brien, 1,750 gallons....	3,500
" 24.—T. O'Brien, 1,000 gallons....	2,000
" 28.—McMurray, 45 gallons....	90
July 20.—Dr. Rimer, 30 gallons....	39
	$6,829

Copies of letters referring to the above matter are inclosed herewith for your information, and a copy of a Resolution passed by the Yukon Council having reference to it.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

COMMISSIONER'S OFFICE, DAWSON, Dec. 14, 1899.

SIR,—In reply to yours of October 25, respecting the claim made by Mr. Thomas O'Brien for $3,500, as a refund on account of certain liquors brought into the Territory by him, I have to say that I referred the question to Mr. Bliss, Acting License Inspector, who at the time of this transaction was Accountant for the Yukon Territory, and knows all about it. A copy of his report to me is inclosed herewith, and it goes to show that the money was deposited in trust, pending the result of certain inquiries, and that Major Walsh's taking it out with him was a mistake. I also inclose a statement from Mr. J. T. Lithgow, the Comptroller.

These two statements, I think, will fairly well place before you all the facts in the premises, and it would appear from them that Mr. O'Brien is entitled to a refund of the $3,500, deposited by him in suspense, as he emphatically states, and in which statement he is corroborated by Mr. Bliss, who states that the money was only intended as a suspense deposit until such time as the Minister was heard from.

I am, sir, your obedient servant,

The Deputy Minister of the Interior, WILLIAM OGILVIE, *Commissioner.*

DAWSON, Y. T., Dec. 12, 1899.

SIR,—In reference to the inclosed correspondence, I beg to state that Captain Constantine collected $3,500, from Thomas O'Brien, being permit dues on 1,750 gallons of liquor brought in under permit issued by the Lieutenant-Governor of the Northwest Territories in April, 1898. This amount was handed to me and placed in the Bank of Commerce for safe keeping until such time as we could hear from Ottawa, but through some mistake it was included in the $425,000 that Major Walsh took out with him in August, 1898.

I am, sir, your obedient servant,

The Comptroller, Dawson. H. A. BLISS.

COPY OF A RESOLUTION PASSED BY THE YUKON COUNCIL.

'Resolved:—That the Commissioner be authorized to confer with the Dominion Government as to the disposal of $3,500, deposited in the Bank of Commerce on demand of Major Walsh, the then Commissioner, as payment of the fees at the rate of $2 per gallon due on 1,750 gallons of liquor imported by Thomas O'Brien; that this Council feels that Mr. O'Brien, under the circumstances of the case, is fully entitled to the refund of that sum of $3,500. That the statement of the Comptroller shows that the money was not expended by the present Council and that an explanation be asked for of the account of the Department of the Interior as to the manner in which the said $3,500, was deposited and recommend that if Major Walsh deposited it to the credit of the Dominion Government that the Dominion Government be respectfully asked to refund the amount to Mr. O'Brien.'

Collections at Gold Commissioner's Office, Dawson.

AUDIT OFFICE, OTTAWA, March 3, 1900.

SIR,—On the Returns of Assignment Fees, the following entries appear without any amounts extended opposite each:—

Statement No. 217, July 20.—Conti and Parelli.
" 217, " 31.—T. E. Rimer from W. E. Potter.
" 248, Aug. 11.—Craden & Wilcox.
" 248, " 18.—T. Joselin.
" 279, Sept.—J. W. Wright.
" 279, " Cartwright & Schaufler.
" 279, " John McLaughlin.
" 279, " Geo. W. Sanders.

The last four are marked 'Old Transfers.' When did the money for these items come to account?

Statement No. 312, for October, 1899, has not been received.

On Return No. 218, Document Fees, for July, 1899, the name A. D. Cameron, is entered, for a lay-over, $2.50. A pen has been drawn through the name and amount and no explanations given.

Seemingly, the stock of receipt forms for the above classes of fees became exhausted, as no counterfoils have come to hand for Assignment Fees for the months of May, June, July and August last, and the entries do not bear any numbers. No receipt forms with printed consecutive numbers were received in connection with the 'Document Fees' until those for September last reached me.

A large number of the counterfoils for Free Miners' Certificates do not contain the amount paid, and are not signed by the Agent.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, April 20, 1900.

SIR,—In reply to your letter of the 3rd ultimo, regarding the above matter, I am directed to say that the Gold Commissioner has been written to in connection with Statements of Returns of Assignment Fees Nos. 217, 248 and 279, and as soon as his reply is received you will be further advised.

Statement No. 312 has been received and will be forwarded to your department with our next monthly return.

The Gold Commissioner is being asked for particulars regarding the remaining portion of your letter and when received you will be duly advised.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, Sept. 21, 1900.

SIR,—I have the honour to request you, to return to this office the following orders for scrip, which accompanied the return of revenue relating to the Lands Office, Dawson, Y.T., for the month of May last, and which were included in the revenue statement of collections for that month, forwarded to your office:—

20, Alloway and Champion	$74 63
21, " "	14 85
22, " "	57 38
23, " "	39 85
24, " "	14 90
Total	$201 61

It appears that Mr. Gosselin, the Crown Timber and Land Agent at Dawson, was under a misapprehension as to the manner of dealing with scrip in payment for land. The correspondence shows that he was under the impression that purchasers of Dominion Lands were to make their payments in scrip, and when they failed to do so, the accountant of his office, in some cases where cash had been paid, converted it into scrip at the Canadian Bank of Commerce. The sum of $1,081.61 was thus included in his return for the month of May. $880 was forwarded to the department in scrip, and $201.61 in scrip orders, for which scrip was to be issued at Ottawa.

A suspicion having arisen that Mr. Gosselin did not understand the mode of dealing with the scrip and scrip orders, a telegram was sent to him, and in the meantime the scrip and orders which had been received from him with his June return were held, pending an explanation. Mr. Gosselin has now deposited to the credit of the Receiver General, the sum of $1,081.61, to cover the payments in scrip mentioned, and on receipt of scrip and orders fowarded by him in connection with his June statement, he says he will adjust the matter by depositing the cash. It is impossible to send him the scrip for May, as it has been cancelled, and it is proposed to issue new scrip in lieu thereof, and to return it with the scrip and scrip orders for June.

When the bank receipts for June arrive, I am to request you to make a note for your annual report stating that the shortage shown in connection with his office has been settled, and the amount deposited will appear in the next year's report.

I am, sir, your obedient servant,

The Auditor General, T. G. ROTHWELL, *D.M.I*

Returns—Fort Cudahy.

AUDIT OFFICE, OTTAWA, May 29, 1900.

SIR,—I have to ask for an explanation of the delay in depositing the fees received for Placer Mining Grants at Fort Cudahy, Statement No. 239, for the sum of $1,170, which covers the period from Sept. 27, 1898 to July 22, 1899.

This amount was not deposited in the bank at Dawson, until August 7, 1899.

The return does not bear the numbers of the counterfoils nor have they been received.

Upon the return for September, 1899, Nos. 4898 to 4901 are entered, but the counterfoils have not been received.

No return has been received for August last.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 8, 1900.

SIR,—I beg to acknowledge the receipt of your letter of the 29th ultimo, asking for an explanation of the delay in depositing to the credit of the Receiver General, the fees received for Placer Mining Grants, at Fort Cudahy, in the Yukon Territory, during the period from September 27, 1898, to July 22, 1899, and in reply to inclose herewith a statement showing the grants made during that period. This statement shows the numbers of the counterfoils, but the Commissioner reports in a letter received from him on the 28th March last, that the Mining Recorder at the above point was supplied with one of the old books of form 'I' of the regulations, which had only one coupon attached thereto, and that the same were required by him for the purpose of keeping his records in proper order. The cancelled forms of entries will also be found attached.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Dawson Water Front.

AUDIT OFFICE, OTTAWA, March 8, 1900.

DEAR MR. SUTHERLAND,—You will notice that Mr. Foster has asked for details of $4,744.25, collected by Clement, Patullo & Ridley, on account of Dawson water front and fines of $23,861, both of which appear at H—107 of my Report. By referring to my Report, you will also notice that I indicated that no details had been furnished to me. I am still without details from your department, and therefore, if they are to be furnished, they must come from your officials.

I am, sir, your obedient servant,

Hon. Jas. Sutherland,
Acting Minister of the Interior.

J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, March 23, 1900.

SIR,—Referring to your note of the 8th instant to Mr. Sutherland, with regard to the moneys collected by Messrs, Clement, Pattulo & Ridley on account of Dawson water fronts, I understand that the necessary details have now been sent you in this relation.

As to the details referring to $23,861 collected on account of fines, I think that these should be sent direct to you by Mr. Lithgow, under authority of the Order in Council of July 19, 1898, which provides that all vouchers for payment out of Local Revenues should be sent quarterly to your office, with financial statements signed by the Comptroller and countersigned by the Commissioner. If you have not already received these details perhaps you will like to telegraph to Dawson for them.

I am, sir, your obedient servant,

The Auditor General.

JAS. A. SMART, *D.M.I.*

DEPT. OF THE INTERIOR, OTTAWA, March 5, 1900.

SIR,—Referring to your letters of the 13th November and 5th December last, addressed to the Deputy Minister, in which you ask a number of questions respecting the renting of the water front at Dawson, I am directed to inclose herewith copies of correspondence from the perusal of which you will ascertain full particulars in that regard.

I am, sir, your obedient servant,

The Auditor General.

P. G. KEYES, *Secretary.*

COMMISSIONER'S OFFICE, DAWSON, Jan. 8, 1900.

SIR,—I beg to acknowledge the receipt of your letter of November 24, 1899, file No. 505263, inclosing copy of a letter from the Auditor General, asking for certain information re lease of Dawson water front.

I now beg to inclose copy of a letter from Mr. Thomas Fawcett, Gold Commissioner, and Mr. F. C. Wade, Dominion Lands Agent. This constitutes the agreement under which the water front was rented, but no lease was executed.

Prior to the expiration of this agreement, a number of houses were destroyed by fire and not rebuilt. Owing to this fire, the Commissioner deemed it advisable not to insist on the removal of the buildings remaining before June 15. In the meantime, an action had been brought before the Territorial Court, to prevent the forcible ejectment of certain of the tenants on the water fornt, and Mr. Justice Dugas decided that the

land on which the remaining tenants were located was a public highway. For six weeks, that is from the date of the expiration of Messrs. McDonald & Morrison's lease, April 30, to June 15, 1899, a certain amount of rent was collected; which, acting under advice of Mr. W. H. P. Clement, Legal Adviser, I placed to the credit of the Local Revenue of the Yukon Territory. The correspondence is inclosed.

The amounts collected are:—

May 29	$4,000 00
June 30	744 25
	$4,744 25
May 23, less expenses removing buildings	31 50
	$4,712 75

Statement is inclosed together with leases.

The position in which the water front now stands, is dealt with by the Crown Timber and Land Agent, in his letter to me of Jan. 4, copy of which is inclosed.

I am, sir, your obedient servant,

The Secretary, Dept. of the Interior. J. T. LITHGOW, *Comptroller.*

AUDIT OFFICE, OTTAWA, March 7, 1900.

SIR,—In reply to my letters of November 13 and December 5 last, in reference to the Dawson water front, I have received your letter of the 5th instant, inclosing letters from several officials at Dawson.

It is stated in these letters that the water front was leased to Messrs. McDonald and Morrison for one year, from May 1, 1898, for a rental of $30,000: that Messrs. Clement, Patullo and Ridley, collected and paid over to Mr. Comptroller Lithgow, $4,744.25, rent for the period from April 30 to June 15; that this money was treated by Mr. Lithgow, acting on the advice of Mr. W. H. P. Clement, Legal Adviser, as Local Revenue; that the portion of the water front affected by said lease, together with a larger portion of the water front outside of the same was disposed of early last spring to different parties or companies, but the leases have not yet been executed, awaiting final instructions from the Hon. the Minister of the Interior, as to terms and conditions.

I have to ask if the Minister has given the required directions in reference thereto; and if he concurs in the opinion of Mr. Clement that the rents of these water fronts shall be treated as Local Revenue.

I do not find any further amounts on account of these rents in the statements of Local Revenue to December 31, but the Dominion Lands agent at Dawson has collected and deposited as Dominion Lands Revenue, $1,780, paid by the North American Transportation and Trading Co., for one year's rent from May 1, 1899, of the water front opposite Lot 1, 2 and 3, Block D.

Mr. Lithgow states in his letter that he incloses a statement of the rent collected by Messrs. Clement, Patullo and Ridley ($4,744.25) together with leases. None of these hav been forwarded to this office, and I would like to have them.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, March 17, 1900.

SIR,—I have the honour, by direction, to inform you, in reply to your letter of the 7th instant, that it is considered here that all revenue from the lands referred to in that

letter, being the lands or the lands covered by water which comprise the water front of Dawson, belongs to the Crown as represented by the Dominion Government, and should be deposited on account of Dominion Lands Revenue to the credit of the Receiver General, unless special reasons exist which are not known here which establish the correctness of the opinion expressed by Mr. Clement that such revenue or rents should be treated as part of the 'Local Revenue of the Yukon Territory.' The matter is now the subject of correspondence with the Commissioner.

To comply with the request in the closing paragraph of your letter of the 7th instant, I am to state that a certified copy of the statement therein referred to is inclosed, herewith, and that certified copies of the leases referred to are being prepared and will be forwarded to you early next week.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

DEPT. OF THE INTERIOR, OTTAWA, June 11, 1900.

SIR,—Referring to your letter of the 7th March last, and my reply thereto of the 17th idem, respecting the sum of $4,744.25 collected for rentals on a portion of the water front at Dawson and deposited to the credit of Local Revenue, I am directed to say that I am to-day advising the Commissioner of the Yukon Territory to transfer the amount from the Yukon Local Revenue Account to Dominion Revenue.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, March 21, 1900.

SIR,—I have received your letter of the 17th instant, inclosing a copy of the statement of rents collected from tenants on the Dawson water front, and the costs and expenses connected therewith:—

Among the costs are the following:—

Bourque vs. Ogilvie No. 1....	$150
" No. 2....	150
Costs in ejecting tenants....	300

I have to ask for particulars of these items.

If there is no means of having legal accounts taxed, they should at least be certified by the Commissioner and the Accountant.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, March 26, 1900.

SIR,—I am directed to acknowledge the receipt of your letter of the 21st instant, and in reply to inclose, herewith, copy of a letter dated the 30th June last, from Messrs. Clement, Pattullo & Ridley, together with a copy of a detailed account from the same firm, in connection with the ejection of tenants from the Dawson water front.

I am also to inform you that a copy of your letter will this day be forwarded to the Comptroller of the Yukon Territory, with a request that full particulars with reference to all items referred to in your communication may be furnished as soon as possible.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, March 28, 1900.

SIR,—Messrs. Clement, Pattullo & Ridley, in their letter dated June 30, 1899, addressed to Mr. Lithgow, copy of which you inclosed with your letter of the 26th instant, state that Dr. Isidore McWilliam Burke instituted two actions against the Commissioner and the sheriff, one to restrain his ejectment and the other for a mandamus to compel his reinstatement and the return of his building, both of which actions are still proceeding and will be tried sometime next fall. They charged and deducted from collections they made $150, in each case as a retainer. Then for their costs in connection with the ejectment of the occupants and obtaining removal of the buildings, &c., they charged a lump sum of $300.

I have to inquire if you submitted these bills to the Justice Department for taxation. The usual certificate of that department is required.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 25, 1900.

SIR,—Referring to your letter of the 21st March last, in the matter of Messrs. Pattullo & Ridley's account for the collection of rents and for the ejection of tenants on the Dawson water front, I am directed to say that a letter has now been received from the Comptroller, transmitting a communication from Messrs. Pattullo & Ridley, which I quote in full:—

'Referring to your letter of the 17th ult., asking details of our accounts in connection with the following matters:—

'Bourke vs. Ogilvie, No. 1.

'Bourke vs. Ogilvie, No. 2.

'Costs of ejecting water front tenants.

'These are all old matters, and, as you know, we have passed through several fires since and we are unable, at this date, to furnish details. Our impression was that detailed statements had been furnished you in the two Bourke cases.

'With regard to the costs in connection with the ejection of the tenants on the water front, our recollection is that we simply lumped the amount of the costs. As you know, there were any number of different ejectments, and the whole matter ran along for some weeks, and we have always thought that the amount charged by us in connection with that matter was absurdly small, and our lumping the costs at $300 must have been a mistake.

'With reference to these costs, we do not think that our books, in any case, would have shown details. There were so many different cases that it would have been impossible to have kept a detailed statement of the services rendered.

'We regret that we are unable to furnish the details in the other two cases of the accounts rendered you, but you will appreciate our position.'

In transmitting the above, the Comptroller stated that before accepting the statement of Messrs. Pattullo and Ridley, he consulted the legal adviser, who informed him that the charges were very reasonable for the work performed.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

Local Revenue—Yukon Territory.

AUDIT OFFICE, OTTAWA, March 28, 1900.

SIR,—Referring to your letter of the 23rd instant, re statement asked for by the Public Accounts Committee in reference to certain items of the Local Revenue, Yukon

Territory, I have to inform you: (1) that I have forwarded to the Clerk of the Committee, a copy of the Dawson water fronts rents received from your department a few days ago; and (2) with reference to the details of fines, the committee are aware that no details have been received at this office, and will no doubt take such action as may be deemed necessary.

As to your reference to the Order in Council of July 19, 1898, and the obligations imposed on the Yukon officials thereby, I beg to call your attention to my letter of June 23, 1899, and Mr. Lithgow's reply dated December 19 last, which you forwarded to this office on January 22. You will observe that Mr. Lithgow states that he has been advised by the legal adviser of the Council, that he is not required under the Order in Council you quote, to send statements of the details of the revenue collected, but wishing to meet the requirements of the Audit Office he had sent a statement of revenue collected for the September quarter and would send one to December 31. Possibly, unless he receives further instructions, he may not send any statement after those mentioned.

I would again suggest the propriety of a Minute of the Treasury Board being passed, assigning the audit of this account, revenue as well as expenditure, to this office in accordance with Section 50 of the Audit Act; and that Mr. Lithgow should be instructed accordingly.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 20, 1900.

SIR,—I send herewith, a copy of a letter to Mr. Lithgow in reference to payments made to himself and other Dominion Officers out of the Local Revenue, in addition to their regular salaries paid by your department. Are not these payments debarred by Section 51, of the Civil Service Act, as amended by 51 Vict., Chap. 12, Sec. 12?

As the administration of the Yukon Territory comes under your department, the supervision and control of the Local Revenue, receipts and payments, naturally follow. I have had occasion to call your attention to two officers who were drawing pay both from your department and out of the Local Revenue, and also to a theft of $2,300 of the funds, about which you had no information, nor any means of getting information. If you have not already done so, it seems to me you should take the necessary action to have returns and full information in reference to this account furnished to your department.

I am anxious about this matter, that I may be able to obtain information from you with reference to doubtful payments, and that you may see the regulations carried out in such cases.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, April 20, 1900.

SIR,—According to your return of the Local Revenue Account for the December quarter, the following payments have been made:—

To yourself, salary as clerk of the Finance Committee, at $1,000 per annum.

J. N. E. Brown, salary as clerk of Council, at $600 per annum, afterwards increased to $1,000 per annum.

D. W. Davis, as License Commissioner, attendance at 16 meetings, $200.

Col. S. B. Steele, as License Commissioner, attendance at 16 meetings, $200.

Inspector R. Belcher, as Deputy Inspector of Licenses, at $500 per annum.
Staff-Sergt. C. C. Raven, as Sub-Inspector of Licenses, at $250 per annum.
H. A. Bliss, as acting Chief License Inspector, at $200 per month.

Please let me have a copy of the Ordinances of the Commissioner in Council making these appointments.

I am, sir, your obedient servant,

J. T. Lithgow, Comptroller, Dawson. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 14, 1900.

SIR,—Referring to your letter of the 20th April last, regarding expenditure out of Local Revenue, Yukon Territory, being payments made to Dominion officers out of the Local Revenues, in addition to their regular salaries paid by this department, I am directed to say that a letter has now been written to the Commissioner of the Territory saying that while it may be legal for him as Commissioner in Council to employ Dominion officials and to pay them for local services, it is considered that such action is of doubtful policy and likely to lead to serious difficulty if persisted in, and that consequently the practice should be stopped for the future.

He has further been advised that if there are any officials with whom any agreement has been made to pay them for any other duties than those which they have to perform under the Dominion Government, his Council will have to decide as to payment.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

AUDIT OFFICE, OTTAWA, June 16, 1900.

SIR,—In my letter of April 20 last, I called attention to Dominion officials in the Yukon who were being paid out of Local Revenue, in addition to their regular salaries paid by your department.

In your reply of the 14th instant, appears the following:—'That a letter has now been written to the Commissioner of the Territory saying that while it may be legal for him as Commissioner in Council to employ Dominion Officials and to pay them for local services, it is considered that such action is of doubtful policy and likely to lead to serious difficulty if persisted in, and that consequently the practice should be stopped for the future.'

In view of the above, I do not understand the concluding paragraph of your letter which reads as follows:—'He has further been advised that if there are any officials with whom any agreement has been made to pay them for any other duties than those which they have to perform under the Dominion Government, his Council will have to decide as to payment.'

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, June 27, 1900.

SIR,—I am in receipt of your letter of the 16th instant, replying to departmental letter of the 14th instant, with reference to my ruling on the question submitted in your letter of April 20, regarding the payment of persons for services rendered to the Yukon Council in addition to the amount received for their services rendered to the Dominion Government, and you intimate that you do not understand the concluding

paragraph of this ruling where I suggest that if there are any officials with whom an agreement has been made to pay them for other duties than those which they have to perform for the Dominion Government, that the Yukon Council will have to decide as to payment.

In explanation of this, I may say that as the Yukon Council had engaged for local services persons whro were regularly employed under this Government, to what extent I am not aware, and for which they received additional remuneration from local revenue, I felt that the responsibility as to carrying out any such arrangement would rest entirely with the Yukon Council.

I did not undertake to assume any responsibility in this matter excepting to make the suggestion to the Commissioner that I considered it doubtful policy and likely to lead to difficulty if the Local Government employed officials of the Dominion Government, and I wished to put a stop to it as far as this department was concerned.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

AUDIT OFFICE, OTTAWA, April 27, 1900.

SIR,—Your Local Revenue statement for March quarter shows that you have overdrawn your account in the Canadian Bank of Commerce by $20,222.43.

Please let me know:—(1) the authority on which the Yukon Council have expended more that the local revenues; (2) the terms of the arrangement with the bank for allowing the overdraft; (3) if you expect the revenue to meet current expenditure for the future; (4) how you expect to meet this overdraft

I am, sir, your obedient servant,

The Comptroller, Yukon Territory. J. L. McDOUGALL, *A.G.*

COMMISSIONER'S OFFICE, DAWSON, May 18, 1900.

SIR,—I beg to acknowledge receipts of your letter of the 27th ultimo, re Local Revenue, Yukon Territory, asking information.

1. 'The authority on which the Yukon Council have expended more than the local revenues.'

In reply, I beg to inclose copy of Ordinance No. 47, of 1899, 'An Ordinance which provides for the building of Wagon roads in the Yukon Territory, which authorizes the Commissioner to borrow from any bank in Dawson, a sum not exceeding one hundred thousand dollars.

The amount expended on Wagon roads in the Territory up to April 30, is $99,417.22.

2. 'The terms of arrangement with the bank for allowing overdraft.'

The Canadian Bank of Commerce, under this Ordinance, allowed the overdraft, charging interest at the rate of five per cent per annum.

3. 'If you expect the revenue to meet the current expenditure for the future.'

I inclose Ordinance No. 11, of 1900, 'An Ordinance Respecting Assessment in Dawson.' When this comes into effect, there should be enough revenue to meet all our requirements.

4. 'How do you expect to meet this overdraft.'

The amount expended in the construction of Wagon roads will likely be refunded by the Dominion Government; if not, we will curtail our expenditure next year and provide for the deficit.

I am, sir, your obedient servant,

The Auditor General. J. T. LITHGOW, *Comptroller.*

SIR,—On July 8, 1899, $266.66 was paid to J. W. Stingle, as Stoker in Fire Department to date. On July 31, he was paid for his services as stoker, the whole of July, at $200 per month,—seemingly a overpayment.

COMMISSIONER'S OFFICE, DAWSON, Y. T., Oct. 23, 1900.

SIR,—I beg to acknowledge receipt of your letter of the 26th ult., ref. No. 481817, relating to payment made to J. W. Stingle, as stoker in the Dawson Fire Department.

In reply, I beg to say that Mr. Stingle was paid on July 8, 1899, $266.66. This was for salary as stoker for ten days in May and for June, at $200 per month; the payment was made on July 8, and by mistake, the receipt read July 8. It should really be to June 30.

The firemen were all paid up to June 30, with the exception of F. J. Fletcher, who was paid to July 8, and his services dispensed with.

I am, sir, your obedient servant,

The Secretary, Dept. of the Interior. WILLIAM OGILVIE, *Commissioner.*

AUDIT OFFICE, OTTAWA, Sept. 24, 1900.

SIR,—T. H. Hinton was paid his salary as a clerk in the office of the Gold Commissioner, for April, May and June last, at $100 a month.

He was also paid out of Local Revenue $170, for his services as acting Chief License Inspector from April 19 to June 9.

An explanation is requested.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, Dec. 17, 1900.

SIR,—Referring to your letter of the 24th September last, in which you draw attention to the fact that Mr. T. H. Hinton was paid his salary as a clerk in the office of the Gold Commissioner, for April, May and June, 1900, at the rate of $100 per month, and that he was also paid out of Local Revenue, $170 for his services as Acting Chief License Inspector, from April 19 to June 9, I beg to submit the following facts in regard to the payments mentioned.

At the time the Liquor License Ordinance of the Territories was amended reducing the license fees and every holder of a license was entitled to an extension of time, it was absolutely necessary that some one should be appointed to act as License Inspector and to sign the licenses. The Chief License Inspector was away from Dawson on business during the period mentioned. Mr. Hinton was appointed and paid a small remuneration for his services; he opened a new Liquor License Register and other books, most of which work was done at night. If a temporary inspector had been appointed the salary would have been much larger than the sum paid to Mr. Hinton. The Commissioner considers that the payment was fair and just and very reasonable for the work performed.

I am, sir, your obedient servant,

The Auditor General. JAS. A. SMART, *D.M.I.*

COMMISSIONER'S OFFICE, DAWSON, Y. T., Oct. 23, 1900.

SIR,—I beg to acknowledge receipt of your letter of the 26th ult., ref. No. 481817, requesting an explanation of payment of salary made to H. A. Stewart, Chief of the Dawson Fire Brigade, for the months of April, May and June, while on leave of absence.

Mr. Stewart was granted leave of absence by the Board of Fire Commissioners to enable him to visit some of the cities on the Coast and to inquire into matters connected with fire departments, to make purchases, and, generally, to acquaint himself with the latest improvements for fighting fire.

One of the foremen acted as chief during his absence, but did not receive any additional remuneration, nor was any one employed to fill the vacancy.

I am, sir, your obedient servant,

The Secretary, Dept. of the Interior. WILLIAM OGILVIE, *Commissioner.*

Re Liquor Licenses and Permits—Yukon Territory.

AUDIT OFFICE, OTTAWA, April 6, 1900.

SIR,—There is published in the Audit Report for 1898-99, page H—107, a statement of the receipts in the Yukon Territory for Liquor Licenses and Permits, compiled

from the returns of the Comptroller. One item of this account is $72,349.98 collected by Col. S. B. Steele, for which no details were furnished.

A clerk from this office who visited Dawson last summer, obtained a statement covering this amount, also $600 collected by Chief Inspector McGregor, and $50 paid by S. Dronoen in all $75,299.98. Of this amount, $100 was refunded, $2,300 stolen from the safe at Barracks, and the balance deposited.

You have, no doubt, been furnished, by the Commissioner, with a full report of all the circumstances in connection with this theft, and I have to ask for a copy.

I have to call your attention to the fact that no details having been furnished, I had no means of learning that the receipts were not all properly accounted for; and had it not been that a clerk from this office visited Dawson and obtained the information, I would not yet be aware that a theft had been committed.

I am, sir, your obedient servant,

The Deputy Minister of the Interior. J. L. McDOUGALL, *A.G.*

DEPT. OF THE INTERIOR, OTTAWA, April 9, 1900.

SIR,—Referring to your letter of the 6th instant, in which you draw attention to the receipts in the Yukon Territory for Liquor Licenses and permits compiled from the returns of the Comptroller, I have the honour to inform you that there is no report in this department of $2,300 having been stolen from the safe at the Barracks.

The Revenue from Liquor permits forms part of the Local Revenue of the Territory and the returns are made direct to your office; until the receipt of your letter, the department had no knowledge of the theft.

A copy of your letter has been sent to the Comptroller, and he has been requested to furnish the information you require.

I am, sir, your obedient servant,

The Auditor General. P. G. KEYES, *Secretary.*

COMMISSIONER'S OFFICE, DAWSON, May 22, 1900.

SIR,—I beg to acknowledge receipt of your letter of the 9th ult., file 560374, inclosing copy of letter from the Auditor General, requesting report on an amount stolen when in the custody of the License Commissioners, from a safe in the Police Barracks, the money being the property of the Government of the Yukon Territory.

The facts in this case are:—

Under Ordinance 11, of 1898, the collection of the Revenue from Liquor Licenses was vested in a Board of License Commissioners, composed of S. B. Steele, D. W. Davins and H. T. Wills; they made returns to me of the moneys received from time to time.

In their last return, they charged $2,300, as stolen from the safe. I reported the matter to the Yukon Council, and inclose copy of my letter and their reply. They instructed me to enter the amount as 'Stolen' in my books. I would not debit myself with this amount as received and charge it on the credit side of the cash book as 'Stolen' as the money had never come into my possession. I made a full explanation of it, however, as a note in the cash book. This matter was explained to Mr. J. W. Reid, of the Auditor General's office, when he was in here last summer, and had he not been here making an inspection, a report would have been sent forward to the Auditor General; but I presumed, as the matter had been fully explained to him, that would be sufficient.

I inclose a copy of the commitment of Constable Conway, who committed the theft.

I am, sir, your obedient servant,

The Secretary, Dept. of the Interior. J. T. LITHGOW, *Comptroller.*

COMMISSIONER'S OFFICE, DAWSON, April 18, 1899.

SIR,—I beg to report that I have received a statement from the Chairman of the Board of License Commissioners to April 5, 1899, showing the amount received from Licenses, $49,499.98; application fees, $3,800. These amounts have been paid to me and credited to the account of Liquor Licenses, with the exception of $2,300, which is reported as being missing from the safe, and is so charged in the return presented.

Awaiting the instructions of the Council.

I am, sir, your obedient servant,

The Commissioner, Y. T. J. T. LITHGOW, *Comptroller.*

COMMISSIONER'S OFFICE, DAWSON, Y. T., May 1, 1899.

SIR,—I am instructed to inform you that your communication with respect to fees from the License Commissioners, and the shortage of twenty-three hundred dollars was presented to the Council at its meeting on Saturday last, and the following resolution was passed:—

'Resolved:—That the License Commissioners be exonerated from any responsibility in regard to the loss of the $2,300 which had been reported stolen by Constable Conway from the License Commissioners, and that the Comptroller be instructed to enter the amount in his books as 'stolen' in accordance with the facts submitted in the report of the License Commissioners.'

I am, sir, your obedient servant,

The Comptroller, Dawson. J. N. E. BROWN, *Clerk of the Council.*

* The prison population was not furnished to this office during the intervening years, from 1888 to 1898.

* NOTE BY A. G.—The average cost at Kingston has been computed on an expenditure of $123,161.49. This amount is obtained by deducting from the total expenditure ($182,675.65) the sum expended on the binder twine industry ($59,514.16).

The computation was made on this basis because if the binder twine expenditure had been included the revenue from the same source should have been deducted. It was impossible to arrive at the exact revenue as the output of the year had not been all sold.

J. L. McD.

Payment to Deputy Attorney General of Ontario for Counsel Fee.

AUDITOR GENERAL'S OFFICE, OTTAWA, May 18, 1900.

SIR,—I beg to bring to your notice a payment of $153.20 made by cheque 278 to the Deputy Attorney General of Ontario as counsel fee in the case of the Queen *vs.* Choos E. Naun (Indian).

Please let me know your reasons for having made this refund of Local Government expenditure. Is not expenditure of this nature borne under ordinary circumstances by the local authorities?

I have the honour to be, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Justice.

DEPARTMENT OF JUSTICE, OTTAWA, May 23, 1900.

SIR,—I have the honour to acknowledge your letter of the 18th inst. with reference to $153.20 paid to the Attorney General of Ontario for counsel fee in the above case, and in reply to state that it was originally intended that the prisoner should be tried at Rat Portage assizes, and arrangements were made to that end. The Attorney General's department found it necessary to send up an experienced counsel, and an agreement as to his charges had to be made beforehand. Had it not been for this case no counsel would have been sent to the assizes at Rat Portage. The prisoner arrived too late to be tried there, and was consequently sent to Winnipeg, where he was tried and convicted. I was informed by the Attorney General of Ontario that the extra amount they had to pay counsel was $153.20, and this amount was sent him on the 16th November last. The case was an exceptional one, and was so regarded by the Attorney General's department.

I am your obedient servant,

E. L. NEWCOMBE, *D.M.J.*

The Auditor General.

SIR,—Referring to your letter of the 10th ultimo, I have to say, that the account against the Hobbs Hardware Company has been written off in view of the result of the investigations by Mr. Ballantyne who was appointed arbitrator under the provisions of Sec. 37 of the Penitentiary Act.

The account against McColl Bros., has been forwarded for collection.

I am, sir, your obedient servant,

The Auditor General. E. L. NEWCOMBE, *D.M.J.*

AUDIT OFFICE, OTTAWA, August 11, 1900.

SIR,—You state in your letter of June 5, that the account against the Hobbs Hardware Co. has been written off in view of the result of the investigations by Mr. Ballantyne who was appointed arbitrator under the provisions of Sec. 37 of the Penitentiary Act.

I have to ask for a copy of Mr. Ballantyne's report and of the proceedings at the investigation.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. L. McDOUGALL, *A.G.*

Re Yukon Territorial Court Fees.

AUDIT OFFICE, OTTAWA, April 21, 1900.

SIR,—On January 16 last, Mr. Lithgow, Comptroller at Dawson, deposited $3,980.28 as the government share of the fees collected by W. H. Snell, acting clerk of the Territorial Court, Y. T. The papers in reference thereto were forwarded by you to the Finance Department in February last, and have but recently reached this office.

The total amount collected was $7,900.40, of which the clerk retained $3,920.12. In a memo. attached to the papers, which is initialled by you, it is stated that the Yukon Act makes the laws of North-west Territories applicable to the Yukon; that sections 5 to 10 of the North-west Territories Ordinances No. 8 of 1894 (p. 246) fix the remuneration of clerks of court, and under these sections the clerk appears to have made a proper return.

I shall be glad if you can let me have the North-west Territories ordinance in question, which I will return.

The government share of these fees should be deposited from time to time as collected, in accordance with the Treasury Minute of May 23, 1890.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Justice.

AUDIT OFFICE, OTTAWA, May 8, 1900.

SIR,—I am returning herewith the copy of ordinances of North-west Territories for 1894 which you were kind enough to let me have.

The statement of Territorial Court Fees now under consideration covers the fees received by the acting clerk during the 12 months ended December 31, last. When was the Court instituted?

In accordance with the regulations of the Treasury Board, a monthly statement should be furnished, showing the receipts in detail as collected, and the balance falling to the government should be deposited daily if amounting to $25.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, May 10, 1900.

SIR,—In reply to your letter of the 8th instant I have the honour to state that upon receipt of your letter of the 21st ulto, I inclosed a copy of the Treasury Board Minute of May 23, 1890, to Mr. Snell, acting clerk of the court. When Mr. Snell forwarded the $3,980.28 he was advised that he should make his return direct to the Finance Department. This department has no means of checking financial returns from the Yukon Territory nor has it any officers that it could entrust with the auditing of the clerk's books, but no doubt the Finance Department would be able to secure proper audit at the same time that the other Yukon accounts are examined. The court was organized on August 16, 1897.

I am, sir, your obedient servant,

A. POWER, *A.D.M.J.*

The Auditor General.

AUDIT OFFICE, OTTAWA, May 15, 1900.

SIR,—Your statement of the Territorial Court Fees collected during the year ended December 31 last, reached this office from the Finance Department a short time ago.

As directed by the Treasury Minute of May 23, 1890, you are required to furnish a detailed statement of these fees every month and deposit the portion appertaining to the government daily if the receipts amount to $25, otherwise, whenever that sum is on hand.

I have to ask you to forward as soon as possible a statement of the fees collected during the first four months of the present year, and a deposit receipt for the balance after deducting your fees.

I have been informed by the Justice Department that this court was organized August 16, 1897. I have to ask for a statement of the fees collected between that date and January 1, 1899.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

W. H. SNELL, Esq.,
Acting Clerk, Yukon Territorial Court.

AUDIT OFFICE, OTTAWA, August 3, 1900.

SIR,—A statement has reached me attached to a deposit receipt forwarded by you to the Finance Department, of the Yukon Territorial Court fees collected by the acting clerk, W. H. Snell, from January 1 to June 9 inclusive.

The total amount collected was $3,303.30 of which the clerk retained $2,521.32 as his fees, made up as follows :—

Total fees collected up to	$1,500 00
70 per cent of fees between $1,500 and $2,000	350 00
60 " " " 2,000 and 2,500	300 00
50 " " " 2,500 and 3,000	250 00
40 " " over $3,000	121 32
	$2,521 32

These fees are authorized by an ordinance of N.W.T. No. 8 of 1894, page 246, made applicable to the Yukon Territory. This ordinance reads as follows :—"Every clerk shall be entitled to retain to his own use in each year all the fees received by him in that year up to $1,500." Provision is also made for the percentage of total receipts over $1,500 to be retained by the clerk.

As the statement now in question covers the receipt for less than 6 months, is the clerk entitled to claim the whole of the first $1,500 collected ?

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Justice.

JUSTICE DEPARTMENT, OTTAWA, August 20, 1900.

SIR,—In reply to your letter of 3rd instant, I have the honour to state that I think the clerk of the court is entitled to retain the first fifteen hundred dollars of fees collected by him in the year even though the clerk does not remain in office for the whole of such year.

Your obedient servant,

E. L. NEWCOMBE, *D.M.J.*

The Auditor General.

Supreme Court Reports.

THE SUPREME COURT OF CANADA, OTTAWA, September 17, 1900.

SIR,—I beg to inclose you a statement of stock of Supreme Court reports on hand on the first of July, 1900. I regret to say that this year, as last, there are a number of volumes missing, for the absence of which I am quite at a loss to account, being 53 volumes between 1 and 27 inclusive ; and there is an overplus of 14 copies of vol. 28.

I pointed out to you in my report last year that it is difficult to keep a check upon the store department of unbound reports while more than one person has a key, and more particularly as the only access to the roof of this building when repairs, &c., have to be made, is through the attic in which these volumes are kept. If you can suggest any way by which a better check can be placed upon these books, or desire to discuss the matter with me, I shall be very pleased to adopt your suggestion, or to see you, whichever you may desire.

I am, sir, your obedient servant,

E. R. CAMERON, *Registrar.*

The Auditor General.

Re Exchequer Court Reports.

AUDIT OFFICE, OTTAWA, September 6, 1900.

SIR,—I have to ask you for the customary stock account of Exchequer Court Reports, showing volumes and parts of volumes on hand June 30. 1899, the number received from Printer during the year, the number delivered free, the number sold, and the number on hand, June 30, 1900.

The sales amounted to $540.72 in 1898-99, and to $114.38 in 1899-1900. How do you account for the decrease ?

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Registrar Exchequer Court.

EXCHEQUER COURT, OTTAWA, September 12, 1900.

SIR,—I have the honour to acknowledge the receipt of your favour of the 6th instant, and in compliance therewith beg to transmit to you herewith the usual statement, respecting the Exchequer Court Reports, showing the stock on hand June 30, 1899, the number sold and delivered free during 1899-1900, and the stock on hand June 30, 1900.

You are asking me for an explanation as to the decrease in sales during the last fiscal year as compared with the previous year. However, the reason is obvious. We have not issued any new volume during the last fiscal year, and such sales as have been made during the last year have been of volumes already published.

I am, sir, your obedient servant,

L. A. AUDETTE, *Registrar.*

The Auditor General.

EXCHEQUER COURT, OTTAWA, September 20, 1900.

SIR,—I have the honour to acknowledge the receipt of your communication of the 17th instant, asking again for some explanation with respect to the statements furnished to you.

In reply I may say that I find it somewhat strange that this letter asking for the same explanation as in the last three years should again come today. I would have thought that by this time the employees of your department in charge of the revision of these accounts would have understood more about them. As any explanations given would only be a repetition of my letters sent to you during the last two years, and perhaps before—but I have only ascertained with respect to the last two years—I inclose herewith, in reply to your query, a copy of my letter to you of the 28th of September, 1899, to which I cannot add anything more, so far as I understand it at any rate.

I am, sir, your obedient servant,

The Auditor General.

L. A. AUDETTE, *Registrar.*

EXCHEQUER COURT, OTTAWA, September 28, 1899.

SIR,—I have the honour to acknowledge the receipt of your communication of the 26th instant, calling my attention to the statement showing the sales of Exchequer Court Reports as given in my stock account, stating that it does not agree with the sales as given in my cash returns.

I regret to see that this same question is raised this year again, while I had expected that my letter of the 27th of September, 1898, would have dispelled any misunderstanding in that respect. I also regret to see that so far, I have been unsuccessful in imparting to your department a true construction and understanding of my statements, both in respect of the stock and of cash returns with regard to the sales of these reports.

Were my sales of the reports all for spot cash, you would be perfectly right in expecting that the return of sales in the stock account should correspond with the cash returns ; but I have here to repeat again as I did last year, that the subscriptions to the reports become due when the first of the then current volume is distributed. Some subscribers pay cash on receipt of the account, some delay. It is what actually takes place with respect to the latter that your office does not seem to understand. For instance, take the current volume, No. 6, the first part of which was published in the month of June of the fiscal year 1897-98, and for which accounts were then sent for the whole volume, and when the bulk of the sales were made, with the exception of a few copies sold since which my stock return duly shows ; some subscribers paid during the month of June 1898, that is to say during the fiscal year 1897-98 when the sales were made ; others paid during 1898-99 ; but my cash returns for 1898-99 include sales made in 1897-98 as well, and most of the moneys for this volume sold in 1897-98 and returned there as such in the stock account came during the year 1898-99, establishing at once that the number of sales during 1897-98 should not agree with my cash returns for that year. The same principle applies to the year 1898-99. I can only repeat that your construction would be right were my sales all for spot cash.

I trust that I have now made myself understood. However, if further explanations are required I shall be only too glad to give them ; but I may add that the statements I have transmitted to your department are correct in every particular. &c., &c.

The Auditor General.

AUDIT OFFICE, OTTAWA, October 2, 1900.

SIR,—In reply to your letter of September 20, I may say that the employees of this office succeed in acquiring a fairly good understanding of the accounts that come before them, yours among the rest.

You should bear in mind that not only is it necessary that we should understand your accounts but that they be exhibited in the report so that they will be clear to the ordinary reader. This is not done when two statements are published which do not agree on the face, the one based on the cash received, the other on your stock account. Your letter of a year ago which you seem to think ought to have rendered unnecessary any reference to the matter this year, only explained the cause of the differences. It did not furnish figures to show how that difference was made up. Unfortunately pressure of work in getting out the report prevented me from following up the matter then.

You state in your letter of last year that the difference is caused by reports being paid for before delivery. In that case what is needed is a statement showing in the usual detail what volumes or parts of volumes were paid for before June 30, 1899, and June 30, 1900, and delivered after these dates. An adjustment could then be made between the two published statements.

Your early attention will oblige.

I am, sir, your obedient servant,

The Registrar, Exchequer Court. J. L. McDOUGALL, *A.G.*

EXCHEQUER COURT, OTTAWA, October 8, 1900.

SIR,—I have your communication of the 2nd instant, which you preface by saying that your employees have succeeded in acquiring a fairly good understanding of my accounts that come before them, but really what follows hardly bears it out.

You state that in my letter of last year I said the difficulty was caused by reports being paid for before delivery. Surely this is not the gist of my letter. The cause stated by you is only one of the causes mentioned, and under the circumstances I would invite a third perusal of my letter of September 28, 1899. I have, however, had prepared another statement which I inclose herewith, and trust that it will make the matter clearer.

I am, dear sir, your obedient servant,

The Auditor General L. A. AUDETTE, *Registrar.*

AUDIT OFFICE, OTTAWA, October 19, 1900.

SIR,—I have received your communication of the 8th instant, inclosing a further statement *re* Exchequer Court reports.

I have compiled from this statement for publication an adjustment between the reports sold as shown by your stock account, and the reports accounted for in your monthly cash returns, a copy of which I inclose. See page M—52.

In addition to your stock account this adjusting statement is all I require. I shall be glad to learn that we now understand one another, and that next year you will furnish such an adjusting statement with your stock account.

I have the honour to bo, sir, your obedient servant,

The Registrar, Exchequer Court. J. L. McDOUGALL, *A.G.*

EXCHEQUER COURT, OTTAWA, October 23, 1900.

SIR,—I have your communication of the 19th instant with respect to the above matter.

I should have thought that by this time I had more than shown my goodwill in supplying you with statement after statement exhibiting clearly the true and honest transactions with respect to the sale of the reports.

I have perused the adjustment statement you have transmitted to me, and beg to say with respect to the same that in addition to the clerical errors in the addition and subtraction, the statement is not correct in its details, although the total amount therein shown is correct.

I have the honour to be, sir, your obedient servant,

L. A. AUDETTE, *Registrar.*

The Auditor General

Re Arrears due for Exchequer Court Reports.

EXCHEQUER COURT, OTTAWA, October 15, 1900.

SIR,—I beg to acknowledge the receipt of your communications of the 6th ultimo and 8th instant with respect to the above matter, and in reply beg to call your attention to the fact that the statement I transmitted to you on the 8th instant contains the information you require. I have, however, much pleasure in adding that at the present date I have no occasion to send you a statement such as the one requested.

I am, sir, you obedient servant,

The Auditor General. L. A. AUDETTE, *Registrar.*

AUDIT OFFICE, OTTAWA, October 19, 1900.

SIR,—In reply to my letter of September 6, last, asking for a statement of arrears due on June 30 last, and yet unpaid, I have received your letter of the 15th instant from which I understand that there are now no such arrears.

You furnished on October 12, 1899, a statement of the arrears due on that date. Such of those as remained unpaid when the Audit Report went to print were published and are shown on page I-56. Please inform me when these were paid.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Registrar, Exchequer Court.

EXCHEQUER COURT, OTTAWA, October 23, 1900.

SIR,—I beg to acknowledge the receipt of your communication of the 19th instant, and to state in reply that the remittances for the reports referred to in your communication have been paid, partly during the last fiscal year, as appears by the statements already transmitted, and partly since June 30, 1900. Details of the latter payments will appear in my monthly returns.

I wish further to add, with the view of avoiding useless correspondence, that I do not intend in future to treat as arrears the subscriptions due on a current volume. I have come to this conclusion after consultation with publishers, and I think it is the right mode of dealing with the matter, and in view further of the fact that some subscribers object to paying their subscription until the complete volume has been supplied.

With respect to the statement of arrears published at page I-56 of your report of last year, I may say that one of these items has not yet been paid. It is the one due by Mr. McIntyre for the first part of the current volume. Seeing at the time that no remittance had come from him his name was at once struck off the subscription list, and having failed to recover this small amount, I have, following the practice of regular book-keeping, transferred it to what I would call profit and loss, which would properly bring it in the free list for that part, believing that I would be unable to recover the amount under any circumstances.

I am, sir, your obedient servant,

L. A. AUDETTE, *Registrar.*

The Auditor General.

Indemnity and Mileage Accounts, Senate.

AUDIT OFFICE, OTTAWA. September 8, 1900.

SIR,—Referring to your expenditure on account of Indemnity and Mileage, Senate, for session of 1900, I notice that the necessary declarations required by Section 31, Chapter 11, Revised Statutes have been received from only 24 Senators. Please cause them to be obtained from the remainder of the Senators and forwarded to this office as soon as possible with explanation as to cause of delay.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Clerk of the Senate.

THE SENATE, OTTAWA, September 11, 1900.

SIR,—I am in receipt of your letter of the 3rd instant. The remaining declarations will be forwarded to you as soon as I have received them from the Senators.

I am, sir, your obedient servant,

SAM'L. E. ST. O. CHAPLEAU, *Clerk of the Senate.*

The Auditor General.

Note, Oct. 31—Declarations have since been received from 39 Senators.

Issue of Cheques without sufficient Authority.

AUDIT OFFICE, OTTAWA, May 31, 1900.

SIR,—Your attention has been drawn to the discussion in the House yesterday regarding payments which have been made in the Senate, for which there are no appropriations.

Until money has been provided by an Act of Parliament for any purpose, no expenditure can be made legally. Whenever direct applications are made to me for payments under such circumstances I am obliged to refuse to pass the applications, as I have no authority to put myself in the place of Parliament. When credits are given, as in your case, repayments must be made to the bank, no matter whether the drawing of the cheques was justifiable or not. However, after I have notified those in whose favour credits are given that it is illegal to make payments of a certain kind and when they do not carry out the instructions which I feel it my duty to give, I have no alternative but to decline renewing their credits. I trust, therefore, that no such cheques will be drawn by you in the future.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Clerk of the Senate.

THE SENATE, OTTAWA, June 2, 1900.

DEAR SIR,—I have the honour to acknowledge the receipt of your letter of the 31st ultimo, *re* cheques issued by me on the resolution adopted by the House of Commons on the 23rd of that month, vote $8,000 for Senate Legislation. After the conversation I had with you on the subject a few days before the latter date, I was under the impression that the issue of my cheques against this item when adopted by the Commons, would pass unchallenged, particularly after the declaration made by Sir Mackenzie Bowell, on the subject, on the floor of the Senate, to which I then called your attention, and I acted accordingly; but I must either have misunderstood you at the time or you have probably altered your mind since. Be it as it may, cheques for over $2,000 have been issued against said item by me since, the payment of which, had I known would be objected to by you, I could have arranged for with a bank in this city which was willing to cash said cheques and hold them if necessary until the formality of the law had taken its course; and I must add that if a bank is willing to assume such a risk, the informality to which you draw my attention cannot be of a very serious nature. Now with reference to the reason you offer for objecting to pass applications for payment under the circumstances, *i. e.* that "you have no authority to put yourself in the place of Parliament" strikes me to be the very thing you have been doing; because it is a well established fact that the House of Commons jealously reserves to itself the sole right to legislate money or supply bills, so that the acquiescence of the Senate like the Royal Assent to the same is looked upon only as a matter of course; consequently, your refusal to allow applications for payment of salaries to government employees and work of legislation after the House has signified the desire to pass the necessary appropriation for the purpose, is to my own way of thinking nothing less than opposing the expressed wishes of Parliament.

I have the honour to be, sir, your obedient servant,

SAM'L. E. ST. O. CHAPLEAU, *Clerk of the Senate.*

The Auditor General.

AUDIT OFFICE, OTTAWA, June 5, 1900.

DEAR SIR,—I have the honour to acknowledge the receipt of your letter of 2nd instant. I recollect the conversation which we had with reference to the issuing of cheques for Senâte payments. You spoke of the statement made by Sir Mackenzie Bowell in the Senate, and when you referred to the action of the Commons then pending I said that after we had found out what they would do, we should discuss this matter again, and there the matter rested.

You mention the "formality" of the last steps in the passing of an Act of Parliament authorising the expenditure of money. I had occasion to go into this subject very exhaustively at the time of the North-west rebellion with Mr. Blake and Sir John Bourinot. They both said that there was no authorization for such expenditure short of an Act of Parliament, and I have never heard any person at all familiar with these subjects argue anything else.

There was a time when a resolution of the House of Commons was taken as an authorization, but that time is long past, and all that officials can do is to adhere to the law. If it were not so the Commons might meet without any reference to the Senate or Crown and vote money for any object they pleased. But I fancy you would find some very strong statements on the part of the other two branches of the legislature if such a state of matters were to arise.

With reference to your statement of what a bank would have done, without discussing that at length, there are grave objections to officials getting advances from banks to pay other officials, with the expectation of obtaining parliamentary authority.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

The Senate Estimates for 1900-1901 passed by the Committee in Supply on June 22, provide salaries for these officials at the lower salary and not at the increased rate. You will see, therefore, that as no financial provision has been made for the higher rate it will not be possible to pay these increases of salary.

I notice also that you have paid Mr. J. B. Myrand, Postmaster of the Senate, at the rate of $1,600 per annum from March 22, 1900, while there was only a salary of $1,400 provided for this official. Please obtain from him a refund of this excess of salary unless there is some justification that I cannot imagine.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

THE SENATE, OTTAWA, June 30, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of yesterday on the above subject. In reply to your contention that said officials cannot be paid their salaries at the increased rates therein referred to, on the plea that no provision has been made in the estimates for the same, I would draw your atteution to the fact that the salaries and contingent expenses of the Senate are provided for in one lump sum, out of which the Senate may, in the exercise of its constitutional power, order such salaries to be paid to its officials as it thinks fit. For fear, however, that the contingent expenses

should exceed the amount remaining available after paying out those increases of salaries, I have this day made application for an additional sum to be placed in the further supplementary estimates.

With reference to the error made in the case of Mr. Myrand's increase of salary, the overpayment was discovered sometime ago and was rectified on the 15th instant.

You will also notice that a deduction will be made in the salary of Messrs. Creighton and Carleton, on the 15th of July next; it will be a refund of an excess of salary paid to them owing to an omission which occurred in the report of the Committee on Internal Economy and Contingent Accounts granting an increase of salary to those two officials, which omission was rectified in their subsequent report, but after such increase of salary had been paid the latter for part of the month of June.

I have the honour to be, sir, your obedient servant,

SAM'L. E. St. O. CHAPLEAU, *C.S.*

The Auditor General, Ottawa.

AUDIT OFFICE, OTTAWA, July 7, 1900.

SIR,—I am in receipt of your letter of the 30th ult. relative to the increases of salary recommended by the Senate Committee on Internal Economy and Contingent Accounts, and note your statement that as the salaries and contingent expenses are provided for in one lump sum, the Senate may in the exercise of its constitutional power order such salaries as it thinks fit. In reply I have to say that you will see on reference to the estimates that the salaries of the Senate are submitted in the estimates in detail, and on the information thus given are passed. In the House of Commons it is the same. There, however, no claim is made that an increase of salary is legal unless provided for in the estimates.

I am of the opinion that as the vote was passed on the information in the estimates, no provision was made for the increases recommended, and, as a consequence, they cannot be paid.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

Indemnity and Mileage Accounts, House of Commons.

AUDIT OFFICE, OTTAWA, May 11, 1900.

SIR,—Referring to the unsettled accounts of House of Commons members for indemnity and mileage, session of 1899, to which your attention was called by letter of September 30, 1899, I have to point out that with respect to the greater number of those whose accounts were unsettled at that date, a list of which was published at page J—8 of the report of this office for 1898-9, no declarations have yet been received.

Before making further payments on account of the indemnity and mileage for the present session to members whose accounts for 1899 are not settled, please cause the declarations to be furnished as required, so that settlements in the cases referred to may be made.

I am, sir, your obedient servant,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, September 10, 1900.

SIR,—Referring to your expenditure on account of indemnity and mileage, House of Commons, I notice that declarations required by section 31, chapter 11, Revised Statutes, have been received from only 103 members. Please cause them to be obtained from the remainder of the members of the House of Commons and forwarded to this office as soon as possible with explanations as to the cause of delay.

I am, sir, your obedient servrnt,

The Clerk of the Commons. J. L. McDOUGALL, *A.G.*

HOUSE OF COMMONS, OTTAWA, September 14, 1900.

SIR,—In reply to your letter of the 10th instant relative to expenditure on account of indemnity and mileage, I have to inform you that the accountant is using every diligence in having members return their declarations. As they are received they will be forwarded to your office without delay.

Re Private Bill Fees.

AUDIT OFFICE, OTTAWA, August 2, 1900.

SIR,—An Act respecting the Merchants Bank of Halifax, and to change its name to "Royal Bank of Canada," was assented to on June 14.

The summary of fees and charges of the session of 1900, furnished to this office does not show that anything has been paid for the fee and charges on this Bill, nor do I find that any amount has come to account. Your early attention is requested.

I am, sir, your obedient servant,

The Clerk of the House of Commons. J. L. McDOUGALL, *A.G.*

HOUSE OF COMMONS, OTTAWA, August 3, 1900.

SIR,—In reply to your letter of the 2nd instant *re* fees on Bill: Merchants Bank of Halifax, and to change its name to 'The Royal Bank of Canada," I may say that an error was found to exist in the Bill as passed. A second Bill was introduced and put through rectifying the error—all rules and orders being suspended in relation thereto. (See Votes and Proceedings, page 520.)

I am, sir, your obedient servant,

The Auditor General. R. P. KING, *Acting Secretary to the Clerk.*

AUDIT OFFICE, OTTAWA, August 2, 1900.

SIR,—An Act to incorporate the St. Lawrence Terminal and Steamship Company was assented to on June 14, last.

This Bill was first introduced in the Senate No. (R). and on April 18, $26.90 was paid to cover expense of translation and printing by Messrs. Greenshields & Greenshields.

The fee on this Bill does not appear on your statement as having been paid, nor has the amount come to account. Your early attention is requested.

I am, sir, your obedient servant,

The Clerk of the Senate. J. L. McDOUGALL, *A.G.*

THE SENATE, OTTAWA, September 19, 1900.

SIR,—In reply to your letters of August 2 and 17th instant, I may say that the committee in charge of the Bill in question were duly notified that the $200 fee had not been paid in. The parties interested have been communicated with and have promised to pay the amount. I shall see that you are advised when they have done so.

I am, sir, your obedient servant,

The Auditor General. SAM'L. ST. O. CHAPLEAU, *Clerk of the Senate.*

NOTE: The fee on this Bill was deposited October 16, 1900.

Re Private Bills, Fees and Charges for Advertising.

AUDIT OFFICE, OTTAWA, September 17, 1900.

SIR,—There were 22 insertions of the notices *re* Private Bills in the Provincial Gazettes in 1898-99, and only 11 in 1899-1900. In consequence the charges are generally about one-half of the previous year. The charge of the British Columbia *Gazette* remains at the same figure as in the previous year; and the charges of the New Brunswick *Gazette* is $42.25 as against $48.60 in the previous year.

Did the Queen's Printer furnish any explanation to justify you in paying these accounts?

I am, sir, your obedient servant.

The Clerk of the House of Commons. J. L. McDOUGALL, *A.G.*

HOUSE OF COMMONS, OTTAWA, September 19, 1900.

SIR,—In reply to your letter of the 17th instant respecting payments made to the Provincial Gazettes for the insertion of notices *re* Private Bills, I have to say that the Queen's Printer did not furnish any explanation other than certifying to the accounts.

I am, sir, your obedient servant,

The Auditor General. JNO. GEO. BOURINOT, *Clerk of the Commons.*

AUDIT OFFICE, OTTAWA, August 4, 1900.

SIR,—I am returning herewith your receipt book furnished me with your statement of Private Bills fees and charges thereon.

In 1898-99 there were 22 insertions in the greater number of the Gazettes. In 1899-1900 there were only 11 insertions and the charges in the Gazettes of Manitoba, Nova Scotia and Prince Edward Island are about one-half the amount they were the year previous.

The charge by the British Columbia *Gazette* is precisely the same as in the previous year ; the charge by the New Brunswick *Gazette* is $19.50 and the previous year it was $23.40 ; and the charge by Quebec *Gazette* was $57.72 as against $67.41 in the previous year.

I have to ask what explanation was furnished you by the Queen's Printer to justify you in paying these accounts.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Clerk of the Senate.

THE SENATE, OTTAWA, September 21, 1900

SIR,—I have the honour to acknowledge receipt of your letter of the 4th ult.

The difference in the number of insertions of notices relating to Private Bills in the Provincial Gazettes was owing to the session being called earlier this year than last.

The accounts were each and all submitted to the Queen's Printer for examination, in accordance with the law, and paid by me upon his certificate that they were correct at contract rates. The vouchers bear his certificate upon their face, which I consider to be full and ample justification for payment.

I am, sir, your obedient servant,

The Auditor General.

SAM'L. E. ST. O. CHAPLEAU, *Clerk of the Senate.*

AUDIT OFFICE, OTTAWA, October 1, 1900.

SIR,—According to the vouchers furnished there were 22 insertions of the notices *re* Private Bills in the Provincial Gazettes in 1898-99, and only 11 in 1899-1900. In consequence the charges are only somewhat more than one half of the previous year.

This reduction does not appear to have been carried out by the following Gazettes :—

	1898-99.	1899-1900.
British Columbia—		
House of Commons	17·75	17·75
Senate	10·50	10·50
New Brunswick—		
House of Commons	48·60	42·25
Senate	23·40	19·50

I have applied to the Clerks of the Senate and House of Commons, and they reply that they paid the accounts as they were certified by the Queen's Printer. I shall be pleased to have an explanation.

I am, sir, your obedient servant,

The Queen's Printer, &c.

J. L. McDOUGALL, *A.G.*

Re Arrears Due.

THE SENATE, OTTAWA, October 16, 1900.

I am, sir, your obedient servant,

The Auditor General.

CHAS. T. GIBBS, *Assistant Accountant.*

I am, sir, your obedient servant,

R. P. KING, *Acting Secy. to the Clerk*

The Auditor General.

Reference to Treasury Board *re* Extra Clerks.

AUDIT OFFICE, OTTAWA, June 27, 1900.

SIR,—In the *Hansard* of Friday last at page 8345 (unrevised), Sir Louis Davies, Minister of Marine and Fisheries, is reported to have said, during the discussion of an item of $47.62, in the supplementary estimates of the current fiscal year for P. Mungovan, employed by the Department of Justice as a temporary copyist, that the Department of Justice had sustained my view of the law in regard to the employment of certain persons in his department under somewhat similar circumstances, in the preparation of fishing bounty cheques.

The opinion of the Department of Justice, to which the Minister referred, must have been given on a reference to the Treasury Board from this office, dated July 16, 1897. The point at issue between the department and myself was in connection with the qualification of the persons concerned, under the Civil Service Act. So far as I can find, I have not been informed of the fate of my reference at the Treasury Board ; but it appears from the remarks of the Minister of Marine and Fisheries to which I have called attention, that the Department of Justice upheld my view of the law in regard to the appointment of temporary clerks at Ottawa.

It seems to me that the decision of the Treasury Board in this instance should have been communicated to me, together with a copy of the legal opinion upon which the decision was based. The reasons given by the Department of Justice in support of the opinion tendered the board would have been of great value to me in dealing with similar cases to those of which it treated ; and as cases of the kind continue to come up, I beg to request that you will cause to be sent me at your early convenience the decision of the Treasury Board to which I have reference, and a copy of the legal opinion upon which it was based, given, I presume, by Sir Oliver Mowat who was Minister of Justice at the time.

I am, sir, your obedient servant,

The Secretary, Treasury Board. J. L. McDOUGALL, *A.G.*

Difference in the Price paid for Tanks.

AUDIT OFFICE, OTTAWA, June 23, 1900.

SIR,—I beg to bring to your notice vouchers 833 and 8502, rendered by Thomas Shaw, Victoria, for five tanks for the lights at Cape Beale and Ivory Island.

Four of these tanks, the dimensions of which are given as 8 x 4 x 4, cost $83 each ; and the fifth, of exactly the same size, cost $117.88. In the former case the price appears to have been fixed by agreement or contract, while in the latter the following details are given :—

125 hours at 50c	$62 50
848 lbs. sheet steel at 6c	50 88
30 lbs. $\frac{3}{8}$ x $\frac{7}{8}$ rivets at 15c	4 50

Please let me have an explanation of the striking difference in price of the same article in the two cases.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, November 12, 1900.

SIR,—Referring to your letter of June 23 last requesting an explanation of the difference in price of tanks for lights at Cape Beale and Ivory Island, supplied by Thomas Shaw of Victoria, I am to inform you that the cause of difference in cost is attributable to the advance of 60 per cent in the price of iron plates in the interval between the two orders.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

Refund of Expenditure not Explained,

AUDIT OFFICE, OTTAWA, October 2, 1900.

SIR,—I beg to ask for explanations of a refund of $41.36 made by the Agent of Marine at St. John on account of an overpayment to that amount to D. W. Clarke by cheque 14685.

The voucher furnished by Mr. Clarke in support of the amount paid him in the first instance has been certified by Mr. E. E. Prince, and does not show the particular item on which the overpayment occurred.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Watches, &c., as Rewards for Saving Life.

AUDIT OFFICE, OTTAWA, September 27, 1900.

SIR,—I beg to call your attention to the absence of the certificate called for by section 33 of the Audit Act from two accounts rendered by Mr. A. Rosenthal, Ottawa, amounting to $105, and paid during last year by cheques 1645 and 13211. These accounts are for watches and a medal supplied the department for rewards for saving life. In connection with the purchases for this service, I would like to be informed of the nature of the record kept in the department of the disbursements made of the articles in question, and the authority under which each award is made.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 1, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th ultimo, inquiring in regard to rewards for saving life, and in reply I am to inform you that the reward in each case is made under special authority from the Minister of Marine and Fisheries, and a record is kept in the department of the disbursements made of the articles in question, and from year to year a list is published of the rewards made in connection with the annual report.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

Irregular Certificate on a Paid Account.

AUDIT OFFICE, OTTAWA, July 7, 1900.

SIR,—I beg to bring to your notice the certificate written across the face of voucher 10116 rendered by Mr. J. C. Morrison, Shelburne, N.S., for a self-bailing surf boat, $250. The certificate is signed by Mr. Bloomfield Douglas, and reads as follows :—

" Certified correct. The boat is built according to specification and agreement ; the workman " ship and materials good."

On the day on which Mr. Douglas gave this certificate, he sent the following note to Mr. Parsons, the Marine Agent at Halifax :—

" DEAR MR. PARSONS,—Inclosed Morrison's account in triplicate for building the boat for Cape " Sable.

" Captain Spain, who was at Shelburne, inspected the boat, and has certified to me by wire " that all is O. K.

" I know Morrison wants his money

" Yonrs truly,

" BLOOMFIELD DOUGLAS."

It would appear from this letter that Mr. Douglas gave his rather minute certificate respecting the work done by Morrison, not from actual knowledge, but on the strength of a telegram which merely informed him that all is O. K.

Please let me know why you accepted the certificate of Mr. Douglas, in view of the circumstances under which it was given, as sufficient to justify your paying Mr. Morrison.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Salvage Claim—How Estimated.

AUDIT OFFICE, OTTAWA, June 20, 1900.

SIR,—I beg to bring to your notice voucher 8980, rendered by the Insular Steamship Company for $100, being a claim for salvage on North-west Ledge buoy in November, 1899.

Please let me know the basis on which a salvage allowance is determined. The voucher in the present instance is certified "work performed; price fair and just" by the agent of the Department at St. John, N.B., but I presume there is some fixed rule by which the amount allowed in each case is determined.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, June 22, 1900.

SIR,—In reply to your letter of the 20th instant, in which you refer to the account of the Insular Steamship Company for $100, being a claim for salvage on North-west Ledge buoy, in November, 1899, and asking on what basis the salvage is allowed, I have to inform you that, technically speaking, it is not salvage, although the account was made out in that way.

If the matter came under the Wreck and Salvage Act, the amount to be paid would be determined in accordance with that Act. The department deals with each case upon its merits. If a claim at any time is made which the department considers excessive, then the claim is not acknowledged in full, but an offer is made according to what is considered the value of the work done, taking also into consideration the value of the returned buoy to the department.

In the case of large automatic buoys like the North-west Ledge buoy, which cost in the vicinity of $1,000, the service rendered by the person recovering it is valued by the agent or some other officer of the department who is acquainted with the facts, but in all cases the agent must certify the account after satisfying himself that it is fair and just. It is rarely that claims are paid in full, but the department or the agent puts the value on the service rendered from facts and information obtained.

There is no fixed rule, nor could one be fixed, as the department has so many kinds of iron buoys differing in value. The first thing always considered is whether the buoy is of sufficient value to pay any claim whatever made for recovering it.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

Insufficient Vouchers and Certificates.

AUDIT OFFICE, OTTAWA, June 19, 1900.

SIR,—I beg to bring to your notice the accounts rendered by Mr. B. J. Coghlin, Montreal, for supplies furnished the steamer *Minto* amounting to $1,265.32 during the current fiscal year.

These accounts are detailed in sterling money on the bill-heads of Mr. Coghlin's firm, and are presumably copies of the original accounts rendered by some English firm to Mr. Coghlin. These latter documents should be sent me.

One of the accounts, amounting to $123.32, is certified as to the fairness of the price by Captain McElhinney, but there is no certificate as to the receipt of the articles enumerated. Another account for $67.12 is certified by the Deputy Minister: "received by me at Montreal and forwarded to "Charlottetown." The certificate of the officer at Charlottetown, responsible for the safe-keeping of the articles forwarded to him, should be sent me.

I shall be obliged if you obtain the necessary certificates and accounts at your early convenience.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Insulating Paper for Bait Freezers.

DEPT. OF MARINE AND FISHERIES, OTTAWA, June 9, 1900.

SIR,—In reply to your letter of the 7th instant, requesting to be furnished with a statement showing the disposition that has been made of 275 rolls of 3-ply P. & B. paper, shipped by the Standard Paint Company, New York, to the agents of this department at Halifax and Charlottetown, in connection with the construction of bait freezers, I have the honour to state that this paper is handed over, as required, to Messrs. Fraser and Macfarlane, who are the officers superintending the building of these freezers. A statement as asked for will be given when the work is further advanced.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

Extra Clerk employed who had not Qualified.

AUDIT OFFICE, OTTAWA, July 24, 1900.

SIR,—I wrote you on June 7 last, asking your reasons for having paid a temporary clerk in your department $11.11 from the appropriation for the preparation of returns ordered by Parliament without having first obtained the certificate of the Auditor General, as directed by a minute of the Treasury Board dated December 2, 1895. So far I have not received any reply, but find from the list of cheques issued during the month of June, that A. M. Faulkner, presumably the same person to whom my letter of the 7th ultimo had reference, has been paid since that date $66.66, being two months' services at $400 per annum. I shall be obliged if you will let me know your reasons for having disregarded the plain directions of the Treasury Board in this matter.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, August 1, 1900.

SIR,—Referring to your letter of the 24th ultimo, calling attention to the matter of payment of A. M. Faulkner without your certificate, I find that it has been the practice in this department in the case of writers called in for a few days or weeks, as the case may be, to prepare returns for Parliament, to pay such clerks from the appropriation made by Parliament for this purpose without your certificate. This practice has been followed in the case of Mrs. Faulkner, and I have to express my regret that the directions of the Treasury Board have not been observed in this matter.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

Payment of a Claim long Overdue.

AUDIT OFFICE, OTTAWA, May 29, 1900.

SIR,—I beg to bring to your attention an account rendered by Kilgour Shives for ground rent of the light at Upper Range, Campbellton, from June 1, 1894, to June 1, 1899, $40, and which was paid in April last by cheque 12379.

Please let me know the reason for not having paid the rent in the usual course.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, June 12, 1900.

SIR,—Referring to your letter of the 29th ultimo in regard to an account rendered by Mr. Kilgour Shives for ground rent of the light at Upper Range, Campbellton, from June 1, 1894, to June 1, 1899, and inquiring why the rent was not paid in the usual course, I have the honour to inform you that the rent is $8 per annum, and that no account had been received from Mr. Shives until five years' rent was due. His account then rendered was for $40, and was paid in April last.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

AUDIT OFFICE, OTTAWA, June 15, 1900.

SIR,—I beg to acknowledge the receipt of your letter of the 12th instant in explanation of the delay in regard to the payment of the ground rent of the light at Upper Range, Campbellton, to which I called your attention on the 29th ultimo.

In my opinion your explanation is not satisfactory. The department is surely in a position to know its own liabilities, and if a claim was not made in due course for payment of rent which had been duly authorized, then it seems to me it was the plain duty of the department to make the necessary inquiry, so that the charge in question should enter into the financial statement of the fiscal year to which it properly belonged. The negligence of Mr. Shives in rendering his account does not excuse or justify the department in allowing debts to accumulate which should be discharged in regular order.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Absence of Certificate from an Account for a Kodak.

AUDIT OFFICE, OTTAWA, May 21, 1900.

SIR,—I beg to call your attention to the absence of the necessary certificate in regard to the price paid on the enclosed account rendered by the Topley studio for a kodak and twelve rolls of film.

Please cause to be inserted thereon the required certificate by the officer of your department who uses the instrument, and consequently will be in a position to certify to the market value.

I shall be obliged if you will return the voucher at your early convenience.

I am, sir, you obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, May 12, 1900.

SIR,—I beg to inform you that I have received an Order in Council of the 5th instant, authorizing the payment of $600 to Captain Robert J. Walls, pilot master of the district of Miramichi, towards payment of the costs incurred by the pilots of that district in certain litigation in which they were recently engaged, and to point out that in view of the claim of the pilots not being a legal obligation on the Government, it should not be paid until the necessary and special provision had been made by Parliament.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 19, 1900.

SIR,—I have to acknowledge the receipt of your letter of October 2 referring to yours of May 12 last, stating that the $600 paid to Captain Robert J. Walls, master pilot, of Miramichi, in part payment of legal costs incurred by the Miramichi pilots when they were on strike should, in your opinion, have been specially voted by Parliament before being paid.

In reply, I have the honour to inform you that your letter of May 12 was not received until the 14th, and a cheque had been issued on the 10th, four days previous to the receipt of your letter.

With reference to your opinion that the sum should have been voted by Parliament before being paid, I may state that I do not quite agree with you on that point. The Miramichi pilots had gone on a strike, and the commerce of that section of Canada was very seriously interfered with. If you will refer to the Order in Council which issued in connection with the payment of the $600, you will find that the undertaking of the department to pay that portion of the costs incurred by the pilots was an important factor in the settlement of the strike, and under the circumstances there was no time to be lost in waiting to get the amount voted by Parliament, as in the interests of the good government of the country, it was important for the department to have the pilots and pilotage authority reconciled as speedily as possible. It must also be borne in mind that the action of the department in this instance is a matter of policy.

As this department had placed at its disposal by Parliament an amount to meet unforeseen expenditures, it is considered that this amount is a legitimate charge upon this vote.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

AUDIT OFFICE, OTTAWA, October 27, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 19th instant in explanation of the issue of a cheque of $600 to Captain Robert J. Walls, master pilot at Miramichi, in part payment of the legal costs incurred by the pilots at that port when they were on strike some time ago.

The vote for unforeseen expenses, to which you refer in your letter, is available only for the payment of such claims against the Government as are of legal obligation. The Order in Council under the authority of which the cheque was issued, directs payment of portion of the expenses to the amount of $600, but no account has been sent me in evidence of the fact that the amount paid is only a portion of the costs, or that the costs incurred were of such a character as to make them a legal liability of the Government.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 30, 1900.

SIR,—I have the honour to acknowledge the receipt of your letter of the 27th instant relative to obtaining a proper voucher for the $600 paid to Captain Robert J. Walls, master pilot of Miramichi, to assist in the settlement of the pilot strike in that district, and in reply I have to regret very much that a proper voucher has not been furnished you before this date.

I will, however, obtain proper vouchers and forward them to you as soon as possible.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

Purchase of Steam Barge "Shamrock."

DEPT. OF MARINE AND FISHERIES, OTTAWA Feb. 27, 1900.

SIR,—In reply to your letter of the 4th ultimo relating to a certificate from an officer of the department competent to determine prices in connection with the purchase of the steam barge *Shamrock* for $21,500, I have to inform you that the whole matter was submitted to the Honourable Minister of Marine and Fisheries. The following memorandum was made by him on the file :—

"The Minister personally took a great deal of pains to ascertain the value of the *Shamrock* "before purchasing, and only purchased when fully satisfied the steamer was of the value he agreed "to pay. He also ascertained actual cost from the builders, &c. The deputy also, by the Minister's "instructions, made a personal examination of the vessel and reported her to be of the value agreed "upon."—(Sgd.) L. H. D.

I trust that this memorandum will be considered sufficient. You have the certificates of the officers who examined the vessel in accordance with the conditions of the agreement.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *Act. Deputy Minister, M. & F.*

AUDITOR GENERAL'S OFFICE, OTTAWA, November 17, 1900.

SIR,—With reference to your letter of the 27 February last informing me that the Minister and Deputy Minister personally examined into the value of the steam barge Shamrock. I beg to say that unle s the Deputy Minister has the necessary technical knowledge in the construction of ships his certificate would not be such as to fulfil the requirements of Section 33 of the Audit Act.

I have the honour to be, sir, your obedient servant

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, February 24, 1900.

SIR,—The following wharfs were purchased from the Local Government of Prince Edward Island in December, 1897 :—Cranberry for $2,069.85 ; Haggerty's for $5,745 ; Red Point for $4,028.31.

I have to inquire why no revenue has come to account from these wharfs for the seasons of 1898 and 1899 ?

I have also to call your attention to a new wharf built during the winter and early summer of 1898 at West Point at a cost of $3,750.30, from which no revenue has yet come to account.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPARTMENT MARINE AND FISHERIES, OTTAWA, September 29, 1900.

SIR,—Referring to your letter of February 24 last inquiring why no revenue has come to account from the wharfs at Cranberry, Haggerty's and Red Point, in the province of Prince Edward Island, I beg to inclose copy of a letter received from the agent of this department at Charlottetown reporting in regard to the wharfs in question.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE *for D. M. of M. & F.*

CHARLOTTETOWN, P.E.I., September 22, 1900.

SIR,—I have to acknowledge the receipt of the department's letter, dated 19th instant, requiring report upon government wharfs, Cranberry, Red Point and Haggerty's.

I beg to state that at the above wharfs there is nothing doing, excepting during the fall months when small vessels are bringing produce. I have been at Red Point and Haggerty's this season on account of actual repairs required, the wharfinger's books did not show any earnings and the wharfinger assured me there was not any.

The Haggerty's wharf is used once a week as a landing for the local government's steamer *Southport*, carrying passengers, but there are not any charges made, as this is a regular local government ferry service between Charlottetown and Mount Stewart bridge.

I am of the opinion the wharfingers do all in their power, but there is actually no business that I can see.

Yours, &c.,

A. LORD, *Agent.*

AUDIT OFFICE, OTTAWA, February 24, 1900.

SIR,—I have to call your attention to the following wharfs in Prince Edward Island and to the expenditure on them during the last five years by the Public Works Department, during which time no revenue whatever has come to account:—

I do not find that anything has come to account during the present fiscal year.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries. J. L. McDOUGALL, *A.G.*

MARINE AND FISHERIES DEPARTMENT, OTTAWA, April 2, 1900.

SIR,—In reply to your letter of the 16th September last in which you state that a clerk from your office was recently at Charlottetown and found that at several ports in Prince Edward Island there are private as well as government wharfs and that at government wharfs a fee is exacted for side-wharfage and at private wharf side-wharfage is free, the result is that the bulk of the business goes to the private wharfs, I have to inform you that if this means anything it is a suggestion to do away with side wharfage on government wharfs.

I have to call your attention to the fact that in most cases on the River St. Lawrence and at very many wharfs in the province of Nova Scotia the principal part of the revenue is from side-wharfage.

The department is aware of the fact that there are private wharfs in all the provinces where no side-wharfage is collected and the object is not merely to get top wharfage but for other business reasons into which I need not go. It would be impossible to make rules and regulationss to apply to a few wharfs in a province or even to apply to all the wharfs in one province different from the rules and regulations for another province.

If side wharfage were abolished then it might lead to the consideration of the subject of abolishing wharfage altogether. Under those circumstances there would of course be no revenue.

The department has not considered the question of abolishing side wharfage and does not believe on the whole that any larger amount of revenue would be received by abolishing that kind of wharfage.

I am, sir, your obedient servant,

JOHN HARDIE, *for D.M of M. & F.*

DEPARTMENT OF MARINE AND FISHERIES, OTTAWA, September 18, 1900.

SIR,—Referring to your letter of the 10th instant calling attention to certain letters to which you had no reply. I beg to inform you, in reference to your communication of March 6, last, calling attention to certain wharfs in New Brunswick from which no revenue has come to account, that the wharfs at Caraquet, Burnt Church and Two Rivers referred to in your letter, are not under the control of this department having never been transferred to its charge.

With reference to the wharf at Gardner's Creek, I find that the wharf in question was only transferred in October, 1899, and a wharfinger appointed on December 11, 1899. No returns have been received from this wharf as yet, but I have written to our agent calling his attention to the matter.

With reference to the wharf at Quaco, I find that in September, 1898, the sum of $10.73 was received from the wharfinger but nothing appears to have been received since. Inquiry has been made of our agent also in reference to this case.

The wharf at Black River, which was transferred in February, 1898, is under the charge of a wharfinger, but he has not deposited any collections to the credit of the department, though it would appear that he has collected the sum of $77.63. This matter is also receiving the attention of our agent.

With reference to the wharf at Cocagne, a wharfinger was appointed on August 9 last, and it is too soon to report in regard to returns.

I am, sir, your obedient servant.

The Auditor General. JOHN HARDIE, *for D.M. of M. & F.*

AUDIT OFFICE, OTTAWA, March 23, 1900.

SIR,—Referring to previous correspondence on the wharfage due by the Richelieu and Ontario Navigation Co. (see Audit Report 1898-99, pages K-189 & 190) I have to remind you that I have had no reply to my letter of December 29 last, asking for a statement of account made up to close of the season of 1899.

Re Wharfs and Piers in Arrears.

AUDIT OFFICE, OTTAWA, March 24, 1900.

SIR,—I wrote you December 27 last, pointing out that no revenue had come to account for 1898-99 from the following wharfs, specifying the amount received during the previous years :—

Ontario—Port Rowan.

Quebec—Anse St. Jean, Baie St. Paul, Cap à L'Aigle, Magog, Tadousac and Les Eboulements.

Nova Scotia—Babin's Cove, Port Hood and Tidnish.

New Brunswick—Tracadie.

Prince Edward Island—Higgin's Shore.

I have not received any reply to this letter. There has since come to account $4.30 from Babin's Cove, but nothing from any of the other wharfs. I have to inquire what action you have taken in reference thereto.

I am, sir, your obedient servant,

The Acting Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*

DEPARTMENT OF MARINE AND FISHERIES, OTTAWA, April 2, 1900.

SIR,—In reply to your letter of the 24th ultimo relating to revenue from certain wharfs in Ontario, Quebec, Nova Scotia, New Brunswick and Prince Edward Island, I have to inform you that the wharfage arrears for Anse St. Jean, Baie St. Paul, Cap a L'Aigle, Tadousac and Les Eboulements are due by the Richelieu and Ontario Navigation Co., largely.

This company has several times put in claims for the return of wharfage overcharged them at these wharfs and the department is now endeavouring to have a settlement made with the company in the interest of the Government. The company claims a refund of wharfage for a number of years under the order in council of March 25, 1892, relating to wharfage.

There are nine or ten wharfs in the province of Quebec at which the steamers of the Richelieu and Ontario Navigation Co. call and are liable for side wharfage. A settlement of the Government's claim is being pressed.

You have asked for statement of the wharfage due up to the end of 1899 from this company, but owing to some discrepancy between the statements of the wharfingers and the correct wharfage tariff, all the statements from these wharfs for years back have been gone over by an officer in the department, which has consumed a great deal of time.

The result of the settlement will be reported to you when it is completed.

With regard to Port Rowan, in Ontario, there has been great difficulty in securing a wharfinger owing to the small amount of collections that would be made at the wharf, no person being willing to accept the position under the percentage system and a salary has been asked which would probably amount to more than the collections. The matter is under consideration.

With regard to Babin's Cove, Nova Scotia, the wharf is only used in winter by a steamer that plies from the terminus of the Intercolonial Railway, and some small collections were made in 1899 since the end of the financial year, a return of which you have received.

At Port Hood, Nova Scotia, the wharfinger reports that it is impossible to collect wharfage from persons who use the wharf and there is not sufficient in it to pay him for being always on hand. This matter will receive the attention of the agent for the province, who has been instructed to visit all the wharfs.

The wharf at Tidnish, Nova Scotia, does not appear to be much used, but the department is considering the question of appointing a new wharfinger as the late wharfinger was unsatisfactory.

With regard to Tracadie, New Brunswick, the receipts were $5.20 and a return was made in October last. A change of wharfinger has taken place at this wharf and the late wharfinger made a return in October last.

With regard to Higgins Wharf, Prince Edward Island, it was under repair in 1899 and no wharfage was returned for this wharf during that year.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *for D.M. of M. & F.*

AUDIT OFFICE, OTTAWA, March 24, 1900.

SIR,—I have to call your attention to the expenditure by the Public Works Department on the following wharfs, from one of which no revenue has been collected, and from the other very little :—

		Expenditure.	Revenue.
Port Rowan	1894-95	$2,136 36	
"	1897-98	90 05	3 32
Thessalon	1894-95	204 71	
"	1895-96	8,730 80	No revenue

Explanation is also requested why no revenue came to account from Morpeth in 1896-97 and 1897-98, only $3.06 in 1898-99, and nothing since.

I have also to ask to whom the wharf at Summerstown is leased and why nothing has been paid on account of the rental.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries Dept. J. L. McDOUGALL, *A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, April 2, 1900.

SIR,—In reply to your letter of the 24th ultimo relating to the expenditure on wharfs in Ontario from which very little revenue appears to have been received, I have to inform you that as the expenditure was made by the Public Works Department the reasons for expending a seemingly large sum will, no doubt, be explained by that department.

Whilst referring to the subject of expenditure I may state that it does not follow that revenue will be derived from a wharf corresponding to the expenditure that is made upon it. These are public wharfs and cannot be allowed to go into ruin and wreck although very little revenue may be received.

The department has been giving much attention to the reasons why revenue has not been received from certain wharfs and the inquiry has resulted in the fact that many of them are mere breakwaters, some of them form harbours and others increase the depth of the water in the channels, although no vessels may lay at them or goods be landed.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *for D.M. of M. & F.*

AUDIT OFFICE, OTTAWA, March 24, 1900.

SIR,—Referring to previous correspondence, (see Audit Report 1898-99, pages K—186-193) I have now to remind you that nothing has since come to account from the following wharfs:—Chicoutimi, Coteau, Riviere du Loup and Murray Bay.

I have to inquire what steps you are taking to secure payment of those arrears.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

I am, sir, your obedient servant,

The Acting Deputy Minister Marine and Fisheries . J. L. McDOUGALL, *A.G.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, September 28, 1900.

SIR,—Referring to your letter of the 11th instant calling attention to the fact that no revenue has come to account from certain wharfs and piers, I beg to inform you in regard to the wharfs belonging to the Province of Ontario, as follows —

Morpeth Wharf. The wharfinger at this wharf forwarded a return for 1898 showing a collection of $4.10, but no returns have been received since that date. The attention of the wharfinger has been already called to his neglect in forwarding returns and I am again communicating with him in the matter.

North Bay. No wharfinger has as yet been appointed for the government wharf at North Bay and consequently no returns have been received.

Port Rowan. The department has not been able to secure a wharfinger to take charge of the wharf at Port Rowan without an appointment at a salary, and the matter is still under the consideration of the department.

Summerstown. This wharf is under a lease to the Corporation of the Township of Charlestownburg. No revenue is received.

Thessalon. During the present season, this wharf was visited by an officer of the department and the sum of $100 obtained from the wharfinger and the wharfinger at the same time promised to refund the balance remaining unpaid. He also obtained the sum of $108.30 from Mr. Hagan, the former wharfinger and deposited the amount to the credit of the Receiver-General

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *for D. M. of M. & F.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, September 27, 1900.

SIR,—Referring to your letter of the 11th inst. calling attention to the fact that no revenue has come to account during the fiscal year, 1899-1900, from certain wharfs and piers, I beg to inform that on communicating with our Agent at St. John he informs me that no revenue has been collected by the Wharfinger at St. Louis, Kent County, as the flooring of the wharf is at present in a very dangérous state so that teams cannot venture on it. I may observe that this wharf is considered utterly useless for any purpose to navigation and it is not proposed to make any repairs.

With reference to the wharf at Kingston he states that the traffic on the wharf is very limited owing to the other wharfs in the vicinity being free, and that no revenue has come to account.

The agent also reports that no tolls have been collected at St. Mary's owing to the condition of the wharf.

With reference to the wharf at Black River the agent reports that the sum of $58.22 has been received, being the net amount for wharfage dues collected by Mr. McLeod, the wharfinger at Black River, for 1898.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *for D. M. of M. & F.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 1, 1900.

SIR,—Referring to your letter of the 11th ultimo calling attention to the fact that no revenue has been received from certain wharfs in the province of Prince Edward Island, I have the honour to inclose, for your information, copy of a report received from our Agent at Charlottetown in regard to the matter.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *for D. M. of M. and F.*

CHARLOTTETOWN, September 25, 1900.

SIR,—I have to acknowledge the recipt of department's letter dated 21st inst., *re* the Auditor General's request for an explanation for the non-payment of any revenue from certain wharfs for fiscal year 1899-1900.

I beg to report as follows :—

Campbell's Cove, in my opinion will never be a source of any revenue as it is merely a protection for small fishing boats, and that there is not water enough for any craft drawing over five feet water, and nothing shipped therefrom or landed thereon. On the most exposed part of our north shore.

Clifton. This wharf was badly wrecked about one year ago, has been repaired. I saw the wharfinger last July whilst on my tour on lighthouse work. Mr. McKay the former wharfinger had died and the newly appointed official had just received his appointment, but no books or instructions. I supplied him with record book, book of receipts and blank return forms and gave him instructions with respect to his duties. The wharfinger informed me that there would not be anything done until fall shipping began.

Cranberry, Haggerty's and Red Point Wharfs, I reported upon under date the 22nd instant in answer to department's letter No. 17253, of the date of the 19th inst.

Higgins Shore, Egmont Bay south. Geo. G. Henry wharfinger, is a wharf where there will never be any much revenue collected, if any at all, This wharf is a large useless structure built in a place where when the tide is out the whole place is dry, and to the best of my knowledg nothing but fishing boats use the wharf, it is rotting down, last fall the wharfinger allowed a quantity of lobster traps to be landed upon the wharf, was to receive the sum of $5.00, am not aware that the amount was collected, if so, must have been sent to department direct. I did not get any earnings, vessels cannot or do not use the wharf at all, hence I say, it is a large useless structure.

Lewis Point, Cardigan Bridge, should give some revenue. I will write the wharfinger Mr. J. G. Scrimgeor to report.

Mink River, Murray Harbour, should do some work spring and fall, produce shipping, but during the past year there has been changes in wharfingers, three times, and since the last one was appointed there would not have been any earnings. This coming fall season should give some revenue, but the former wharfingers gave up the appointment on account of no earnings and consequently would not give their time and attention.

Nine Mile Creek Wharf. There were three or four small vessels loaded produce at this wharf last fall, so I am informed, but since the opening of navigation, there has not been any vessel at the wharf. I will write Mr. Harrington for his report as to earnings, this wharf is also handicapped on account of water and a very crooked channel leading thereto and it is used chiefly by boats or small schooners, some of which take small quantities of produce, to be delivered into vessels loading at this port.

Pinette Wharf. I have had the wharfinger at this wharf in my office several times lately complaining that the vessels frequenting this wharf refuse to pay wharfage. I have instructed him to sue the vessel owners and shippers before a local magistrate in his own name; this apparently he declines to do, and I would suggest that a more energetic man be appointed wharfinger, one who would do his duty, this man Hubbley will not, he appears afraid to call in the aid of the law.

Whilst on this subject I respectfully beg to state that the Dominion piers are greatly at a disadvantage, especially at ports where there are private wharfs, or Local Government wharfs, the private wharfs give side-wharfage free to all vessels loading or discharging, therefore so long as a berth is obtainable at a private wharf, the Dominion piers are idle, this should not be, the side-wharfage tax should be done away with.

The Deputy Minister Marine and Fisheries. A. LORD, *Agent.*

DEPT. OF MARINE AND FISHERIES, OTTAWA, October 16, 1900

SIR,—Referring to my letter of the 1st instant in regard to the matter of revenue from certain wharfs in the province of Prince Edward Island, I beg to inform you that our agent at Charlottetown, under date 11th instant, reports that he had received a letter from Mr. George G. Henry, wharfinger at Higgin's Shore, Victoria West, stating that no wharfage had been collected since 1892, and that until there was dredging done there could be no shipping and consequently no wharfage.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *for D. M. of M. & F.*

Re Wharf at St. Alphonse de Bagotville.

AUDIT OFFICE, OTTAWA, March 24, 1900.

SIR,—I have not received any reply to my letter of June 2, 1899, in reference to the wharf at St. Alphonse de Bagotville.

On January 17 last, $6.77 was deposited in the Bank of Montreal here on account of this wharf, but no returns have been furnished.

The large falling-off in the receipts at this wharf during the last few years calls for some explanation.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Re Steamship Inspection—Refun of Fees on American Vessels.

SIR,—I have had no reply to my letter of August 27, in reference to your application for a refund of the steamship inspection fees on the steamer *Ariel* to H. Walker & Sons.

At the same time application was made for refunds in favour of Fred R. Dale and the owners of the American steamers *Columbia* and *Pennsylvania*, cheques for which are now inclosed.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries J. L. McDOUGALL, *A.G.*

Regarding cases of this kind, let me refer you to your letter of November 17, 1898, which you will find in my report of 1897-98, page K—186, in which you concur with me that when tonnage dues are collected, inspection fees should also be paid.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

Re Fisheries Revenue.

AUDIT OFFICE, OTTAWA, June 7, 1900.

SIR,—According to the statements of your department, the following licenses were issued and sent to Inspector F. W. Colcleugh, Selkirk, Man., in February last :—

No. 1.....	J. Sigurdson.....	$ 76
No. 2.....	Jos. Simpson	92
No. 3.....	Jas. Tait	80
	Total.....	248

I do not find that the fees for these licenses have yet come to account.

According to the returns of this inspector he collected during 1898-99 as follows:—

October, November and December, 1898	$ 112
December, 1898, to May, 1899	1,176

A deposit receipt for $40, dated February 16 last, came to account yesterday, but no statement has yet been received.

The returns of the overseers are not furnished, and they should be. They should show the date of each collection and the date of the remittance to the inspector.

Your attention is requested.

I am, sir, your obedient servant,

The Acting Deputy Minister, Marine and Fisheries. J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, May 29, 1900.

SIR,—On September 24, 1898, Mr. J. W. Cross deposited $350 in the Ontario Bank at Port Arthur to the credit of Fisheries Revenue. The deposit receipts did not reach this office until December 7, 1899, nearly fifteen months after the money was deposited. The return furnished is merely a memo to the effect that the amount is for licenses 1898.

Please explain why the deposit receipt was delayed and furnish me with a detailed statement in acquittance of the deposit.

In your statement of arrears furnished this office for the year ended June 30, 1899, Mr. Cross appears for $795, made up of 14 licenses amounting to $1,145, less $350 paid, and I assume this credit and the above deposit are identical.

I shall be glad to know if Mr. Cross has accounted for the balance of licenses sent him, amounting to $795; if not, whether the amounts were collected from the parties to whom the licenses were issued, and what action you have taken in reference thereto.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister, Marine and Fisheries.

AUDIT OFFICE, OTTAWA, May 14, 1900.

SIR,—On July 14 last, Mr. W. W. Stumbles deposited at New Westminster $507 25, credited to Fisheries Revenue. The deposit receipt did not reach this office until the 8th of the following January. Please explain this delay and furnish me with the customary detailed return for which this deposit was made.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister, Marine and Fisheries.

DEPT. OF MARINE AND FISHERIES, OTTAWA, September 22, 1900.

SIR,—In reply to your letters of the 10th instant, and May 14 last, inquiring in regard to a deposit made by Mr. Stumbles of $507.25 credited to Fisheries Revenue, I beg to inform you that it is at present impossible to distinguish between the amounts belonging to fines and collections on account of licenses. Mr. McNab has resigned the position of Inspector of Fisheries for British Columbia and pending the receipt of certain information from guardians stationed in almost inaccessable places it will be impossible to itimize the deposit. I may say that a refund of a large amount of this deposit will be asked for as it belongs to complainants in certain cases who have not been paid their share of the fines which forms a part of the above amount.

Under the circumstances I must ask you to allow this matter to stand for the present.

I am, sir, your obedient servant,

JOHN HARDIE, *for D.M. of M. & F.*

The Auditor General.

Re Lease of Foreshore Rights.

AUDIT OFFICE, OTTAWA, May 1, 1900.

SIR,—I wrote you May 31, 1898, in reference to two items of $150 each that came to account for lease of foreshore rights of North-West Arm, Halifax, and Rock Bay, Victoria, B.C. I have not had any reply. I do not find that anything has since come to account from either of these items.

In September last $200 came to account being for grant to British Columbia Sugar Refining Co., of foreshore rights in harbour of Vancouver, B.C.

I have to ask for a full explanation about these foreshore rights; to what harbours they apply; what rights are now under lease; to whom and on what terms; and any other information pertinent thereto.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister of Marine and Fisheries.

DEPT. OF MARINE AND FISHERIES, OTTAWA, Sept. 20, 1900.

SIR,—With reference to your letters of the 10th instant and of the 1st of May last asking for information in regard to the sum of $150 received for a grant made of foreshore rights at North West Arm, Halifax, I beg to inform you that by Order in Council of the 25th of March, 1896, a grant was made to the People's Heat and Light Company, Ltd., of Halifax, of a water lot situated at North West Arm, Halifax, the sum of $150 to be paid by the company for the lot in question. The sum of $150 was received from the company in payment of the grant.

With reference to your inquiry in regard to foreshore rights at Rock Bay, Victoria, B.C., I am unable to reply at present as the file has been mislaid.

I am, sir, your obedient servant,

The Auditor General. JOHN HARDIE, *for D.M. of M. & F.*

Re Arrears Due.

AUDIT OFFICE, OTTAWA, October 27, 1900.

SIR,—I have received your letter of the 25th, inclosing a statement of licenses (Fisheries) issued up to the 30th June, 1900, the fees on which have not been paid.

Though I asked for a statement of *all* arrears due to your department, this statement is all that has been furnished and, as far as I can make out, these are only arrears accrued during 1899-1900. What about the arrears of previous years published in former Audit Reports?

Last year you furnished a statement of wharfs in arrears. Why has no statement been furnished this year?

If there is nothing due by your collecting and disbursing officers, you should so state.

I am, sir, your obedient servant,

The Acting Deputy Minister of Marine and Fisheries. J. L. McDOUGALL, *A.G.*
